

## **MANUAL 17**

### **Clause 4 (b) (xvii) of Chapter II**

#### **OTHER USEFUL INFORMATION**

C.T.I. & R.C. conducts various training programmes in Technical, Administrative, Computer & Soft Skills for MCGM staff in order to enhance their Capacity Building thereby improving the level of basic service delivery to the citizens of Mumbai.

C.T.I.& R.C. also sends MCGM staff for various external Residential / Non-Residential training programmes conducted by renowned institutes all over India for better understanding of present day technologies & updation of their knowledge in their respective fields.

MCGM has established a state level training institute MCMCR (MCGM Centre for Municipal Capacity Building & Research) Powai with a view of sharing knowledge, Technology & Experience with other Urban Local Bodies & their officers/ employees. The aim of this institute is to upgrade the skill & Knowledge base of staff from other Municipal Corporations. The Capacity Building courses & consultancy services will be imparted on payment of fees.
