## **INTRODUCTION**

### **Medical Officer of Health (M / W Ward)**

The right to information is implicitly guaranteed by the Constitution. However, with a view to set out a practical regime for securing information, the Indian Parliament enacted the Right to Information Act, 2005 and thus provided a powerful tool to the citizens to get information from the Government as a matter of right. This law is very comprehensive and covers almost all matters of governance and has the widest possible reach, being applicable to Government at all levels- Union, State and Local as well as recipients of government grants.

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government and make our democracy work for the people in real sense. The Act is a big step towards making the citizens informed about the activities of the Government.

The Act requires the Government authority to compile a handbook in easily comprehensible form and to update it from time to time under **Section 4(1) b** sub clauses i to xvii (17 Manuals). The objective of publishing 17 Manuals is the proactive disclosure of the information/records held by Govt. Authority for the information seekers. The office of Medical Officer of Health, F/South ward is hereby publishing the Handbook for 17 Manuals as required under RTI Act 2005 to promote transparency and accountability in the working of the department & to give easy access to the information seekers to the information & records held by this office.

This handbook contains introduction about the department along with particulars of its functions, duties, objectives & vision. It further elaborates about the duties, powers delegated to its officers & employees. The procedure followed in decision-making process, accountability of concerned officers, norms set for discharge of its function along with Acts, related rules/regulations are further described in detail. It also contains the Statement of Categories of documents held by this office, directory & remuneration of its officers and employees. The details of budget allocation & its disbursement, particulars of permits issued, facilities available for citizens & details of PIO/Appellate authority is also published for information.

This consolidated updated handbook on 17 Manuals of the Act would help all the information seekers in getting information. However, in case any information seeker wants to get more information on topics covered in the handbook as well as other information may contact Medical Officer of Health, MW ward whose office is situated at Office of Medical Officer of Health, R No. 208, 2<sup>ND</sup> Floor, 'M/W' Ward Building, Sharadbhau Aacharya Road, Chembur (East), Mumbai – 400 71. The procedure and fee structure for getting information is as per the provisions of RTI Act, 2005.

The Corporation has decentralized most of the main departments functioning at the city central level under Departmental Heads, and placed the relevant sections of these Departments under the Assistant Commissioner. MOH is under administrative control of Assistant Commissioner. Although the functional control of the MOH lies with the Executive Health Officer

of the Public Health Department. The MOH is separately delegated powers u/s 394 & 412 of MMC Act and Registration of Births & Deaths Act, 1969 and Rule 8/13 of Maharashtra Registration of Births & Deaths Rules, 2000, PC-PNDT Act, 2003, to function effectively.

The registration of Births and deaths in M / West Ward area is done as per provisions laid down under the 'Registration of Births and Deaths Act, 1969'. The act lays down that the information about live births/still births and deaths should be given to the Registrar/Sub-Registrar i.e. Medical Officer of Health, T Ward in the respective forms prescribed for the purpose within 21 days from the date of occurrence of the event. The Medical Officer of Health (M/W Ward) is the sectional Head of Health Department who exercises supervisory control over Public Health Infrastructure in M/W Ward. He has to take action under appropriate provisions of MMC Act/RBD/PC-PNDT/MNH Act against owners of Eating Houses/ USG Centers/ Genetic Clinics/ IVF Centers/ Nursing Homes/ Construction Sites/ Saloons/ Laundries/Flour Mills. He has to prevent unauthorized food trade and also Prevention of Sex-Determination. He has to also regulate and control Outbreaks of Communicable Diseases in M/W Ward. He also supervises all the Health Related activities in a particular ward. He is the appropriate authority to register & certify Vital Events such as Births, Deaths & Marriages. Under the PC-PNDT Act of the year 2003, Medical Officer of Health of F/South Ward has been appointed as Appropriate Authority. Under this act, all Genetic Centers / Genetic Counseling Centers / Genetic Laboratories / Ultra sonography Centers / Imaging clinics etc. are required to be registered. They are supposed to comply with the norms laid down under the PC-PNDT Act, 2003.

As per Central Right to Information Act 2005, The Medical Officer of Health is appointed as Public Information Officer (Health Department) for Public Health Department and As per Maharashtra Public Records Act-2005 and Maharashtra Public Records Act Rules -2007, he is appointed as for Record Officer for Public Health Department.

PUBLIC INFORMATION OFFICER (PIO) for Medical Officer of Health Dept of M/W ward is Dr.Pooja Rohan Desai.
