1.1 Technical Capacity (For Routine Work)

The Quotationer(s) shall be having experience of similar type of work in BMC /Semi Govt. /Govt. & Public Sector Organizations during last seven (7) years ending last day of month previous to

the one in which bids are invited as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved similar nature of work as described in the scope of supply in this bid document, provided further that all other qualification criteria are satisfied. Documentary evidence shall have to be submitted by the Quotationer. **Documentary evidence(Purchase order and Work completion certificate) shall be submitted along with the tender, failing which the quotation shall be treated as non responsive.**

a) Three similar completed works each of value not less than the value equal to Rs.85,050.30

OR

b) Two similar completed works each of value not less than the value equal to Rs. 99,225.35

OR

c) One similar completed work of value not less than the Rs. 1,41,750.50

The value of completed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for Quotation .

1.2 Financial Capacity

Achieved an average annual financial turnover as certified by 'Chartered Accountant' (in all classes of civil engineering construction works only) shall be **Rs.85,050.30** during **last three (3) financial years** immediately preceding the Financial Year in which bids are invited.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

1.3 Similar Experience:

For assessing the technical capacity of similar nature of works means The Quotationer shall have satisfactorily executed the work of **providing/supplying tools/spanners**.

Documentary evidence shall be submitted along with the quotation failing which the quotation shall be treated as non-responsive.

1. The quotationer shall upload all the pages of the documents and every relevant information / certificates / literature etc., enclosed in packet 'A' & offer price in packet 'B'. The mandatory documents prescribed in notice shall be filled in completely otherwise they shall be out-rightly rejected.
2. The mandatory documents are as under.

The Packet "A" shall contain scanned certified copies of the following documents, upload with quotation documents.

- 1) The printed undertaking in draft quotation addressed to the Municipal Commissioner. **(Undertaking-I)**
- 2) The specifications / data sheet
- 3) Information form **(Undertaking-II)** (Name and the address of all the partners shall be given in the space provided thereof).
- 4) The copy of the **Pan card along with the photograph** shall be provided.
- 5) A document in support of **Registration under GST Act 2017.**

- 6) Partnership Deed / Registered power of attorney and any other documents
- 7) Scan Copy of 100% online EMD receipt.
- 8) ASD if applicable.
- 9) Adequate submission of documents as per **technical & financial criteria** as per PQC.
- 10) The undertaking on Rs.200/- stamp paper proforma for **Best price** duly notarized.
- 11) Undertaking cum **Indemnity Bond** on Rs.200/- stamp paper.
- 12) **EPF & MP Act** and **ESIC Act** on Rs.200/- stamp paper each.

Note:-

i) Curable Defect shall mean shortfalls in submission such as:

- a. Non-submission of following documents,
 - i. GST Certificate.
 - ii. Certified Copies of PAN documents and photographs of individuals, owners, etc
 - iii. Partnership Deed and any other documents
 - iv. Undertakings as mentioned in the quotation document.

In packet 'A' maximum 05 nos. of shortfall of curable defects shall be allowed and in case, curable defects are not complied by bidder within the given time period the bidder shall be treated as Non Responsive. The cases wherein if the shortfalls are not complied by a contractor, will be informed to Registration and Monitoring Cell. Such non-submission of documents will be considered as 'Intentional Avoidance' and if three or more cases in 12 months are re-reported, shall be viewed seriously and disciplinary action against the defaulters such as banning/de-registration, etc. shall be taken by the registration cell with due approval of the concerned AMC.

ii) Non-curable Defect shall mean

- a. In-adequate submission of EMD / ASD.
- b. The documents evidence of technical and financial capacity with respect to Eligibility criteria as stipulated in the quotation.

Note: No communication will be made with the quotation in case of non-curable defects.

3. Quotationers are expected to fill their quotations documents carefully and scrutinize them before uploading them on website stated above. No verification on any ground such as mistake or misunderstanding will be allowed after the quotation is opened, recommended or accepted.
4. On opening of quotation, if it is found that quotationer has not submitted the required curable documents, then the quotationer shall be intimated through e-mail only and compliance required to be made within stipulated time period otherwise their offer shall be treated as non-responsive.
5. **Taxes:** The quotationer shall quote the rates inclusive of all taxes other than GST (Excluding GST), Levies, Duties, Cess etc. as applicable at the time of bid submission. GST as applicable shall be paid separately on submission of bills/invoice. Input Tax credit of GST as available with the quotationer will not be claim separately by BMC. However, while quoting the rates benefit

of input Tax credit or Exemption shall be passed on to the BMC by way of equivalent reduction in quoted price Rates accepted by BMC shall hold good till completion of work and no additional individual claim shall be admissible on account of fluctuations in market rates; increase in taxes / any other levies / tolls etc. except that payment / recovery for overall market situation shall be made as per Price Variation. The quotationer shall quote the cost showing all applicable SGST, CGST, IGST & Other taxes if any, on various items.

Chapter XXI- Miscellaneous, section 171(1) of GST Act 2017 governs the 'Anti Profiteering Measure' (APM) As per provision of this section, any reduction in rate of tax on any supply of goods or services or benefit of input tax credit shall be passed on to the recipient by way of commensurate reduction in prices. Accordingly, the contractor should pass on the complete benefit accruing to him on account of reduced tax rate or additional input tax credit, to BMC. Further all provisions of GST Act will be applicable to the quotationer.

6. **Period of delivery / work** shall be **01 Month** (~~Including/Excluding Monsoon~~) from the date of receipt of work order.
7. Every quotation shall remain open for acceptance for **180 days** from the date of opening of the quotation. As some minimum period for evaluating the various samples and obtaining approval of competent authority is necessary. Quotations specifying the validity less than **180 days** shall be rejected out rightly.
8. The quotationer shall not withdraw his offer within the validity period. If he does so, the earnest money deposit paid will be forfeited.
9. The Municipal Commissioner does not bind himself to accept the lowest or any quotation and reserves the right to select one or more items of the quotation and the quotationer will be required to supply any item or items so selected at the rates quoted.
10. **Guarantee:** The successful quotationer shall give a guarantee for 12 calendar months from the date of supply / commissioning or completion of the work for any manufacturing defects or faulty workmanship on BMC prescribed "Maintenance Guarantee" from affixed with Rs. 100/- adhesive stamp / franking. If any defect is noticed within the guarantee period and intimated to the contractors, the same shall be rectified free of cost. Prescribed maintenance guarantee forms are obtainable from the office of the Chief Accountant, BRIHANMUMBAI MUNICIPAL CORPORATION, Head Office, Mahanagarpalika Marg, Mumbai – 400 001.
11. **Terms of Payment:** As per Municipal procedure, the payment for work done shall be made within 30 days from the receipt of the bill subject to verification as per normal rules. In case of supply of article/s the payments shall be made within 30 days from the receipt of the bill subject to satisfactory test/approval of the article/s including its installation, if any.
12. Intending quotationers are informed that the payment of bills and other claims arising out of the contract shall be made in the name of the bank by ECS only. The quotationer, therefore,

shall have to upload the information as regards the name and complete address of their bank, its branch and their A/C No. etc. along with the quotation documents. They shall also have to submit fresh information when there is any change in this regard.

13. **Income Tax:** The contractor shall pay Indian Income Tax on all payment made to him under the contract, other than reimbursement made to him by the corporation to cover payment by the contractor of minor custom dues etc. or any other payment which the contractor may make on the Corporations behalf. Under the provision of section 194 C of the Income Tax Act. The corporation is required to deduct tax from the source. Under present legislation, will deduct as **Tax 2%** of the gross amount of each bill submitted. Any expatriate site staff not normally residents of India, employed by the contractors shall pay personal Income Tax on all money earned and paid in India.
14. As per Government of Maharashtra notification, **1 % CGST TDS** and **1% SGST TDS** is applicable wherein the contract sum exceeds **Rs.2,50,000/-** exclusive of tax & cess as per the invoice.
15. **Penalty:** If the Contractor fails to complete the works and clear the site on or before the Contract or extended date(s) / period(s) of completion, he shall, without prejudice to any other right or remedy of Municipal Corporation on account of such breach, pay as agreed compensation, amount calculated as stipulated below (or such smaller amount as may be fixed by the Engineer) on the contract value of the whole work or on the contract value of the time or group of items of work for which separate period of completion are given in the contract and of which completion is delayed for every week that the whole of the work of item or group of items of work concerned remains uncompleted, even though the contract as a whole be completed by the contract or the extended date of completion. For this purpose the term 'Contract Value' shall be the value of the work at Contract Rates as ordered including the value of all deviations ordered:
- a)** Completion period for projects (originally stipulated or as extended) not exceeding 6 months: **to the extent of maximum 1 percent per week.**
 - b)** Completion period for projects (originally stipulated or as extended) exceeding 6 months and not exceeding 2 years: **to the extent of maximum ½ percent per week.**
 - c)** Completion period for projects (originally stipulated or as extended) exceeding 2 years: **to the extent of maximum ¼ percent per week.**

When the delay is not a full week or in multiple of a week but involves a fraction of a week the compensation payable for that fraction shall be proportional to the number of days involved. Provided always that the total amount of compensation for delay to be paid this condition shall not exceed the under noted percentage of the Contract Value of the item or group of items of work for which a separate period of completion is given.

- i. Completion period (as originally stipulated or as extended) not exceeding 6 months: **10 percent.**
- ii. Completion period (as originally stipulated or as extended) exceeding 6 months and not exceeding 2 years: **7½ percent.**
- iii. Completion period (as originally stipulated or as extended) exceeding 2 years: **5 percent.**

The amount of compensation may be adjusted set off against any sum payable to the contractor under this or any other contract with the Municipal Corporation.

- 16. All quotationers must state the **names and addresses of all the partners** in the space provided for, in the papers. Any quotationer failing to do so, will render himself liable to have his deposit forfeited, and the contract, if entered into, canceled at any time during its currency.
- 17. If it is found that two or more persons who are connected with one another either financially or as principal and agent or master and servant, have quoted separately under different names for the same contract without disclosing connection, the same will be rejected, and the deposit will be forfeited. Any contract entered into such conditions will also be canceled at any stage and time during its currency.
- 18. The firms with common Proprietor / Partner or connected with one another either financially or as principal and agent or as master and servant or with proprietor / partners closely related to each other such as husband, wife, father / mother and minor son / daughter and brother / sister shall not quote separately under different name for the same contract.
- 19. If it is found that firms as described above have quoted separately under different names for the same contract, all such quotationer (s) shall stand rejected and EMD of each such firm / establishment shall be forfeited. In addition, such firms / establishments shall be liable at the discretion of the Municipal Commissioner, for further penal action including blacklisting.
- 20. If it is found that closely related persons as described above have submitted separate quotation under different names of firms / establishment but with common address for such establishments / firms and or if such establishment / firms though they have different addresses are managed by or governed by the same person / persons jointly or separately such quotationers shall be liable for action as in above clause, including similar action against the firms / establishments concerned.
- 21. If after award of contract, it is found that the accepted violated any of the clauses (24 to 27) the contract shall be liable for cancellation at any time during its currency in addition to penal action against the contractors as well as related firms / establishments.
- 22. In the case of Joint Stock Company, the contract must be sealed with the seal of the Company in the presence of and signed by two Directors or by a person duly authorized to sign the contract for the company authorized by a Power of Attorney, such power of attorney being

sealed and signed as aforesaid. All such Power of Attorneys must be registered in the Municipal Head Office to CA(WSSD) section as aforesaid.

23. Postponement of the payment of the full security deposit or the execution of the contract will not be permitted by the reason of the Brihanmumbai Municipal Corporation having in possession, other deposits on account of other's or contracts, which deposits may be or become returnable to the quotationers and which they may wish to transfer as a security deposit under this contract. Such transfer will not under any circumstances be permitted.
24. The contractor shall not be liable for any liquidated damages for delay or for failure to perform the contract for reasons of force majeure such as acts of God, acts of the public enemy, acts of Government firms floods, epidemics, guaranteeing restriction, strike, freight embargoes and provided that the contractor shall inform within 10 days from the beginning of such delay, notify the purchaser in writing of the case of delay. The purchaser will verify the facts and grant such extensions as facts justify.
25. Except successful quotationer all other unsuccessful quotationers' 100% EMD paid online will be refunded automatically. In case of successful quotationers, this EMD deposit will be refunded after payment of security deposit and submission of documents required for execution of contract.
26. Quotations containing contradictory onerous and vague stipulations and heading conditions such as 'Subject to prior sale' "offer subject to availability of stock", "Offer subject to confirmation at the time of order", "Rates subject to Market Fluctuations" etc., are liable to be rejected out rightly.
27. The quotationers shall have to make their own arrangements to secure Import License and or release of controlled or scarce raw materials or parts if required by them for fulfillment of their contract. The Municipal Commissioner shall not be found to give any assistance to the quotationers in that behalf.
28. **Jurisdiction of Court:** In case of any claim, dispute or difference arising out of any terms and conditions of the contract, the Cause of Action thereof shall be deemed to have arisen in Mumbai & all legal proceedings in respect of any such claim, dispute or difference shall be instituted in a competent court in the City of Mumbai only.
29. Contractors' attention is drawn to provisions of Maharashtra Contract Labour Regulation & Control Rules 1970 and Child Labour Prevention & Control Regulation 1986 (if applicable). It is, therefore, directed that the provision therein shall be strictly followed by the contractor.
30. As per the above provision, if the total number of workers engaged on any contract work exceed 20 (Twenty), then, it is imperative on the part of contractor to obtain registration certificate from Labour Commissioner for the said work. The certificate shall be valid and produced during currency of contract in force.

31. Quotationers shall submit an undertaking for **Best price on stamp paper of Rs. 200/-** duly notarized by notary and registration number
32. The **quotationer** shall submit an **‘undertaking cum indemnity bond’ on stamp paper of Rs.200/-**
33. If the quotationer’s firm/ establishment have less than 20 employees, registration certificate as per EPF & MP Act 1952 is not required but declaration to that effect is required to be submitted on Rs.200/- stamp paper.
34. The quotationer shall submit the registration certificate as per ESIC 1948 Act for the firms having the followings:
- (i.)The firms having production with the help of energy & having the employees more than 10.
 - (ii) The firms having production without energy & having the employees more than 20.
- If the quotationer is not fulfilling i) or ii) above, then the declaration to that effect is required to be submitted on Rs. 200/- stamp paper.
35. The **Lowest successful quotationer** shall submit an **‘Irrevocable Undertaking’ on Rs.500/-** stamp paper, duly notarized as per Annexure A1 in prescribed format after intimation of Letter of acceptance.
36. The successful quotationer shall pay the applicable legal & stationery charges within 15 days from the date of receipt of Letter of Acceptance. The Legal & Stationery Charges are as under:

Sr. No.	Contract Value	Legal & Stationery Charges in Rs.
i)	Up to Rs.50,000/-	Nil
ii)	Rs.50,001/- to Rs.1,00,00,000/-	0.10% of Contract cost (Rounding of to nearest 100) + 18% GST (Min. 1000/- + 18% GST and Max. Rs. 10000/- + 18% GST)

37. Contract execution applicable for contracts more than Rs.50,000/-. The stamp duty of Rs.500 will be applicable to contract agreement document. Successful quotationer shall have to submit all relevant documents for contract execution process within 15 days from the date of receipt of letter of acceptance. Failing which the penalty of Rs.100/- per day will be imposed.
38. The successful quotationer, here after referred to as the contractor shall pay an amount equal to Two (2) percent of the contract sum in form of Demand Draft shall be paid within fifteen days from the date of issue of letter of acceptance.
39. Contract Deposit will be refunded after completion of Maintenance Guarantee period.
40. Additional Security Deposit shall be applicable for percentage base quotation as under:

Rebate quoted by contractor	ASD Applicable
Up to 12% Rebate	No ASD
Rebate above 12% on estimated cost	At 2.00% of Estimated cost for each % rebate & part thereof, in D.D. only

The quotationer shall submit the ASD as applicable in the form of Demand Draft, which is to be submitted during office hours minimum one day before opening of packet 'B' (Price packet) to respective Head clerk (Account) of the Engineer in-charge of the AE Division in sealed envelope. If ASD, is not applicable then the quotationer shall submit sealed envelope mentioning on their letter head 'ASD is not applicable'.

If the quotationers fails to submit the sealed envelope as mentioned above at least one day before opening of packet 'B'(Price packet) within office hours then the EMD of the respective quotationers will be forfeited. **(NOT APPLICABLE)**

BRIHANMUMBAI MUNICIPAL CORPORATION

Hydraulic Engineer's Dept

Subject: Procurement of Essential Tools and Maintenance Equipment for the Valve Maintenance Section, Mumbai 3A – Panjrapur

PREAMBLE

The Valve Maintenance Section was established in the year 2006 with the primary responsibility of carrying out routine, preventive and breakdown maintenance of various valves installed at the Panjrapur Complex.

At present, the Panjrapur Complex comprises 59 Nos. of butterfly valves, 32 Nos. of air valves, along with various manholes and associated valve installations located at different points of the complex. Some of these valves are installed on above-ground pipeline sections, whereas a majority of the valves are installed on pipelines within underground chambers.

The existing pipeline network is approximately 45 years old and requires regular inspection, servicing, maintenance and timely repairs to ensure reliable operation. The operation of these valves is carried out as per the requirements of various sections, in coordination with the MBR Section, particularly during planned isolation works as well as emergency breakdown situations.

In order to ensure uninterrupted and reliable water supply to Mumbai City, the planned isolation programme involving the operation of designated valves has to be executed within a limited time frame. Effective and reliable operation of these valves is therefore critical for carrying out isolation, maintenance and emergency restoration activities without affecting the overall water supply system.

Considering the age of the existing pipeline network, the number and strategic importance of the valves, and the operational conditions under which these valves are installed, it is essential to maintain all butterfly valves, air valves, cross-connection valves and associated valve installations on the water trunk mains in good operational condition.

Regular maintenance and availability of appropriate tools and equipment are consequently necessary to ensure safe, efficient and reliable valve operation, minimize the risk of operational failures, reduce downtime during maintenance activities and facilitate prompt response during emergency breakdowns.

Valve Maintenance Section is engaged in the regular inspection, maintenance, repair, overhauling and preventive maintenance of various types of valves and associated equipment. These activities are essential for ensuring reliable and uninterrupted operation of the system.

For effective and timely execution of the above maintenance works, availability of suitable and adequate tools and equipment is essential as the presently used tools (Old) are completed their life span. Considering the nature and extent of maintenance activities being carried out by the Valve Maintenance Section, the following tools and equipment are required for day-to-day maintenance and repair works.

Accordingly, the following requirement is proposed for procurement:.

Sr. No.	Description of Item	Specification / Size
1	Ring Spanner Set	6 mm to 32 mm
2	Double Ended Spanner Set	6 mm to 32 mm
3	Adjustable Pipe Wrench	457 mm (18")
4	Allen Key Set	1.5 mm to 19 mm
5	Combination Plier	210 mm
6	Long Nose Plier	165 mm
7	Hack Saw Frame with Blade	304.8 mm
8	High Speed Hack Saw Blade	300 mm
9	Screw Driver	12"
10	Screw Driver	14"
11	Round File, Smooth	12"
12	Flat Bastard File	300 mm
13	Steel Octagonal Chisel	32 × 300 mm
14(a)	Double Ended Open Jaw Spanner	32 × 36 mm
14(b)	Double Ended Open Jaw Spanner	36 × 41 mm
14(c)	Double Ended Open Jaw Spanner	41 × 46 mm
14(d)	Double Ended Open Jaw Spanner	46 × 50 mm
15	Single Handed Slugging Fix Spanner	50 mm
16	Single Handed Slugging Fix Spanner	55 mm
17	Ring Spanner Slugging	50 mm
18	Ring Spanner Slugging	55 mm
19	Angle Grinder	100 mm
20	Grinding Disc for Angle Grinder	4"
21	Cutting Disc for Angle Grinder	4"
22	Steel Ball Peen Hammer	1 kg

23	Steel Sledge Hammer	1.5 kg
24	Steel Sledge Hammer	3 kg
25	Hand Drill Machine (Hammer)	—
26	HSS Drill Bit Set	1/16" to 1/2"
27	Bench Vice	100 mm (4")
28	Bench Grinder & Polisher	6"
29	WD 40 Spray Lubricants Anti Rust	400 ml
30	Measuring Tape	5 meter
31	Tester	130 mm
32	Tester	200 mm
33	Wire stripping Cutter	150 mm
34	Digital Clamp Meter	AC/DC
35	Oil Can	1/2 Pint
36	G.I.Ghamela	--
37	PVC insulation Tape	--
38	Painting Brush	25 mm
39	Painting Brush	50 mm
40	Painting Brush	75 mm
41	Painting roller	4 inch
42	Painting Roller	6 inch
43	Teflon Tape	--
44	Screw driver two in one	10 inch
45	Screw driver two in one	12 inch
46	Led torch (Rechargeable)	15 W
47	Adjustable Pipe Wrench	609.6 mm
48	Crow bar	
49	Half round file	Smooth
50	Half round file	Hard
51	Hammer with handle	500 gm
52	Portable Rechargeable LED	100 w

TECHNICAL SPECIFICATION

1. General Technical Requirements::

- 1) All tools, equipment and accessories shall be new, unused, first-quality and free from manufacturing defects.
- 2) Tools shall be manufactured from suitable high-strength alloy steel / carbon steel / tool steel, as applicable, and shall be suitable for heavy-duty maintenance applications.
- 3) All hand tools shall have proper dimensional accuracy, adequate hardness, corrosion resistance and good surface finish.
- 4) Tools shall be suitable for use under the field conditions prevailing at the Panjrapur Complex, including underground valve chambers and above-ground pipeline installations.
- 5) All dimensions mentioned in the schedule shall be considered as minimum/nominal requirements. Equivalent or superior specifications may be accepted subject to approval of the Engineer-in-Charge.
- 6) Wherever applicable, tools shall conform to relevant BIS/IS, ISO or equivalent internationally recognized standards.
- 7) The successful bidder shall submit manufacturer's technical literature/catalogue wherever required for verification of specifications.
- 8) All items shall be supplied complete with all necessary components and accessories required for their intended use.
- 9) The tools shall be suitable for regular industrial maintenance and heavy-duty field applications
- 10) Any item found damaged, defective, substandard or not conforming to the specified requirements shall be replaced by the supplier at no additional cost to BMC.

2. Item-Wise Technical Specifications::

Sr. No.	Item	Technical Specification / Minimum Requirement
1	Ring Spanner Set	Set covering 6 mm to 32 mm; forged alloy steel; heat treated; bi-hexagonal/ring profile; accurately sized; corrosion-resistant finish; suitable for heavy-duty maintenance.
2	Double Ended Spanner Set	Set covering 6 mm to 32 mm; forged alloy steel; heat treated; precision jaw opening; suitable for industrial maintenance and repeated use.
3	Adjustable Pipe Wrench	457 mm (18"); heavy-duty construction; forged steel body; hardened serrated jaws; adjustable jaw mechanism; suitable for gripping pipes and fittings.
4	Allen Key Set	1.5 mm to 19 mm; high-strength alloy/tool steel; accurately formed hexagonal profile; corrosion-resistant finish; complete set in suitable holder.
5	Combination Plier	210 mm; forged high-carbon/alloy steel; hardened gripping jaws

Sr. No.	Item	Technical Specification / Minimum Requirement
		and cutting edges; insulated non-slip handles; suitable for general electrical/mechanical maintenance.
6	Long Nose Plier	165 mm; forged steel construction; hardened jaws; fine nose profile; non-slip insulated grip; suitable for confined-space work.
7	Hack Saw Frame with Blade	Frame suitable for 300/304.8 mm blade; heavy-duty adjustable frame; rigid construction; comfortable grip; complete with suitable blade.
8	High Speed Hack Saw Blade	Approx. 300 mm length; HSS/bimetal construction; suitable for cutting steel and other metallic components; suitable tooth pitch for general maintenance.
9	Screwdriver	12"; heavy-duty steel shaft; hardened tip; corrosion-resistant finish; impact-resistant insulated handle; suitable for industrial maintenance.
10	Screwdriver	14"; heavy-duty steel shaft; hardened tip; corrosion-resistant finish; impact-resistant insulated handle.
11	Round File – Smooth	12"; high-carbon tool steel; hardened and tempered; smooth-cut profile; suitable for finishing and enlarging holes/grooves.
12	Flat Bastard File	300 mm; high-carbon hardened tool steel; bastard-cut teeth; suitable for general metal filing and maintenance work.
13	Steel Octagonal Chisel	32 × 300 mm; forged tool steel; hardened and tempered; octagonal shank; suitable for heavy-duty maintenance work.
15(a)	Double Ended Open Jaw Spanner	34 × 36 mm; forged alloy steel; heat treated; accurately machined jaws; suitable for heavy-duty industrial use.
14(b)	Double Ended Open Jaw Spanner	36 × 41 mm; forged alloy steel; heat treated; accurately machined jaws.
14(c)	Double Ended Open Jaw Spanner	41 × 46 mm; forged alloy steel; heat treated; accurately machined jaws.
14(d)	Double Ended Open Jaw Spanner	46 × 50 mm; forged alloy steel; heat treated; accurately machined jaws; heavy-duty type.
15	Single Handed Slugging Fix Spanner	50 mm; heavy-duty forged alloy steel; hardened striking end; accurately machined open jaw; suitable for high-torque applications.
16	Single Handed Slugging Fix Spanner	55 mm; heavy-duty forged alloy steel; hardened striking end; accurately machined open jaw.
17	Ring Spanner Slugging	50 mm; heavy-duty forged alloy steel; hardened striking end; ring end accurately machined; suitable for high-torque applications.
18	Ring Spanner Slugging	50 mm; heavy-duty forged alloy steel; hardened striking end; ring end accurately machined; suitable for high-torque applications.
19	Angle Grinder	100 mm (4"); heavy-duty industrial type; suitable for grinding/cutting; appropriate motor capacity for continuous maintenance use; safety guard, side handle and suitable spindle arrangement; 230 V, 50 Hz, single phase or as approved.
20	Grinding Disc for Angle Grinder	4"; suitable for steel/metal grinding; reinforced abrasive disc; compatible with supplied angle grinder; suitable for industrial use.
21	Cutting Disc for	4"; reinforced abrasive cutting disc suitable for ferrous

Sr. No.	Item	Technical Specification / Minimum Requirement
	Angle Grinder	metal/steel; compatible with 100 mm angle grinder; suitable for industrial use.
22	Steel Ball Peen Hammer	1 kg head weight; forged hardened steel head; properly tempered striking faces; durable non-slip handle.
23	Steel Sledge Hammer	1.5 kg head weight; forged steel head; hardened and tempered faces; suitable heavy-duty handle.
24	Steel Sledge Hammer	3 kg head weight; forged steel head; hardened and tempered faces; suitable heavy-duty handle.
25	Hand Drill Machine (Hammer)	Heavy-duty electric hammer drill; suitable for drilling in metal, masonry and other applicable materials; variable/appropriate speed; hammer function; 230 V, 50 Hz; complete with auxiliary handle and accessories.
26	HSS Drill Bit Set	1/16" to 1/2"; HSS construction; precision ground; suitable for drilling mild steel and other metals; complete set in protective storage case.
27	Bench Vice	100 mm (4"); heavy-duty cast steel/cast iron construction; hardened jaws; swivel/fixed base as applicable; adequate clamping capacity; suitable for workshop maintenance.
28	Bench Grinder & Polisher	6"; heavy-duty industrial type; suitable for grinding and polishing; appropriate motor capacity; complete with grinding wheels, guards, tool rests and eye shields; 230 V, 50 Hz.
29	Anti-Rust Lubricant Spray	400 ml aerosol; penetrating lubricant with anti-rust/corrosion protection properties; suitable for loosening seized fasteners, lubrication and moisture displacement; industrial grade.
30	Measuring Tape	5 m; durable steel blade; minimum suitable blade width for industrial use; clear graduations; locking mechanism; shock-resistant casing.
31	Tester	130 mm; insulated handle; suitable for electrical voltage testing; appropriate voltage rating; durable construction and protected tip.
32	Tester	200 mm; insulated handle; suitable for electrical voltage testing; appropriate voltage rating; durable construction and protected tip.
33	Wire Stripping Cutter	150 mm; hardened steel cutting/stripping jaws; insulated non-slip handles; suitable for electrical maintenance work.
34	Digital Clamp Meter	AC/DC measurement capability; digital display; clamp-type current measurement; suitable ranges for industrial electrical maintenance; overload protection; test leads and necessary accessories included.
35	Oil Can	1/2 pint capacity; durable metal; leak-proof construction; flexible/fixed delivery nozzle; suitable for lubrication of valve components and mechanical equipment.
36	G.I.Ghamela	Galvanized iron utility pan for carrying materials, debris and general work.
37	PVC insulation Tape	PVC electrical insulation tape for wire and cable insulation.
38	Painting Brush	25 mm width, quality synthetic/natural bristles, corrosion-resistant ferrule, wooden/plastic handle.
39	Painting Brush	50 mm width, quality synthetic/natural bristles, corrosion-

Sr. No.	Item	Technical Specification / Minimum Requirement
		resistant ferrule, wooden/plastic handle.
40	Painting Brush	75 mm width, quality synthetic/natural bristles, corrosion-resistant ferrule, wooden/plastic handle.
41	Painting roller	4 in, high-density roller sleeve, suitable for emulsion/enamel painting, with sturdy handle.
42	Painting Roller	6 in, high-density roller sleeve, suitable for emulsion/enamel painting, with sturdy handle.
43	Teflon Tape	PTFE thread-sealing tape, suitable for threaded pipe/fitting joints, chemically resistant and leak-proof.
44	Screw driver two in one	10 in, reversible/two-in-one type, hardened steel shaft/tips, insulated ergonomic handle.
45	Screw driver two in one	12 in, reversible/two-in-one type, hardened steel shaft/tips, insulated ergonomic handle.
46	Led torch (Rechargeable)	15 W LED, rechargeable battery, high-intensity beam, durable housing and charging facility.
47	Adjustable Pipe Wrench	Heavy-duty forged steel pipe wrench, 609.6 mm (24 in), adjustable serrated jaws, corrosion-resistant finish.
48	Crow bar	Heavy-duty steel crowbar for lifting and dismantling work.
49	Half round file	Smooth-cut, high-carbon hardened steel, half-round profile, suitable for finishing curved/flat surfaces.
50	Half round file	Hard/bastard-cut, high-carbon hardened steel, half-round profile, suitable for material removal and shaping.
51	Hammer with handle	500 g forged steel hammer head, hardened striking face, securely fitted durable handle.
52	Portable Rechargeable LED	100 W LED portable rechargeable work light, high-intensity illumination, rechargeable battery and rugged housing.

Scope of the Supply

Scope of supply includes:

1	The scope shall include the complete supply of all tools, equipment, accessories and consumables as specified in the approved BOQ.
2	All items supplied shall be new, unused, good quality and suitable for the intended maintenance and repair works.
3	The supplied items shall conform to the specified description, size, capacity and requirements mentioned in the BOQ
4	The supplier shall provide all standard accessories, fittings and components required for proper and safe use of the equipment.
5	The supplier shall be responsible for proper packing, transportation, loading, unloading and delivery of all materials at the location specified by BMC
6	All supplied items shall be subject to inspection and verification by the Engineer-in-Charge or authorized representative of BMC.
7	Power-operated equipment and measuring instruments shall be supplied in proper working condition and shall be tested wherever required
8	Any item found damaged, defective or not conforming to the specified requirements shall be replaced by the supplier at no additional cost to BMC.
9	The supplier shall provide manufacturer's catalogues, manuals, technical literature, test certificates and warranty documents, wherever applicable.
10	Power tools, electrical equipment and instruments shall be provided with the applicable manufacturer's warranty.
11	All equipment shall comply with the applicable safety requirements and shall be supplied with necessary safety guards and accessories.
12	Consumable items shall be supplied in good condition and suitable for the intended application.
13	The supplied tools and equipment shall be suitable for routine, preventive, breakdown, repair, overhauling and emergency maintenance works of valves and associated installations.
14	The quoted rates shall be deemed to include all costs, duties, transportation, packing, handling, inspection, testing and other incidental expenses required for complete supply and satisfactory handing over.
15	The supplier shall ensure timely delivery of the complete quantity as per the approved BOQ/Purchase Order.
16	Final acceptance of the supplied items shall be subject to satisfactory inspection and conformity with the requirements of BMC.
17	Quotationer shall have carried out supply of material in last 07 years in any government or semi government organization and must must produce the documentary proofs of the same.
18	The Successful Quotationer shall rectify discrepancies in the supply, if any, found during Defect Liability Period at his own cost

Sub: _____

To,

The Municipal Commissioner

For the Brihanmumbai Municipal Corporation

Sir ,

“I / We(Full Name in capital letters starting with surname), the Proprietor / Managing Partner / Managing Director / Holder of the Business / Manufacturer / Authorized Dealer, for the establishment / firm / registered company , named herein below , do hereby , state and declare that I/We ----- whose names are given herein below in details with the addresses have not filled in this quotation under any other name or under the name of any other establishment / firm or otherwise , nor are We in any way related or concerned with any establishment / firm or any other person , who have filled in the quotation for the aforesaid work.”

“I / We do hereby further undertake that, we have offered the best prices for the subject supply / work as per the present market rates. **Further, we do here by undertake and commit that we have not offered / supplied the subject product / similar product / system or sub system in the past one year in the Maharashtra State for quantity variation upto - 50% or + 10 % at a price lower than that offered in the present bid to any other outside agencies including Govt. / Semi Govt. agencies and within the BMC also.** Further, we have filled in the accompanying quotation with full knowledge of the above liabilities and therefore we will not raise any objection or dispute in any manner relating to any action, including forfeiture of deposit and blacklisting , for giving any information which is found to be incorrect and against the instructions and directions given in this behalf in this quotation.

I / We further agree and undertake that in the event it is revealed subsequently after the allotment of work / contract to me / us , that any information given by me / us in this quotation is false or incorrect , I / We shall compensate the Brihanmumbai Municipal Corporation for any such losses or inconvenience caused to the Corporation in any manner and will not resist any claim for such compensation on any ground whatsoever , I / We agree and undertake that I / We shall not claim in such case any amount , by way of damages or compensation for cancellation of the contract given to me / us or any work assigned to me / us or is withdrawn by the Corporation.”

However , in case of price difference, if it is a result of differential tax structures, different dollar value of Rupee, differential logistic of transport etc. Considering this aspect, before invoking the penalty, black-listing, I/We will be given a reasonable opportunity of being heard by representing our case as to why such price variation / differential has been arisen.

In case if the explanation submitted by me / us is unsatisfactory then action including forfeiture of despoite and black-listing may be taken against me/us.
