

# **BRIHANMUMBAI MUNICIPAL CORPORATION**

## **Minutes of Prebid Meeting**

**Subject :** The work of Supply, Installation, Commissioning of Trash Boom attached with pontoon mounted conveyor system to collect, remove and disposal of floating material from various nallas in Western Suburb in Mumbai, including O & M of 5 years.

**Ref :** Tender ID:- 2025\_MCGM\_1166685\_1

The pre-bid meeting in respect of the above mentioned works was held on 15.04.2025 at 3.00 pm under the chairmanship of Ch.E.(SWD). The meeting was attended by office staff of Dy.Ch.E.(O&M)S.W.D and various contractors along with their representatives. The clarification in respect of various points raised and discussed in the meeting are as under:-

<b>Sr. No.</b>	<b>Point Raised by the contractor</b>	<b>Present description in tender</b>	<b>Decision taken</b>
<b>A</b>	<b>M/s. Narmada Spreading Pvt. Ltd.</b>		
1	Refer to Page no. 10, Clause C., Similar Experience; it states; a) Similar work shall mean Trash Boom attached with Pontoon mounted conveyor system. This will only allow bidders holding a work order with SPECIFIC TITLE to qualify. We request to consider manufactures having experience in cleaning machines Like Trash skimmers, weed harvester, screens to be considered. b) Having experience of design, manufacture, supply, install, operate and maintenance of minimum Trash boom length of 45 meters for canals/rivers/nallas during the last seven years. (Booms are just an attachment added with the system to draw the trash towards the collection conveyor. Specifying Boom length of 45 meters in the qualification criteria	Page no. 10, Clause C., Similar Experience For assessing the technical capacity for works; Similar work shall mean, Trash Boom attached with pontoon mounted conveyor system* having experience of design, manufacture, supply, install, operate and maintenance (at least 1 year) of minimum Trash Boom length of 45 mtr for Canals/ Rivers/ Nallas during last 7 years, ending last day of month previous to the one in which tenders are invited. * Heavy Duty Trash Boom in Hypalon as external skin material, attached with HDPE pontoon based stationary trash recovery system of frame construction in Marine Grade Aluminum AW- 5754, mounted with minimum 4 meter long conveyor with minimum speed of 0.3 mtr/s attached with cleats 1mtr c/c, placed in river/nalla at an angle between 20 – 40 degree, so	<b>Tender condition Prevails.</b>

	<p>cannot justify the experience of a bidder)</p> <p>c) Heavy duty trash boom in Hypalon as external skin material, attached with HDPE pontoon based stationary trash recovery system of frame construction in marine Grade Aluminum AW-5754, mounted with minimum 4 meter long conveyor with minimum speed of 0.3 m/s attached with cleats 1 mtr c/c, placed in river/nalla at an angle 20-40 degree so as to collect all kinds of floating materials (i.e trash, waste, vegetation &amp; hyacinths, etc) from nalla/river and delr to collection point.</p> <p>The detailed specification of machine is briefed in the similar work experience. The specifications will always vary from manufacturer to manufacturer as it is their proprietary design. Providing details such as material grade, conveyor speed, cleats distance, angle of conveyor will only allow a specific bidder/manufacturer to participate. This doesn't define Similar experience it should be termed as SAME Experience</p>	as to collect all kinds of floating materials (i.e trash, waste, vegetation & hyacinths, etc.) from nalla/river and deliver to the collection point.	
2	<p>It is stated that Tenderer shall be a manufacturer or their authorized distributor will be allowed. In this case it only allows either Manufacturer or their Distributor to participate. If both of them are participating, then it will not be a fair competition as the tendering process can be concluded with minimum 02 bidders in place. We request to please consider either manufacturer or authorized dealer only.</p> <p>Copy of Order from Central Vigilance Commission on pre-qualification criteria is attached herewith.</p>	The Tenderer shall be an Original Equipment Manufacturer itself or Authorized Dealer/Distributor of Manufacturer of Trash Boom attached with pontoon mounted conveyor system* having experience of design, manufacture, supply, install, operate and maintenance (at least 1 year) of minimum Trash Boom length of 45 mtr, during last 7 years, ending last day of month previous to the one in which tenders are invited	<b>Tender condition Prevails.</b>
3	Request you to allow civil contractor with Authorization of Manufacturer for bid this tender	The Brihanmumbai Municipal Corporation (BMC) invites e-tender to appoint Contractor for the aforementioned work from contractors of repute,	<b>Tender condition Prevails.</b>

		<p>multidisciplinary engineering organizations i.e. eminent firm, Proprietary/Partnership Firms/ Private Limited Companies/ Public Limited Companies/Companies registered under the Indian companies" act 2013 , the contractors registered with the Brihanmumbai Municipal Corporation, (BMC) under category Mechanical /Electrical , Class „A“ as per new registration rules, 2016 (excluding those who are blacklisted or against whom FIR has been filed) or those having equivalent or more work experience from the contractors/firms registered in Central or State Government/Semi Govt. Organization/Central or State Public Sector Undertakings, will be allowed subject to condition that, the contractors who are not registered with BMC will have to apply for registering their firm within three month"s time period from the award of contract, failing which there EMD (bid security) will be forfeited and a penalty of 0.1% of contract cost or Rs. 10000 whichever is more will be recovered/ deducted from the contractors payment/bill by the executing department. Bidding Process will comprise of THREE stages.</p>	
4	<p>Page No. 27 n 112 cl 29.2 mentioned JV not allowed but front pages also mentioned JV Allowed. Page No. 84 says that JV is allowed So request you to please clarify and allow JV for this tender.</p>	<p>a. As per section 10 Specification &amp; Special Conditions page no 112, clause no 29.2- "Joint venture is not allowed to participate in this tender." b. As per page no 84 – "Joint venture is allowed for project"</p>	<p>a. To be read as <b>"Joint venture is allowed to participate in this tender"</b>.  b. <b>Tender condition Prevails.</b></p>

<b>B</b>	<b>M/s. AE Infraprojects Pvt.Ltd</b>		
1	As per section 2A) Technical capabilities in Note point no 4 P9 and C)similar experience note point no 4 page no27 it is mentioned that Joint Venture is allowed however as per Important instructions Contractor Clause No 29.2 page no112 it is stated that Joint venture not allowed seems confusing, hence kindly confirm whether JV allowed or not?	<p>a. As per section 2 Eligibility Criteria A) Technical capabilities , Page no. 9 in Note point no 4 – "Joint Venture is allowed in this tender"</p> <p>b. As per section 6 Important instructions to Applicants, Page no. 27 of clause no C) similar experience note point no 4 – "Joint Venture is not allowed in this tender"</p> <p>c. As per section no. 10 Specification &amp; Special Conditions page no 112, clause no 29.2- "Joint venture is not allowed to participate in this tender."</p>	<p><b>a. Tender condition Prevails.</b></p> <p><b>b. To be read as "Joint Venture is allowed in this tender"</b></p> <p><b>c. To be read as "Joint venture is allowed to participate in this tender."</b></p>
2	As we are Govt. Registered Class I CIVIL EPC Contractor in Civil, executing Trun key WS project in multistate MC area with reach experience in the said field and authorized dealer & associated with Leading advance Technology, Robotic OEM with R& D. Hence request to allow& qualify Regd Civil Class I Agency also to bid to have better competition in the interest of skill Job	The Brihanmumbai Municipal Corporation (BMC) invites e-tender to appoint Contractor for the aforementioned work from contractors of repute, multidisciplinary engineering organizations i.e. eminent firm, Proprietary/Partnership Firms/ Private Limited Companies/ Public Limited Companies/Companies registered under the Indian companies" act 2013 , the contractors registered with the Brihanmumbai Municipal Corporation, (BMC) under category Mechanical /Electrical , Class „A" as per new registration rules, 2016 (excluding those who are blacklisted or against whom FIR has been filed) or those having equivalent or more work experience from the contractors/firms registered in Central or State Government/Semi Govt. Organization/Central or State Public Sector Undertakings, will be allowed subject to condition that, the contractors who are not registered with BMC will have to apply for registering their firm within three month"s time period from	<b>Tender condition Prevails.</b>

		the award of contract, failing which there EMD (bid security) will be forfeited and a penalty of 0.1% of contract cost or Rs. 10000 whichever is more will be recovered/ deducted from the contractors payment/bill by the executing department. Bidding Process will comprise of THREE stages.	
3	Having specific experience for similar work in terms of length of SITC and operation of Trash Boom and Hypalon shall be not mandatory but to match specification as per manufacturer design with respect to quantum /capacity as per task work. Because length and other parameter can be vary site to site as per Nalla sizes and depth. Kindly be alter it shall be as per manufacturer design as per requirement.	For assessing the technical capacity for works; Similar work shall mean, Trash Boom attached with pontoon mounted conveyor system* having experience of design, manufacture, supply, install, operate and maintenance (at least 1 year) of minimum Trash Boom length of 45 mtr for Canals/ Rivers/ Nallas during last 7 years, ending last day of month previous to the one in which tenders are invited.	<b>Tender condition Prevails.</b>
4	If PQ shall be kept and relax as per based on CVC guide line, so to have fair competition please	Section 2 Eligibility Criteria, Tender Document.	<b>Tender condition Prevails.</b>
5	Date of submission may please be extended by week time to have proper documentation and related paperwork preparation and submission in order please.	The date for last date for submission of tender will conveyed in corrigendum.	<b>The corrigendum for extension of due date will be published.</b>
<b>C</b>	<b>M/s. Potential Engineering</b>		
1	Relevant experience and expertise	As per tender Condition	<b>Tender condition Prevails.</b>
2	Competitive pricing	As per tender Condition	<b>Tender condition Prevails.</b>
3	Innovation solutions	As per tender Condition	<b>Tender condition Prevails.</b>
4	Compliance with tender requirements	As per tender Condition	<b>Tender condition Prevails.</b>
<b>D</b>	<b>M/s. Canopus Watertech Private Limited</b>		
1	Our scope is restricted to operation & maintenance of machine during working shift. Department should ensure proper security post our shift to avoid any theft and damages.	During execution of this work, the contractor shall take all necessary safety measures to avoid any accidents / mishaps / thefts. Any injuries / accidents / thefts / damages to Page 111 Municipal	<b>Tender condition Prevails.</b>

		Properties shall be the sole liability of the contractor and the compensation shall be paid by the contractor to his staff as per the Workmen Compensation Act. BMC shall not be held responsible for any such acts / cases.
