

E-Tender Pre-bid Query on “Collection & transportation of Municipal Solid Waste in wards of Brihanmumbai Municipal Corporation to Transfer Stations & final Disposal Sites”									
Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query			Response to the query	
M/s. AG Enviro Infra Projects Private Limited									
1	Section 2 - Eligibility Criteria	Clause 1.1	Technical Capacity: Work Experience	Pg-10	As per our understanding the 10% enhancement will be applicable as per below working formula, please confirm.			Tender Condition Prevails	
					Financial Year	Value of Executed works	Compounding Rate 10%		Amount with Compounding rate 10%
					2024-25	1000	1.0		1000
					2023-24	1000	1.1		1100
					2022-23	1000	1.21		1210
					2021-22	1000	1.33		1330
					2020-21	1000	1.46		1460
					2019-20	1000	1.61		1610
					2018-19	1000	1.77		1770
2	Section 2 - Eligibility Criteria	Clause1.2	Financial capacity: A Turnover	Pg-11	As per our understanding the 10% enhancement will be applicable as per below working formula, please confirm.			Tender Condition Prevails	
					Financial Year	Value of Executed works	Compounding Rate 10%		Amount with Compounding rate 10%
					2023-24	100	1.1		110
					2022-23	100	1.21		121
					2021-22	100	1.33		133
3	Section 2 - Eligibility Criteria	Clause 1.2 (c )	Financial Capacity C. Profitability	Pg-12	It is presumed that last 2 years will comprise of 2022-23 and 2023-24 as the balance sheet for the year of 2024-25 is not finalised			Please Refer Corrigendum	

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
4	Section 10 - Specifications	-	Technical specifications for CCTV	Pg-153	Considering the vehicles have to go dumping ground for unloading. The CCTV cameras do not sustain on these vehicles. Further, it has been observed that there is severe network issue in and around dumping ground area. Therefore, this will severely impact the operation of CCTV. Hence, it is requested to delete these conditions.	Tender Condition prevails
5	Section 6 - Instructions To Applicants	Clause C	Available liquid assets	Pg-40	Please state the estimated value of the tender of each group to obtain the certificate of 15% from CA. Please clarify what is meant by “Net of the tenderer’s commitment of other contracts.”	Tender condition prevails
6	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	For EMD –it is requested to change that “amount can be remitted through Demand Draft or Government Securities or Fix Deposit Receipts or Bank Guarantee or Surety Bond(through insurer which has obtained valid license from IRDAI)”.	Tender Condition prevails
7	Section 10 - Specifications	clause V	Dry waste collection	Pg-146	Please give the location of existing dry waste collection centres in the ward.	Tender Condition prevails
8	Section 10 - Specifications	Clause b	Manpower deployment	Pg-130	Please state the maximum nos. of workforce in each ward for which the levy will be reimbursed by MCGM. Provide No. of Labours & Drivers for the same.	Please Refer Corrigendum
9	Section 10 - Specifications	-	Weight	Pg-143	Please clarify that payment shall be made on tonnage basis upon submission of Weighbridge slips.	Tender Condition prevails
10	Section 9 - General Conditions Of Contract	Clause D,35	Payment certificate	Pg-75	It is understood that within 14 days Engineer In charge will verify the bills submitted by the contractor and certify the amount to be paid. It is also understood that within 30 days of submission of bills the payment shall be released to the contractor. Please clarify delay in payment after 30 days of submission of bill will attract interest @ 10% per annum.	Tender Condition prevails
11	Section 9 - General Conditions Of Contract	Clause D,35	Payment certificate	Pg-76	Please state whether MCGM will provide IOT devices for mounting on the vehicles.	Tender Condition prevails
12	Section 9 - General Conditions Of Contract	Clause D, 38	Price Variation	Pg-78	This is in contrary to the clause 13- price variation clause pg. no. 166. Whereas this clause states that price quoted per tonnage will be considered as base price and price variation will be considered for the components (Fuel, Maintenance & Labour). Further levy charges as applicable and paid by the contractor shall be reimburse separately to the contractor. Therefore, it is requested to delete this clause.	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
13	Section 9 - General Conditions Of Contract	Clause 38	Tax	Pg-77	Tax point (II) pg. no. 78 This is the contrary to the price variation clause- Pg no. 166, where it is cleared that the rates accepted by BMC shall be the base rate and any variation in maintenance, fuel and labour shall be paid as per provision in the RFP	Please Refer Corrigendum
14	Section 9 - General Conditions Of Contract	Clause F, 52.1	Photographs	Pg-84	52.1 pg no 84 It is requested to delete this clause as this is not practicable.	Tender Condition prevails
15	Section 9 - General Conditions Of Contract	Clause G, 63	Format and signing of papers	Pg-89	Please clarify whether all the documents submitted to be certified by practicing Notary approved by Gov. of Maharashtra or Gov. of India OR only experience certificate to be notarized.	Tender Condition prevails
16	Section 10 - Specifications	Clause 83 a	Joint Venture	Pg-104	It is requested that if bidder bids for any group in individual capacity, then he should be allowed to have JV with another bidder to give their Technical Expertise and quote in other groups.	Tender Condition prevails
17	Section 9 - General Conditions Of Contract	Clause 83 a	Joint Venture	Pg-104	MOU format for Joint Venture is not provided in the tender. It is requested to provide the same.	Tender Condition prevails
18	Section 9 - General Conditions Of Contract	Clause 93	Safety & Medical Help	Pg-117	In clause 11. Pg no. 165, it is mentioned that a group insurance will be taken by the contractor for their employees to cover the employees against accidents and mishaps. Therefore, expenses of medical health to any workmen will be borne from such Insurance. Please confirm and clarify.	Tender Condition prevails
19	Section 9 - General Conditions Of Contract	Clause 94	Anti-malaria and other health measures	Pg-117	Anti-Malaria work is the responsibility of the Insecticide Officer. The contractor of Collection & Transportation of MSW cannot be held responsible for the same. It is requested to delete this clause.	Tender Condition prevails
20	Section 10 - Specifications	Clause 1	Evaluation of Bids	Pg-119	1. Please clarify whether parking of compactors and other garbage vehicles will be allowed in PPL. 2. If allowed what are the charges to be paid. 3. Whether in PPL a separate parking place will be provided for parking of compactor and other vehicles. 4. Please confirm that PPL is having washing, maintenance and charging facilities. If not, BMC will provide space for washing, maintenance and charging facility. 5. Also provide the location of washing, maintenance and charging facility and its distance to the nearest PPL. The same will be used to calculate dead mileage.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
21	Section 10 - Specifications	Last Para	B) Proposed Approach For Improvement	Pg-127	Please clarify whether the bidder has to provide 120 Ltrs bins to the slums. If yes, 1. How many bins to be provided. 2. Population of slum in each ward 3. Nos. of Huts/Houses in the slum of each ward. It is to be noted that population and huts/houses cannot be surveyed due to high magnitude. Therefore, request you to please provide the details.	No. Please refer Section 10, Specifications.
22	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	Please clarify that payment shall be made on tonnage basis upon submission of Weighbridge slips and VTMS reports shall be submitted in support of the same.	Tender Condition prevails
23	Section 11 - Fraud And Corrupt Practices	Clause 6	First Para	Pg-140	State the capacities of this transfer station and how many vehicles / tonnages will be accepted at these transfer stations.	Tender Condition prevails. Please refer Section 10, Specifications.
24	Section 10 - Specifications	Clause 7	Technical Specifications of Vehicles For Collection of Garbage	Pg-144	Please clarify whether the manufacturer should have sold Large Compactor 100 Nos. and Mini Compactor 100 Nos. separately or total 100 Nos. of any type of compactors sold will be acceptable.	Tender Condition prevails
25	Section 10 - Specifications	Clause 7, vi	Technical Specifications of Vehicles For Collection of Garbage	Pg-148	As understood from the market and OEMs, only Ashok Leyland is ready to manufacture Electric mini compactor having minimum payload of 4MT. further their manufacturing will depend on no. of orders placed and they are not committing any delivery period. Secondly, such Electric vehicles are yet to prove operations for such extreme conditions. Hence, it is requested that instead of Electric vehicles, diesel OR CNG vehicles to be allowed. In line to the above, it is requested to allow diesel OR CNG vehicle for Kitchen waste Mini Compactor.	Tender Condition prevails
26	Section 10 - Specifications	Clause 7, vi	Technical Specifications of Vehicles For Collection of Garbage	Pg-148	Please clarify what type of remote switch is required to be provided in the compactor vehicle and from where the same is to be operated.	Tender Condition prevails
27	Section 10 - Specifications	Clause 10	Litter Bins	Pg-150	It is requested that litter bins made out of recycled concrete aggregates / Steel should be accepted. Also, provide the dimensions of the bins.	Tender Condition prevails
28	Section 10 - Specifications	Clause 14	Technical specifications for CCTV	Pg-153	Please give the detail technical specification of CCTV cameras to be installed on the vehicles.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
29	Section 10 - Specifications	Clause 15, B	Mobilization Period	Pg-157	<p>The mobilization period must start from the date of signing of Agreement. It is after the signing of agreement only banks will provide finance for procurement of vehicles/machineries/equipment. Thereafter, upon confirmation on finances provided by the bank the contractor/s will place the orders for chassis.</p> <p>Therefore, it is requested to consider Mobilization period from date of signing of Agreement and not from the date of LOA.</p> <p>In this clause it is also mentioned that the prototype has to be got approved from BMC. Therefore, minimum 60 days is required to submit the prototype and its approval. Further upon approval contractor will dispatch within 4 months or any extension available.</p>	Please Refer Corrigendum
30	Section 10 - Specifications	Clause 1.24	General Guidelines for vehicles	Pg-158	<p>This is contrary to the clause mentioned in Pg no. 157 where prototype will be submitted and approval will be provided by BMC. In case of any rectification BMC may suggest during prototype procedure including trial if any. Upon final approval no changes shall be entertained. Therefore, this clause to be deleted.</p>	Tender Condition prevails
31	Section 10 - Specifications	Clause 1.24	Parking of vehicles	Pg-163	<p>Please confirm that PPL parking space is having washing facilities. If not, please provide space for washing, maintenance and charging facility. In case the space is not provided, or the provision of washing is not available in PPL parking then penalty should not be levied.</p>	Tender Condition prevails
32	Section 10 - Specifications	Clause 11	Minimum Wages	Pg-164	<p>Please clarify whether the Driver &amp; labourers deployed on the vehicle should be paid as per minimum wages published by Industries, Energy &amp; Labour Department of Government of Maharashtra OR as per Motor vehicles Act.</p>	Please Refer Corrigendum
33	Section 10 - Specifications	Clause 12	Contract Period	Pg-165	<p>This clause is not in the good spirit of work / contract. This is an uncertain and open-ended clause which will have its implication during the contract period.</p> <p>BMC should safeguard their contractors, and It is requested to delete this as the rate offered will be calculated on the basis of 7-year contract. If the period is reduced, then the project will become economically unviable and will result in major financial loss to the contractors.</p>	Please Refer Corrigendum
34	Section 10 - Specifications	Clause 13	VTMS	Pg-166	<p>This clause is contradicting the clause Bill of Quantities &amp; Rates - Pg no. 56 whereas payment the payment will be made on the basis of the waste transported to Transfer Stations &amp; Final Disposal Sites. Please clarify.</p>	Tender Condition prevails
35	Section 10 - Specifications	Clause 13	Price Variation	Pg-166	<p>In case of reduction in fuel and maintenance charges the applicable rates should not go below the immediate previous rates at which the work has been carried out.</p>	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
36	Section 10 - Specifications	Clause 13	Price Variation	Pg-169	<p>The Wholesale Price Index (WPI) is a measure of the average change in prices of goods sold at the wholesale level, before they reach the retail stage. However, Fuel (Diesel or CNG) will be procured from the retailers. Thus, the mentioned formula will not justify the correct fluctuation of fuel at a retail stage.</p> <p>Therefore, the same has to be omitted from WPI and it has to be based on fuel price at the time of bidding and fuel price at the month of consideration.</p> <p>Accordingly, the formula has to be modified as below:  <math>PV(\text{Fuel}) = \text{Weightage of Fuel} \times \text{Base Price} \times \left[ \frac{F_n}{F_b} \right] - 1</math></p> <p>Whereas (fn) is fuel price on the month of consideration and (fb) is fuel price on the due date of bidding.</p>	Tender Condition prevails. Please refer corrigendum for base price.
37	Section 10 - Specifications	Clause 13	Price Variation	Pg-168	The fuel percentage considered (14.12% to 18.78%) is very less. It should be minimum 25% and accordingly percentage of capital cost needs to be reduced.	Tender Condition prevails
38	Section 10 - Specifications	Clause 13	Price Variation	Pg-169	<p>As discussed above the CPI does not give the actual rise to be paid to the labourers on account of increase in DA. It gives only increase in index considering increase in price of certain commodities in the market such as (onions, vegetables etc.) Therefore, (n) should be minimum wages for skilled semi-skilled and unskilled applicable for Bombay city for the month in consideration and (b) should be minimum wages for skilled semi-skilled and unskilled applicable for Bombay city for the month in which the contract was started.</p> <p>Mn = Minimum Wages.</p>	Tender Condition Prevails
39	Section 10 - Specifications	Clause 13	Payment of Levy Charges for Manpower deployed	Pg-169	<p>The breakup given is only 39%. Please give details of 49% levy to be reimbursed.</p> <p>Please state the maximum no. of drivers and labourers whose levy will be reimbursed in each ward.</p>	Please Refer Corrigendum
40	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	<p>In such case the contractor may start the work using other vehicles apart from the specified vehicles in case of any eventualities due to some unavoidable circumstances.</p> <p>However, the penalty should not be applicable during such period of eventuality. Further no penalty should be applicable during the mobilization period and 1st six months from the expiry of mobilization period should be considered as fine tuning of route plan. Therefore, penalty should also be not applicable during 1<sup>st</sup> six months of the expiry of mobilization period.</p> <p>It is understood that in case of eventuality 100% payment shall be made as per quoted rates.</p>	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
41	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	<p>The mobilization period is 6 months as per RFP.</p> <p>It is to be noted that there are 8 groups and maximum 2 groups will be given to 1 bidder. Thus at least 4 contractors will be appointed and all the 4 will be giving orders to OEM for procurement of chassis, fabrication etc.</p> <p>Therefore, time extension in mobilization period is to be considered and it is requested that appropriate extension to be given considering that:</p> <ol style="list-style-type: none"> <li>1. At least 4 contractors will be placing orders to OEMs for procurement of chassis.</li> <li>2. OEMs may give time schedule to contractors for delivery of chassis. Therefore, the same is not under direct control of the contractor/s.</li> <li>3. Prototype submission and its approval.</li> <li>4. Bank Financing.</li> <li>5. RTO registrations.</li> </ol>	Please Refer Corrigendum
42	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-171	It is requested that in case of such provision 100% payment shall be made as per quoted rates.	Tender Condition prevails
43	Section 10 - Specifications	-	Schedule of Penalties	Pg-172	The penalties applicable shown in the list are very heavy it is requested to reduce the penalties.	Tender Condition prevails
44	Section 10 - Specifications	-	Schedule of Penalties	Pg-177	It is requested that as done in other tender the maximum penalty should be restricted to 10% of the monthly billing.	Please Refer Corrigendum
45	Section 10 - Specifications	-	Schedule of Penalties	Pg-175	Since, these are sophisticated items, in case of failure of the same a period of minimum 48 hours should be given to rectify the same and penalty to be charge thereafter only.	Tender Condition prevails
46	Section 10 - Specifications	-	Schedule of Penalties	Pg-175	<p>GPS and CCTV are electronic items which may malfunction due to technical or network issues.</p> <p>Usually, such types of works allow 48 hours rectification time. This rectification time will include replacement of GPS or CCTV.</p> <p>Therefore, it is requested that since these are electronics items and any linkage of the same for payment is not justifiable. The payment should specifically be made upon submission of weighbridge slips.</p>	Tender Condition prevails
47	Section 9 - General Conditions Of Contract	Clause 10	Employer's Risk	Pg-65	The Force Majeure Clause is not included in the tender. The same is required to be included in the tender.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
48	Section 9 - General Conditions Of Contract	Clause 10	Employer's Risk	Pg-65	In the event of defaults only the action to be taken in case of default by the contractor is covered. However, action to be taken in case of default by the corporation is not covered. The same is required to be covered.	Tender Condition prevails
49	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-169	The successful bidder should be allowed to start the work in different wards separately depending upon the availability of new vehicles in phases and full payment as per the new contract should be paid for the same.	Tender Condition prevails. Please refer Section 10,Clause 14,Mobilisation Period
50	Section 10 - Specifications	Clause 1.20	Change in Dumping Ground	Pg-162	No details are given in the tender regarding additional payment to be paid in case of change in dumping grounds. It is requested to give the rate per kilometre to be paid extra in case of change in dumping ground.	Tender Condition prevails
51	Section 10 - Specifications	-	Power of Attorney	Pg-107	Is it compulsory to register Power of Attorney in Chief Accountant office at Head office.	Tender Condition prevails
52	Section 10 - Specifications	1.3	General Guidelines for vehicles	Pg-160	Please clarify whether letter from Manufacturers for service support for 7 years is required OR MOU on Rs. 500 stamp paper is required with the Manufacturer/Authorized dealer of the Manufacturer.	Tender Condition prevails
53	Section 15 - Annexure And Proformas	Appendix 8-1	Nos. of vehicles	Pg-231	Please confirm the Minimum Infrastructure to be provided for each ward i.e., (Large Compactor, Mini Compactor, 1 ton capacity small-closed vehicle, 0.6 Ton capacity small-closed vehicle, Dry waste Tempo and Kitchen Waste leak proof mini compactor)	Tender Condition prevails. Please see Appendix 8.
<b>M/s. Antony Motors Pvt. Ltd.</b>						
54	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	There are several imported components used in the Compactor vehicles. Considering this, if the contractor supplies at least 30% of the required quantity to us, we will require a minimum of eight months from the date of issuance of the LOA to complete the delivery. This timeline can be achieved provided that the Purchase Order (PO) and advance payment are received on time from the successful contractor.	Please Refer Corrigendum
55	Section 2 - Eligibility Criteria	Clause 1.4	-	Pg-14	Kindly confirm whether blacklisted companies are permitted to participate in this process and whether blacklisted manufacturers are allowed to provide backup letters to contractors.  To ensure the procurement of high-quality and genuine products, we strongly recommend that blacklisted manufacturers be excluded from consideration, especially given that this project will span a period of 8 years.	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
56	Section 10 - Specifications	Clause 7	Technical Specifications of Vehicles For Collection of Garbage	Pg-148	Kindly consider a minimum of 11 cylinders for this vehicle to ensure optimal performance.  The compactor shall be equipped with a universal bin-lifting mechanism capable of handling and unloading bins with capacities of 120 liters, 240 liters, 660 liters, and 1100 liters.	Tender Condition prevails
57	Section 10 - Specifications	Clause 8	Technical Specifications of Vehicles For Collection of Garbage	Pg-146	Kindly consider that the vehicle shall be equipped with a hydraulic loading mechanism for the bin lifter.  Additionally, kindly request the bidder to submit a Bin Lifter Experience Certificate to ensure that the Corporation receives bids exclusively from qualified and experienced manufacturers.	Tender Condition prevails
<b>M/s. Ashok Leyland</b>						
58	Section 10 - Specifications	7-(i)	Technical Specifications of Vehicles for collection of Garbage	Pg-143	CNG as more affordable option compared to diesel and is sealed fuel system to prevent spill and evaporation. CNG trucks produce significantly less pollution i.e. 20%-30% than diesel. Request authority to consider large compactor fuel as Diesel/CNG as an alternate fuel option.	Tender Condition prevails
59	Section 10 - Specifications	7-(ii)	Technical Specifications of Vehicles for collection of Garbage	pg-144	CNG as more affordable option compared to diesel and is sealed fuel system to prevent spill and evaporation. CNG trucks produce significantly less pollution i.e. 20%-30% than diesel. Request authority to consider mini compactor fuel as Diesel/CNG as an alternate fuel option.	Tender Condition prevails
<b>M/s. Buildwell Infrastructure Pvt. Ltd.</b>						
60	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-11	In this condition, it is stated that the bidder should have executed works of similar nature. We understand that there is no distinction between "work executed" and "work completed." Kindly confirm if our understanding is correct. Further, it is mentioned that works should have been executed as a prime contractor without specifying a minimum stake, whereas elsewhere in the tender, it is stated that a minimum 51% holding is required. Please clarify.	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
61	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	In past tenders, there was no requirement for the lead partner to hold a minimum 51% stake, and works were satisfactorily completed. We request to your good office to consider experience regardless of percentage of holding in Joint Venture (JV). Secondly, Kindly allow a fully qualified to Quote in one zone in their individual firm and other zone with Other JV members. Thirdly, Can one participate in different combination for different zones without changing JV members?	Tender Condition prevails
62	Section 2 - Eligibility Criteria	Clause 1.2	Financial capacity: A Turnover	Pg-11	Regarding turnover, which year will be treated as base year as tenders are invited in year F.Y. 2025-2026. Kindly consider Provisional Balance Sheet as audited Accounts will not be available now.	Tender Condition prevails
63	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	Please clarify whether one of the existing member of Joint Venture firm having experience of some other tender , will that be considered for this tender in addition to experience of this JV FIRM to meet the qualifying criteria collectively or otherwise ? e.g. ABC is the name of the Joint Venture firm having major qualification and falling short by some experience and one of the member in existing Joint Venture is in possession of the particular experience of other work to meet the qualifying criteria collectively . Will that be considered or otherwise?	Tender Condition prevails
64	Section 6 - Instructions To Applicants	Instructions to Applicants	A. Security Deposit: Additional Security Deposit (ASD)	Pg-47	Typically, ASD is applicable in percentage rate tenders. However, this is an item-rate tender. Please confirm whether ASD is still applicable if the quoted rates are below 12%, and in line with BMC policy.  Also, it is unclear when ASD must be paid – at the time of bid submission or after the issuance of the Letter of Acceptance (LOA). Kindly clarify.  Additionally, the departmental estimate should be made available to prospective bidders to allow for informed quoting.  OR  The said Item Rate Tender may be Converted into percentage Rate Tender . This will Resolve the Payment of Additional Security Deposit (ASD)	Please Refer Corrigendum
65	Section 9 - General Conditions Of Contract	Clause 38: General Condition Contract	Tax	Pg-77	We request further clarification on this point. Specifically, please elaborate on how bidders are expected to account for Input Tax Credit and how the same should reflect in quoted prices.	Tender Condition Prevails and also Refer Corrigendum for GST clarification

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query																																																																																	
66	Section 9 - General Conditions Of Contract	Clause 13: General Condition Contract	Schedule of Rates & Bill of Quantities: Price Variation	Pg-165-166	In the previous tender, a uniform escalation rate of 5% per year was provided. However, in the current tender, it states that variation will be adjusted as per actual occurrences. Please confirm the applicable procedure.	Tender condition prevails and also refer Section 10 Specifications																																																																																	
67	-	-	-	-	<p>We respectfully propose that eligibility criteria (especially work experience and turnover thresholds) be calculated based on the cost excluding the labour component, or at the very least, provide a proportionate relaxation.</p> <p>This will:</p> <ul style="list-style-type: none"><li>· Align the eligibility criteria more closely with the true technical nature of the work;</li><li>· Encourage broader participation by capable contractors already handling similar operations;</li><li>· Avoid unfair exclusion based solely on inflated labour-cost-based thresholds.</li></ul> <p>Here is the revised table showing how the eligibility criteria (work experience values) would look if the labour component is excluded based on the cost weightage per group. This approach offers a more balanced and realistic threshold for qualification, aligning with your concern that labour anagement is an administrative function and not a high tchnical barrier.</p> <table><tr><th>Group No.</th><th>Ward</th><th>Three Works (Cr.)</th><th>Two Works (Cr.)</th><th>One Work (Cr.)</th><th>Labour %</th><th>Three Works (Cr.) 68	Section 9 - General Conditions Of Contract	Clause 36	Payments	Pg-76	Requesting to MCGM please release the monthly payment within 15 days after submission of monthly bill.	Tender Condition prevails																																																																																	
69	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity C. Note	Pg-12	Request you to allow a bidder who fulfils the criterion equal to the criterion for highest group to bid for any or all of the groups.	Please Refer Corrigendum																																																																																	

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
70	Section 2 - Eligibility Criteria	clause 1.3	Similar Experience	Pg-12	Along with the definition of similar work mentioned herein, kindly consider other similar experiences like Mechanized Road sweeping, transportation of waste to dumping yard, etc.	Please Refer Corrigendum for definition of similar work.
71	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-13	Since the work in question is a service contract for Solid Waste Management, we request the Department to kindly correct and replace the the word 'Engineering works' by 'Service Contracts'	Tender Condition prevails
72	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-14	1. Kindly ask for blacklisting/ debarment status of the bidder as on date of bid submission (since irrespective of such past events, it is important that the bidder is clean out of such past negative orders against him, as on date of bid submission). 2. Secondly, since termination is a one-time event, there should be some past timeline mentioned w.r.t the date of submission of the current bid, for eg. 'Should not have been terminated during past one year from date of bid submission'.	Tender Condition prevails
73	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	Requesting to MCGM please consider the EMD in the form of Bank Guarantee and provide the Bank Guarantee format.	Tender Condition prevails
74	Section 6 - Instructions To Applicants	Clause 1.2	Financial Capacity: F. Note	Pg-31	The bidder who qualifies for the highest value package of the all 8 groups should be allowed to bid for all the groups.	Please Refer Corrigendum
75	Section 6 - Instructions To Applicants	Clause 1.2	Financial Capacity: F. Note	Pg-31	If the bidder is L1 in more than 02 Groups then kindly give the choice to the Bidder for selection of any 02 groups.	Tender Condition prevails
76	Section 6 - Instructions To Applicants	Clause 1.6	Infrastructural Set Up - B) Time period of the project	Pg-36	We request that the timeline should start ideally from the date of agreement and not from the date of LoA.	Tender Condition prevails
77	Section 7 - Scope Of Work	Point 3- Table 2	Important direction	Pg-51	We feel that the lottery system feels very arbitrary and primitive. To put more sophisticated logic and rational to the bid evaluation system in case of bid tie, instead of lottery system the bidders should be chosen based on their financial credentials like turnover, networth etc.	Tender Condition prevails
78	Section 7 - Scope Of Work	Clause 6	Open Dumping Grounds	Pg-53	If the bidder will start the elimination of road side bins on yearly basis then Bidder shall need to add the door step collection vehicles. Requested to MCGM kindly consider the separate Capex & Opex for newly added vehicles and infrastructure.	Tender Condition prevails
79	Section 7 - Scope Of Work	Clause 8	Litter bins	Pg-54	Kindly quantify the number of such litter bins along with the tech specs for the same.	Tender Condition Prevails. Please see annexure I, Pg. 212
80	Section 7 - Scope Of Work	Clause 10	Data for waste characteristics	Pg-54	Requested to MCGM please provide the data of waste characteristics.	Tender Condition Prevails.

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
81	Section 10 - Specifications	Clause 6	Logistics for loading of waste	Pg-141	Please clarify whether collection and transportation of street sweep heap and drain silt it is in the bidder scope of work.	Tender Condition Prevails. Please go through the Specification Section of the Document
82	Section 8 - Bill Of Quantities	-	Levy component of wages for workforce deployed	Pg-56	This clause not clear. Kindly clarify which levy components of wages are not to be included for the workforce deployed ?	Please refer Section 10, Specificationsalso please Refer Corrigendum for details of levy component.
83	Section 9 - General Conditions Of Contract	Clause 38	Tax	Pg-77	Kindly ask the rates exclusive of GST	Please Refer Corrigendum
84	Section 9 - General Conditions Of Contract	Clause 38	Tax	Pg-78	Such clause will bring imparity to the financial bids as all the bidders will assume some escalation while calculating their Financial bid which may or may not be correct. To avoid such imparity it will be apt for the Department to incorporate a suitable Price Variation clause which will take care of the actual increase in wages, fuel, consumables etc.	Please Refer Corrigendum
85	Section 9 - General Conditions Of Contract	Clause 47.2	Payment upon Termination	Pg-82	In the event of a Termination due to an event of Default by MCGM, the Contractor shall be eligible for the following payment from MCGM: (a) Debt Due less Insurance Cover for assets under Contractor's ownership; provided that in the event such insurance claims or any part thereof are not admitted and paid, the Contractor shall be entitled to receive from MCGM further sum equal to 90% of amount of such claims not admitted; and (b) 100% (One hundred percent) of the Equity subscribed in cash and actually spent on the Project if such Termination occurs at any time during three years commencing from the Commencement Date	Tender Condition prevails
86	Section 9 - General Conditions Of Contract	Clause 94	Anti-malaria and other health measures	Pg-117	Requesting to MCGM please remove this condition from Bidder scope of work.	Tender Condition prevails
87	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-120	Requesting to MCGM please consider 60 Marks for qualifying in the Technical bid and open the price pkt.	Tender Condition prevails
88	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-120	This project is having huge investment for Capex and in marking criteria, marks are not allocated for the Financial Credentials. Kindly request to MCGM please allocate the marks for Turnover & Net worth criteria, instead of keeping 55 marks for Work plan based on the bidder's survey. Allotting 55 marks for Work plan becomes very subjective in nature.	Tender Condition prevails. Please refer corrigendum for change in marking system

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
89	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	All these 55 marks are being allotted on the understanding of the bidder about various parameter of the current project in question. The becomes very subjective which may give a winning edge to one bidder over the other. Instead of that request you to kindly keep the marking system objective based with evenly distributed marks for all parameters so that it will be more quantifiable and definite such as : 1. Experience 2. Turnover 3. Networth 4. SWM Machinery with the bidder 5. Approach and Methodology etc	Tender Condition prevails. Please refer corrigendum for change in marking system
90	Section 10 - Specifications	Clause 2 b	B) Proposed Approach For Improvement	Pg-124	Requesting to MCGM please clarify how many contractors are appointed for collection of waste from Stationary Compactors and how much quantity they will be collecting and transporting. Also give us surety he will not have any rights to collect the waste from the Litter bins/ community bins/road side dump/ door step collection. Please also let us know how will the same be transported and by whom ?	Tender Condition Prevails. Please go through the Specification Section of the Document
91	Section 10 - Specifications	Clause 2 b	B) Proposed Approach For Improvement	Pg-124	Who will provide manpower for transfer of waste to charging box in this case? The Existing contractor or the successful bidder of this tender?	Tender Condition Prevails. Please go through the Specification Section of the Document
92	Section 10 - Specifications	Clause 2 b	B) Proposed Approach For Improvement	Pg-130	Requesting MCGM to kindly consider 1 Co-Driver cum Co Operator and minimum 1 Labours on Watch & Ward Vehicle.	Tender Condition Prevails
93	Section 10 - Specifications	Clause 2 e	The overall work specification: Quantum of work in terms of Municipal Solid Waste Generated and collected	Pg-131	If in case the Municipal Weighbridge is under the maintenance then kindly consider the Tonnage report on average weight of previous 03 days.	Tender Condition prevails
94	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	Requesting to MCGM please provide the parking space with water and electricity connection. Parking space should be rent free and water and electricity charges shall be paid by the contractor. If the parking space is provided by MCGM then bidder will carry out the regular and preventive maintenance of vehicles in the parking premises.	Tender Condition prevails
95	Section 10 - Specifications	Clause 15 A	The process of implementation of work: Designs, Drawings, Catalogues	Pg-155	Please clarify about that designs, drawings, catalogues needed to submit with Technical bid or it will be allowed in mobilization period/ at the time of signing of agreement.	Tender Condition Prevails. Please go Pg. 155 Section 10 , Specification
96	Section 10 - Specifications	Clause 1.23	General Guidelines for vehicles	Pg-163	For cleaning the vehicles regularly water is required. We request MCGM to provide the treated water to contractor on his parking facility.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
97	Section 10 - Specifications	clause 13	Schedule of Rates & Bill of Quantities	Pg-167	Requesting MCGM to please release the variable price on monthly basis along with monthly billing it will help us to maintain the cash flow.	Tender Condition prevails
98	Section 10 - Specifications	clause 13	Schedule of Rates & Bill of Quantities	Pg-169	Requested to MCGM please provide the current minimum wages which is applicable for SWM works like Basic, DA and HRA for Skilled, Semi Skilled and Unskilled Labours release the Levy charges with monthly bills. Please clarify the break up of 49% levy. As per the tender there is only 39% levy details are given. We also want the clarification for what will be the arrangement of levy for supervision team, back office team, project management team, IEC activity team and maintenance team included but not limited.	Please Refer Corrigendum
99	Section 10 - Specifications		Schedule of Penalties	Pg-172	Since the penalty clause is excessively high, requesting to MCGM please make the cap of maximum 2% on monthly billing instead of 20%.	Please Refer Corrigendum
100	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	“The payment during the Mobilisation Period will be made at the rate of 90% of the rate quoted in the BOQ.”	Tender Condition prevails
101	Section 15 - Annexure And Proformas	Annexure M	Quantity of vehicles	Pg-216	Does the bidder have to mention the number of vehicles deployed along with the number of trips of each vehicle in a shift?	Tender Condition prevails
102	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	Is parking free of cost?	No.
103	Section 15 - Annexure And Proformas	-	-	Pg-229	Are Vehicles required for the movement of the Stationary compactors considered in the vehicle deployment Annexure 8? Or those have to be provided separately.	Tender Condition Prevails. Please go through the Specification Section of the Document
104	Section 15 - Annexure And Proformas	-	Annexure D	Pg-205	Kindly allow us for submitting this Annexure when MCGM demand after opening of price bid.	Please refer page no. 56, Note, Pt. No. 3
105	Section 15 - Annexure And Proformas	-	Annexure submission	Pg-212-216	Other bidders will comprehend the quoted price in the financial bid if the bidder submits certain annexures in the technical bid. Please allow us to submit these annexures after the contract agreement is signed with MCGM.	Tender Condition Prevails
106	Section 15 - Annexure And Proformas	Appendix 1	Appendix 1	Pg-219	In the Appendix-1, PE ward population is missing and L ward is newly added. Requested to MCGM please clarify L ward population is a PE wards population.	L wards Population is not PE ward's population

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
107	Section 7 - Scope Of Work	Clause 10	Data for waste characteristics	Pg-54	Requesting MCGM to kindly provide the details of following points, 1. Group wise wards 2. Ward wise population 3. Ward wise Slum Population 4. Ward wise Households 5. Ward wise Slum households 6. Ward wise Commercials establishment 7. Ward wise BWG Ward wise waste generation for Dry waste & wet waste	Tender Condition Prevails. Please refer Prebid Precuations and processes, Pg 154
108	-	-	-	-	Requesting MCGM to please provide the group wise area names where the door step/ gate collection of waste is currently going on.	Tender Condition Prevails.
109	-	-	-	-	Requesting MCGM to please clarify who will have the ownership on vehicles after contract period end.	Tender Condition Prevails.
110	-	-	-	-	Requesting MCGM to please provide the area wise name and number of ward details for all groups.	Tender Condition Prevails. Please visit portal.mcg.gov.in for more information also refer various annexures mentioned in the bid document.
111	-	-	-	-	Requesting MCGM to please provide the group wise & ward wise generation of Wet Waste, Dry Waste and Domestic Hazardous Waste.	Tender Condition Prevails. Please refer Prebid Precuations and processes, Pg 154
112	Section 9 - General Conditions Of Contract	-	Dry waste collection	Pg-120	Who will keep the revenue which is generated from Dry waste.	Dry waste not to be sold by the contractor it is to be only deposited at designated dry waste collection centers
113	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	Authority to extend bid submission due date of minimum 01 month after the pre-bid clarification for micro level survey of all wards, Preparing the work plan & methodology, Technical document preparation and competitive commercial working.	Please Refer Corrigendum
<b>M/s. City rock</b>						
114	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	EMD shall be accepted in form of Bank Guarantee. Which most of ULB accept.	Tender Condition prevails
115	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	ongoing 11 groups contract cost is between 110 to 170 crores which is far lesser compared to newly invited tenders. this directly affecting qualification of existing agencies working for similar wards and similar nature of work.	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
116	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	The Technical Experience shall be 50% of what is been asked in tender document. Present Eligibility Criteria are cutting down the fair competition,	Tender Condition Prevails
117	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-105	As per SBD of BMC the lead member may we respectfully request to be meet at least 35% requirement of the technical capacity, we respectfully request to restore the SBD condition.	Tender Condition prevails
118	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-105	1 lead Member can be a lead member for any number of Groups by restricting 1 Lead member to 1 jv will restrict fair competition. By relaxing this condition BMC will get more competitive bids for each group. We assume this condition is to cut down competition by keeping 1 lead members to 1 JV	Tender Condition prevails
119	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity B. Net Worth	Pg-11	How Net worth is helping BMC to find a appropriate bidder or it is to Cut down Competition? Kindly clarify	Please Refer Corrigendum
120	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-12	A bidder shall bid to any number of groups provided the bidder fulfils the technical criteria of the group equivalent or higher value. It should not be sum of the amounts mentioned against the turn over and work experience for those groups. Present Eligibility criteria is cutting down the fair competition.	Please Refer Corrigendum
121	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Marking shall be aligned with daily generation of MSW E.g. ABCD generation is 673 MT per day so Experience above 673 MT shall get 20 Marks, KE KW generation is 886 MT per day so Experience above 886 MT shall get 20 Marks,	Tender Condition Prevails
122	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Kindly consider 7 lakhs population instead of 10 lakhs population. out of 8 groups 2 groups have population less than 10 lakhs only. Very few companies fulfill this criteria specially working in North India region.	Tender Condition prevails
123	Section 10 - Specifications	Clause 2 d	Manpower deployment	Pg-130	As per govt notification the gvw of 16200 chasis is revicised to 18000 kg whereas the volumatric capacity of large compactor body havent been increased due to same wheelbase chasis, hence the payload may we respectfully request to be be restricted to 6 mt as it was in 2017 -2018 tender. at present bmc is provoding 6 labours to load 6 mt of garbage and in new tender bmc is expecting higher out put of 7 mt garbage loading from 3 labours.	Please Refer Corrigendum
124	Section 15 - Annexure And Proformas	Annexures and Proformas	Appendix - 5	Pg-224 - 226	All parking lots mentioned in list are ppl parking inside the towers which are already occupied by tower residents or nearby residents of commercial establishments. on the basis of our experience not even single building will allow to park solid waste management vehicles	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
125	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	Camera inside the vehicle will show activity in the cab. E.g The driver is driving the vehicle. How can this data help in understanding the status of the vehicles. Besides the surrounding noise will not allow audible two-way communication with the control room. This defeats the purpose of the camera and two-way communication.	Tender Condition prevails
126	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	The camera is out in the open. It will be close to the waste loading area The camera will open to theft as the vehicle is parked at night. During the rainy season the vehicle gets stuck in the land fill due to slush a Poclain uses force on the rear of the vehicle to get it out of the slush. In doing so there is a possibility of the tail end of the vehicle getting damaged. Where the camera must be installed. The camera lens will get coated due to the payload (refuse) carried by the vehicle. This will in turn damage the rear camera.	Tender Condition prevails
127	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	Bmc have other sources like wms installed at dumping ground / transfer station to verify trip. hence this clause may we respectfully request to be deleted	Tender Condition prevails
128	Section 10 - Specifications	-	Schedule of Penalties: Maximum penalty	Pg 177	May we request that penalty should not be more than 10% of the monthly billing amount	Please Refer Corrigendum
129	Section 10 - Specifications	Point 16	Schedule of Penalties	Pg-179	As per our experiences cctv mounted on vehicles doesn't work well as compare to installed on civil structure. there is no proper electric connection for dvr, cameras on vehicles.	Tender Condition prevails
130	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	In previous 2 tenders swm department have experienced that there are limited compactor body manufacturers and department have given extension for mobilisation period, therefore we suggest mobilisation period to be 9 to 12 months	Please Refer Corrigendum
131	Section 10 - Specifications	Clause 13	Payment of Levy Charges for Manpower deployed	Pg-169	How bmc is planning to reimburse the amount we respectfully request to elaborate'	Tender Condition Prevails. Please see Section 10, Specifications. Also refer corrigendum for levy component details.
132	Section 10 - Specifications	Clause 11	Quality of Disinfectant cum Deodorant	Pg-164	Kindly provide list of approved vendors with contact details for of disinfectant cum deodorant	Tender Condition prevails
133	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	Many times, bmc servers are offline, in that scenario agency will be penalised for not generating reports.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
134	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	When bmc already have manual and computerised cross check system for checking of vehicles at ML chowky, check post (before unloading) WMS at weight bridge at transfer station and dumping ground, then why penalty of vtms is forced? point no 1.16 at page 162 also clarifies about satisfactory performance	Tender Condition prevails
135	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	At present bmc have only 1 dumping where 22 wards vehicles unload msw including bmc owned vehicles. during monsoon vehicles have to wait in long ques for unloading which causes delayed reporting in 2nd and 3rd shift resulting penalty in lakhs of rupees per ward. special provision may we respectfully request to be made for monsoon period i.e. no penalty for late reporting during monsoon period or late reporting penalty may we respectfully request to be bourn by the agency managing dumping ground.	Tender Condition prevails
136	Section 10 - Specifications	Clause 1.1 - Para 2	General Guidelines for vehicles	Pg-159	Kindly provide designated engineer for inspection and certification of vehicles	Tender Condition prevails
137	Section 10 - Specifications	Clause 1: General Guidelines for Vehicles	General Guidelines for vehicles	Pg-159	At least 30 days may we respectfully request to be given to place order and submit copy of confirm order to bmc	Tender Condition prevails
138	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	Kindly extend submission for 20 days	Please Refer Corrigendum
<b>M/s. Clean harbour JV</b>						
139	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	Reduce EMD amount by 50%	Tender Condition prevails
140	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	increase by at least 21 days	Please Refer Corrigendum
141	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	3 similar completed works- 10% of bid value 2 similar completed works- 15% of bid value 1 similar completed works- 20% of bid value	Tender Condition Prevails
142	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	Works executed during last fourteen (14) years	Tender Condition Prevails
143	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-105	Lead member of the JV shall have majority (at least 35 %) share of interest.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
144	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-105	Lead member of the JV shall meet at least 35% requirement of the technical capacity share of interest.	Tender Condition prevails
145	Section 2 - Eligibility Criteria	Clause 1.2	Financial capacity: A Turnover	Pg-11	Amount of Turnover in Cr. Group 1- 25 Group 2- 30 Group 3- 25 Group 4- 20 Group 5- 35 Group 6- 30 Group 7- 30 Group 8- 25	Tender Condition Prevails
146	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity B. Net Worth	Pg-11	Net Worth – to be deleted	Please Refer Corrigendum
147	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity C. Profitability	Pg-12	A bidder can bid any nos. of groups. If any bidder is found lowest responsive in more than 1 group, BMC shall at its discretion award 2 groups if the bidder meets the cumulative work experience and turnover of multiple number of groups where he is lowest. Not more than 2 groups will be awarded to a single bidder.	Tender Condition prevails. Please refer corrigendum for bidding to multiple groups
148	Section 2 - Eligibility Criteria	Clause 1.3	Similar Experience	Pg-12	The bidder shall have work experience in field of house to house collection & transportation of Solid Waste to disposal using SWM Rules compliant Compactors only.	Tender Condition prevails

<b>M/s. Datar Enterprises</b>						
168	Section 2 - Eligibility Criteria	Clause A.1.1	Technical Capacity: Work Experience	Pg-10	With due respect, we kindly request that the experience requirement be revised to 50% of what is currently stipulated in the tender document. We wish to highlight that, in the ongoing BMC contracts, none of the 14 groups possess the level of experience now being mandated, despite these being the highest-value contracts awarded by BMC for solid waste management in the years 2017 and 2018.	Tender Condition Prevails
169	Section 2 - Eligibility Criteria	Clause 1.2	Financial capacity: A Turnover	Pg-11	As per the Standard Bid Document (SBD), the average annual turnover requirement is typically set at 30% of the estimated project cost. If there is a provision to relax this financial criterion in the current tender, we request that similar flexibility be considered for the work experience requirement as well. Otherwise, it may appear that the criteria have been selectively modified to accommodate three specific bidders, potentially enabling them to secure at least two groups each	Tender Condition Prevails
170	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	We would like to respectfully submit that, as per the Standard Bid Document (SBD) of BMC, the lead member is required to meet only 35% of the technical capacity. In light of this, we kindly request that the original SBD condition be reinstated to promote broader and fair participation among eligible Joint Venture applicants..	Tender Condition prevails
171	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	We respectfully request that the lead partner be allowed to participate in multiple JVs—up to all 8 groups—without restriction to a single JV. Allowing flexibility in JV formation will encourage broader participation and lead to more competitive bids across all groups.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
172	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity B. Net Worth	Pg-11	As per the current tender terms, the average annual work value is approximately ₹70 crores, and the net worth requirement has been set to match this value. We respectfully submit that this is disproportionately high and request that the net worth requirement be brought down to a more reasonable level—ideally to 15% of the Annual Turnover. It is also important to highlight that such a condition did not exist in the 2017–2018 tenders. Its introduction in the present tender appears to be a restrictive measure that could limit participation by existing experienced contractors, thereby reducing healthy competition.	Please Refer Corrigendum
173	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity C. Note	Pg-12	As per Section 2 (Eligibility Criteria), Para 3 on Page 12, a bidder may submit bids for multiple groups only if they fulfill the cumulative turnover and work experience requirements corresponding to the total of all the groups they intend to bid for. Additionally, even if a bidder qualifies as the lowest responsive bidder in more than two groups, the allocation is limited to a maximum of two groups—subject to BMC’s discretion. We strongly object to this restrictive clause. It effectively limits the ability of competent bidders to participate across multiple groups, thereby curbing fair competition and preventing the most experienced and capable agencies from contributing more meaningfully to the project. Such a condition seems to arbitrarily narrow the pool of eligible participants, favoring selective allocation over competitive bidding. We respectfully urge the department to reconsider and allow bidders to participate in any number of groups, provided they meet the technical criteria equivalent to at least one group or higher. This will help foster open competition, ensure the best value for public funds, and enable wider participation by qualified and experienced contractors.	Please Refer Corrigendum
174	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-150	We submit that this criterion is highly exclusionary and does not reflect the ground reality. As per Appendix–1 (Page 219), BMC has currently allocated work to 14 groups, out of which only 4 groups cater to populations exceeding 10 lakhs. This clearly indicates that even BMC’s own existing contractors—some of whom have been successfully managing large-scale operations—would fail to qualify for full marks under this condition. It is evident that this clause has been framed in a manner that disproportionately benefits a limited set of bidders—particularly those engaged in Delhi-based projects under MCD, SDMC, or NDMC—who would automatically secure all 20 marks due to the population size of their awarded areas. We therefore strongly request that this evaluation criterion be deleted in its current form or significantly revised to ensure a level playing field. If not amended, it will unfairly disqualify capable local contractors and severely limit competition.	Tender Condition Prevails. Please see corrigendum for change in marking system.

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
175	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	<p>We respectfully submit that this marking system is inherently biased and does not reflect the performance or capabilities of contractors currently working with BMC on similar or equivalent projects. This condition is structured in such a way that it favors a narrow pool of bidders, particularly those who have handled contracts with high MSW volumes—mainly agencies operating in Delhi (MCD, SDMC, NDMC), who will automatically qualify for full marks.</p> <p>On the other hand, capable local contractors with proven track records in managing smaller but equally complex urban areas are unfairly penalized in the evaluation process, despite demonstrating operational success and compliance with BMC standards.</p> <p>We therefore respectfully request that this specific marking criterion be removed or significantly revised to promote fair and competitive bidding. As currently framed, it serves to exclude local agencies and reduce healthy competition</p>	Tender Condition Prevails. Please see corrigendum for change in marking system.
176	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	Kindly accept emd in form of BG also. this will encourage more bidders to participate.	Tender Condition prevails
177	Section 10 - Specifications	Clause 7	Technical Specifications of Vehicles For Collection of Garbage	Pg-143	<p>We respectfully submit that, although the Gross Vehicle Weight (GVW) of the 16,200 kg chassis has recently been revised to 18,000 kg as per government notification, the volumetric capacity of the compactor body has not increased correspondingly—since it continues to be mounted on the same wheelbase chassis. Therefore, we request that the payload requirement be limited to 6 metric tons, in line with the 2017–2018 tender specifications.</p> <p>Furthermore, we would like to highlight that under the existing contracts, BMC currently provides 6 laborers per vehicle to load approximately 6 MT of garbage. However, under the new tender, the expectation appears to be the loading of 7 MT with only 3 laborers, which is both operationally impractical and physically demanding.</p> <p>In light of the above, we request a reconsideration of the payload specification and associated labour expectations to ensure realistic, safe, and implementable service delivery standards.</p>	Please Refer Corrigendum

178	Section 15 - Annexure And Proformas	Appendix - 5	List of Public Parking lots	Pg-224	<p>As per the list of designated parking lots mentioned in the tender, we would like to respectfully bring to your attention that most of these locations are PPL (Public Parking Lots) situated inside or adjacent to residential towers or commercial establishments. Based on our practical experience, these parking areas are already fully occupied by the residents or nearby commercial occupants.</p> <p>In our experience, not a single building management has permitted the parking of Solid Waste Management (SWM) vehicles within such premises in the past. Therefore, relying on these parking spaces for SWM operations is not a feasible solution and may result in serious operational challenges post-award of the contract.</p> <p>We kindly request the department to either allocate dedicated and accessible parking spaces specifically for SWM vehicles or reconsider the current parking provisions to avoid future conflicts and ensure smooth execution of services.As per the list of designated parking lots mentioned in the tender, we would like to respectfully bring to your attention that most of these locations are PPL (Public Parking Lots) situated inside or adjacent to residential towers or commercial establishments. Based on our practical experience, these parking areas are already fully occupied by the residents or nearby commercial occupants.</p> <p>In our experience, not a single building management has permitted the parking of Solid Waste Management (SWM) vehicles within such premises in the past. 179	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	<p>Camera inside the vehicle will show activity in the cab. E.gThe driver is driving the vehicle. How can this data help in understanding the status of the vehicles. Besides the surrounding noise will not allow audible two-way communication with the control room. This defeats the purpose of the camera and two-way communication.</p>	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
180	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	<p>The tender mandates the installation of rear CCTV cameras on all Large Compactors, Mini Compactors, and Dry Waste Tempos. While we acknowledge the intent behind this requirement, we would like to highlight several practical and operational challenges:</p> <ul style="list-style-type: none"> <li>•Exposure to Elements and Theft: The camera, positioned in the open near the waste loading area, is highly vulnerable to damage and theft, especially when the vehicle is parked overnight in unsecured locations.</li> <li>•Damage During Landfill Operations: During monsoon season, vehicles frequently get stuck in slushy landfill conditions. Heavy equipment such as Poclains is often used to push vehicles out by applying force to the rear section. This can result in physical damage to the tail end of the vehicle—where the camera is typically mounted.</li> <li>•Obstruction and Damage from Refuse: The rear area of the compactor is exposed to spillage and contact with waste material. The camera lens is likely to get coated with debris, obstructing visibility and eventually leading to functional damage.</li> </ul> <p>In view of these challenges, we respectfully request the department to reconsider the placement, type, or necessity of rear cameras on such vehicles. Alternatively, we suggest exploring robust, tamper-proof, and enclosed camera solutions with protective housing suited for heavy-duty waste operations.</p>	Tender Condition prevails
181	Section 10 - Specifications	-	Schedule of Penalties	Pg-177	<p>As per Point B on Page 177 of the tender document, it is stated that the contractor is solely responsible for ensuring the proper functioning of the GPS and CCTV systems provided by them. Furthermore, if it is observed that VTMS reports are not generated due to non-functioning GPS or if the CCTV system is found to be non-operational, no payment will be made for that particular vehicle.</p> <p>We respectfully submit that this clause is unduly harsh and may lead to unjustified deductions. BMC already has alternate mechanisms in place—such as the Weighbridge Monitoring System (WMS) installed at dumping grounds and transfer stations—which effectively verify and record vehicle movement and trips.</p> <p>Given the existence of such reliable secondary verification systems, we respectfully request that this penalty clause be reconsidered and deleted. Operational or technical glitches in GPS or CCTV—often beyond the contractor's control—should not result in denial of payment when trip completion can be independently verified.</p>	Tender Condition prevails
182	Section 10 - Specifications	Point 40	Schedule of Penalties	Pg-177	<p>As per the tender provision, the maximum penalty that may be levied in any given month is capped at 20% of the monthly billing amount.</p> <p>We respectfully submit that this cap is disproportionately high and may adversely impact the financial sustainability of the contract, especially considering the operational scale and external factors that can affect service delivery.</p> <p>In light of this, we sincerely request that the maximum penalty be revised and capped at not more than 10% of the monthly billing amount, which would strike a fair balance between enforcing accountability and ensuring the viability of service execution.</p>	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
183	Section 10 - Specifications	Point 16	Schedule of Penalties	Pg-175	<p>As per Clause 16 under the Schedule of Penalties, if the CCTV system is found to be turned off, the penalty imposed will be the <b>payment corresponding to the capacity of the vehicle plus ₹2,000.</b></p> <p>We respectfully submit that, based on our practical experience, CCTV systems mounted on moving vehicles do not function as reliably as those installed on fixed civil structures. The primary challenge lies in maintaining consistent power supply and connectivity for DVRs and cameras within the vehicle environment. Vehicle vibrations, power fluctuations, and exposure to weather conditions often lead to technical malfunctions, despite regular maintenance.</p> <p>In light of these limitations, we request that this penalty clause be reconsidered. Either the penalty amount should be substantially reduced, or the department may explore alternatives such as periodic spot-check footage verification instead of imposing a fixed financial penalty.</p>	Tender Condition prevails
184	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	In previous 2 tenders swm department have experienced that there are limited compactor body manufactures and department have given extension for mobilisation period to be 9 to 12 months	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
187	Section 10 - Specifications	-	Schedule of Penalties	Pg-172	<p>At present, BMC operates a single dumping ground where vehicles from 22 wards—including BMC-owned vehicles—unload Municipal Solid Waste (MSW). During the monsoon season, heavy rainfall and poor ground conditions frequently result in long queues and significant delays in unloading operations. These delays have a cascading effect, causing late reporting for subsequent shifts (2nd and 3rd), which in turn leads to the imposition of heavy penalties—often amounting to several lakhs of rupees per ward. In view of these unavoidable and weather-related operational constraints, we respectfully request that a special provision be introduced for the monsoon period, under which: No penalty is levied for late reporting during the monsoon months, or Late reporting penalties during this period be absorbed by the agency responsible for managing the dumping ground, as the delay arises from downstream congestion beyond the control of the contractor. This amendment will ensure fair treatment of contractors and reflect the operational realities faced during the monsoon season.</p>	Tender Condition prevails
188	Section 10 - Specifications	Clause 1.1	General Guidelines for vehicles	Pg-159	Kindly provide designated engineer for inspection and certification of vehicles	Tender Condition prevails
189	Section 10 - Specifications	Clause 1.1	General Guidelines for vehicles	Pg-158	At least 30 days may we respectfully request to be given to place order and submit copy of confirm order to bmc	Tender Condition prevails

The IE shall be appointed by BMC after consultation of the successful bidder.	Tender Condition prevails
220	Section 9 - General Conditions Of Contract	-	2. Interpretation	Pg-62-63	Kindly provide the list of documents which will form the part of contract that can be referred by the parties in case of any discrepancy between these documents.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
221	Section 9 - General Conditions Of Contract	Clause 15	-	Pg-66-68	Request Authority to exclude the “Construction & Demolition Waste Rules, 2016.” from the list of applicable laws and rules that the Contractor has to abide as this is a MSW Collection & Transportation (C&T) tender and Collection of C&D waste is out of scope of the contract as per Section 7 of Tender Document.  As this part of excluded waste in the scope of work.	Tender Condition prevails
222	Section 9 - General Conditions Of Contract	Clause 35	Payment Certificates	Pg-76	Request Authority to add the following clause in the Article-  “In case of payment of bills getting delayed beyond 30 days, interest at the rate of SBI PLR + 3% shall be payable by Authority to the Contractor. If payments are not made to the Contractor for a period more than 90 days from the date submission of an invoice, it shall be considered as Authority’s Event of Default.”	Tender Condition prevails
223	Section 9 - General Conditions Of Contract	Clause 36	Payments	Pg-76	Request Authority not to deduct security deposit from each bills/invoices, as the retention amount is already being deducted as per this clause. Also, kindly reconfirm if any the amount of retention ,security deposit, other recoveries that would deducted from the bills/invoices.	Tender Condition prevails. Please see corrigendum for clause related to ASD
224	Section 9 - General Conditions Of Contract	Clause 40	Liquidated Damages	Pg-78	Given the nature of the Project and the scope of works assigned to the Contractor wherein there are no project milestones specified as such, the imposition of liquidated damages on the Contractor seems unnecessary and unfair. The Authority has already laid down the different penalties in Section 10 for shortcomings and deficiency in services by Contractor. Request Authority to delete this clause, as it is double imposition of penalty.	Tender Condition Prevails
225	Section 9 - General Conditions Of Contract	Clause 46	Termination	Pg-81	Request Authority to delete the said clause. Employer’s right to terminate the Contract should be restricted solely to instances where the Contractor has committed an Event of Default as specifically defined under the Agreement.	Tender Condition prevails
226	Section 9 - General Conditions Of Contract	Clause 47	Payment upon Termination	Pg-82	Request Authority to replace the said clauses with the standard termination clauses given below- “Upon termination of this Agreement on account of Authority’s event of default, the Contractor shall be entitled to 120% (one hundred twenty percent) of the Book value of the Project plus any outstanding receivables, claims, release of performance bank guarantee and any amount that has been retained from the monthly bills. Upon termination of this Agreement on account of Contractor’s event of default, the Concessionaire shall be entitled to 80% (eighty percent) of the Book value of the project plus any outstanding receivables, claims.”	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
227	Section 9 - General Conditions Of Contract	Clause 72	Payments, Tax and Claims	Pg-94	Request Authority to remove this provision as it imposes a limitation on the claims made by the Contractor which may have a prolonged effect and not be necessarily limited for a single instance or a certain period.	Tender Condition prevails
228	Section 9 - General Conditions Of Contract	Clause 72	Payments, Tax and Claims	Pg-94	Request Authority to consider an interest payment clause as per SBI PLR +3% rate for delay in payments of monthly bills to the Contractor. This is a standard clause which is found in Concession Agreements (CA) of MSW C&T projects/tenders.	Tender Condition prevails
229	Section 9 - General Conditions Of Contract	Clause 73	Settlement of Disputes	Pg-95-96	Request Authority to incorporate the following clauses as the dispute resolution procedure which are standard for similar kind of projects- "Save where expressly stated to the contrary in this Agreement, Request Authority to incorporate the following clauses as the dispute resolution procedure which are standard for similar kind of projects- "Save where expressly stated to the contrary in this Agreement, any dispute, difference or controversy of whatever nature between the Parties, howsoever arising under, out of or in relation to this Agreement and so notified in writing by either Party to the other (the "Dispute") shall in the first instance be attempted to be resolved amicably. Either Party may require such Dispute to be referred to the Commissioner, Authority and the Chief Executive Officer of the Contractor for the time being, for amicable settlement. Upon such reference, the two shall meet at the earliest mutual convenience and in any event within 15 days of such reference to discuss and attempt to amicably resolve the Dispute. If the Dispute is not amicably settled within 15 (fifteen) days of such meeting between the two, either Party may refer the Dispute to arbitration. If the Parties are unable to resolve a dispute amicably through discussion or conciliation, the dispute shall be referred to Arbitration in accordance with the Arbitration & Conciliation Act, 1996. Each party shall appoint one arbitrator, and the two appointed arbitrators shall jointly appoint the presiding arbitrator. The Party requiring arbitration shall appoint an arbitrator and shall send a written notice to the other Party about such appointment and call upon the other Party to appoint its arbitrator. If within 30 days of receipt of such notice the other Party fails to appoint its arbitrator, the Party seeking appointment of arbitrator may take further steps in accordance with Arbitration and Conciliation Act, 1996 and its amendments thereof.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
					<p>The venue of arbitration shall be Delhi and the language of the arbitral proceedings shall be English.</p> <p>The Parties agree that the decision or award resulting from arbitration shall be final and binding upon the Parties and shall be enforceable in accordance with the Provision of the Arbitration and Conciliation Act, 1996 and its amendments thereof.</p> <p>Pending the submission of and/or decision on a Dispute and until the arbitral award is published, the Parties shall continue to perform their respective obligations under this Agreement without prejudice to a final adjustment in accordance with such award.</p> <p>Each party shall bear the cost of their respective appointed arbitrator, however the payment to the presiding arbitrator shall be borne equally by the Parties.</p> <p>In case dispute is not resolved through arbitration, the dispute can then be brought to the jurisdiction of District Courts of Mumbai or Mumbai High Court as the case may be.”</p>	
230	Section 10 - Specifications	Clause 6	Logistics for loading of waste	Pg-140	Request BMC to provide a period of at least 30 days after Letter of Award for preparation and submission of operations plan	Tender Condition prevails
231	Section 10 - Specifications	Clause 12	Contract Period	Pg-165	<p>Request BMC not to reduce the contract period on its own will or without assigning any valid reason. The Contractor invests some capital cost in the inception of Project, considering that it would be allowed to execute the works/ operations for the entirety of contract period.</p> <p>In case of such a reduction in contract period, the Authority shall be liable to pay a compensation equal to 120% (one hundred twenty percent) of the Book value of the Project plus any outstanding receivables, release of performance bank guarantee and any retention amount that has been deducted from the monthly bills to the Contractor.</p>	Please Refer Corrigendum
232	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	Request Authority to provide details regarding the amount and instalments of the advances that would be provided to the Contractor during the mobilization period.	Please Refer Corrigendum
233	Section 10 - Specifications		Schedule of Penalties	Pg-177	Request Authority to reduce this cap on penalties to be not more than 5% of the monthly billing amount. Which is standard in all the contracts.	Please Refer Corrigendum
234	Section 15 - Annexure And Proformas	Clause 9	Annexure -5	Pg-224-226	<p>Request the authority to handover a single parcel of land which is located in the assigned award , for development of parking area and maintenance workshop for the vehicles that would be deployed by the Contractor for C&amp;T operations.</p> <p>This will improve the efficiency and in time deployment of Vechiles.</p>	Tender Condition prevails

235	Section 8 - Scope of Work	Clause 2	Operational Records and Operations control	Pg-21	We request the authority to clarify on whether this tender includes any Key Performance Indicators (KPIs), Service Level Agreements (SLAs), or other performance-based monitoring mechanisms to evaluate the services?.	Tender Condition prevails
236	Section 6 - Instructions To Applicants	Clause 1.5	Additional Security Deposit	Pg-47	We kindly request the authority to provide the estimated cost of the work for each group.	Please Refer Corrigendum
237	Section 9 - General Conditions Of Contract	Clause 1	General Conditions of Contract	Pg-62	The RFP states that the Start Date/Commencement Date is the date when the Contractor shall commence execution of the Works. We request the authority to kindly clarify whether this date will be: 1)The date of issuance of the Letter of Award (LoA), or 2)The date of signing of the Agreement,	Tender Condition prevails. Please refer Section 10, Specifications
238	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-13	Delete the clause pertaining to Bid Capacity as it is relevant to EPC based contracts. However the current tender involves PPP contract for the collection and transportation of Municipal Solid Waste.  Request Authority to provide the definition of Engineering works.  N= no of years prescribed for completion of the project/ works means.  Can we consider the Mumbai tender concession period or our company concession period? B means Value of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited. (If ongoing works are not completed during the 7 years concession period, what value can we take?)	Tender Condition prevails
239	Section 10 - Specifications	-	Collection and Transportation	Pg-121	We request the authority to kindly define the Door-to-Door collection system. Is the collection from the door step of large societies, apartment complexes, and commercial establishments expected to be done from the main gate/entry point?	Tender Condition Prevails. Here door to door means doorstep collection.
240	Section 7 - Scope Of Work	-	Collection and Transportation	Pg-121	We request the authority to kindly clarify whether the scope of work involves both primary (door-to-door/ door-step) and secondary collection and transportation, or is it limited to only secondary collection and transportation from waste collection spots/bins	Tender Condition Prevails. Please refer Section 10, Specifications.
241	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-124 -125	We request the authority to kindly clarify, elimination of collection points on roads & increasing the percentage of doorstep collection is the responsibility of the successful bidder.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
242	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	We request the authority to kindly share the current policy or guidelines of BMC concerning Bulk Waste Generators (BWGs), including roles and responsibilities of the contractor as part of the RFP.	Tender condition prevails Also refer Draft SWM Bye laws for Mumbai 2025
243	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-128	the slum population data along with hut-wise layout and total estimated waste generation for each slum cluster available for reference	Tender Condition Prevails. Please refer Section 10, Specifications.
244	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	We request the authority to kindly clarify who will be responsible for providing these attendants for community large generation points.	Tender Condition prevails. Please refer Section 10, Specifications also refer Annexure N, Pg. No. 217
245	Section 7 - Scope Of Work	Point 9	Community Collection Bins	Pg-54	We request the authority to provide the ward-wise number of community bins currently in place. Please indicate the number of damaged bins identified for replacement, including their capacity and location.	Tender Condition prevails. Please refer Section 10, Specifications also refer Appendix 2 & 2 -A
246	Section 7 - Scope Of Work	Clause 2	i.Dry Waste Collection	Pg-134	Please specify the type and specifications of vehicles to be used exclusively for dry waste What is the required frequency of dry waste collection? Please share the location and operational details of Dry Waste Collection Centers (DWCCs) in each ward	Tender Condition prevails. Please refer Section 10, Specifications.
247	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-125	Kindly provide details about the current GVPs(Garbage vulnerable points) and the lifting mechanisms in use for waste collection	Tender Condition prevails. Please refer Appendix 2-A and also refer Section 10, Specifications.
248	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	We request clarification on the availability of sufficient parking space and provision of electrical power connections for vehicle operations. Currently all the Vechiles of SWM are parked under Public Parking System.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
249	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	<p>As the availability of space in Public Parking Lots is often constrained due to existing occupancy by public vehicles, kindly confirm whether any specific area within the PPL has been earmarked exclusively for parking of concessionaire's vehicles.</p> <p>If so, please provide details of the total earmarked area (in sq.m) per ward available throughout the concession period.</p> <p>Kindly confirm whether the workshop or maintenance facility for vehicles can be developed within or adjacent to the allotted parking space. Or MCGM is planning to allocate space in the respective groups / awards for development of workshop and charging units for Electric Vechiles.</p> <p>Considering that the bidder is permitted to deploy electric vehicles (EVs), please clarify whether the bidder is allowed to install and operate EV charging infrastructure at the designated public parking site.</p> <p>Please clarify whether there are any other dedicated parking lots (outside PPLs) identified or arranged by the Authority for the purpose of this project. If yes, kindly share their locations, areas (in sq. m.), capacities etc</p>	Tender Condition prevails
250	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	Request the authority to specify the parking charges that the concessionaire has to pay to the PPL or the agency managing the parking lot.	Tender Condition prevails
251	Section 10 - Specifications	Clause 1.1	General Guidelines for vehicles	Pg-158	Considering manufacturing and delivery timelines, we request an extension of the vehicle procurement deadline from 15 days to at least three months post-issuance of the Letter of Acceptance	Tender Condition prevails
252	Section 10 - Specifications	-	General Guidelines for the works	Pg-141	During routine collection and transportation activities it is likely that a certain amount of silt or inert material may get collected along with municipal solid waste. In this context request the authority to provide tolerance of accepting slit at least 10% to avoid heavy penalties.	Tender Condition prevails
253	Section 10 - Specifications	-	Schedule of Penalties	Pg-177	Request the authority to cap the penalty at 5% of the monthly billing value.	Please Refer Corrigendum
254	Section 10 - Specifications	-	General Guidelines for the works	Pg-143	Is the bidder required to deploy both types of compactors (diesel and electric), or is it permissible to choose either one as per operational suitability?	Tender Condition prevails
255	Section 5 - E-Tender Online Submission Process	-	Submission by USB	Pg-23-27	<p>As the tender is to be submitted entirely through an online mode, we kindly request the authority to consider deleting the requirement for submission of a USB Drive.</p> <p>Also, please confirm whether any hard copy submission is mandatory.</p>	Please refer Section5, Pg.No. 27, Clause 31
256	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	<p>Command control center provisioned by us including space and hardware. are there any specifications on the dashboard from the BMC ?</p> <p>Is there any integration required with existing BMC systems or dashboards? If yes, kindly provide the integration protocols or APIs, if applicable.</p>	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
257	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	Is there any specific application or software mandated by BMC for real-time capturing and monitoring of vehicle movements?	Tender Condition prevails
258	Section 2 - Eligibility Criteria	-	Litigation history	Pg-12	The tender requires disclosure of blacklisting, debarment, deregistration, etc., for the bidder and its directors/partners/authorized signatories. Kindly clarify whether past regulatory or institutional actions (such as debarment or sanctions imposed by multilateral agencies or external funding bodies) against the parent company or an unrelated associate (which is not the bidding entity and has no operational or contractual role in the project) would have any bearing on the qualification or evaluation of the bidding entity, particularly when the bidder meets all technical, financial, and performance eligibility independently	Tender Condition prevails
259	Section 2 - Eligibility Criteria	Clause 1.4	Bid capacity: Poor performance	Pg-14	It is respectfully submitted that the clause may be modified to read: Have a record for poor performance in the last five years, evidenced by formal contract terminations, debarments, or documented penalties issued by public authorities in India, attributable to the bidder's default. Delays or disruptions arising from reasons beyond the bidder's control, such as force majeure, changes in scope, or actions/inactions of the employer, shall not be treated as poor performance for the purposes of disqualification.	Tender Condition prevails
260	Section 2 - Eligibility Criteria	-	Litigation history	Pg-13	It is requested that BMC consider defining the “gravity” of litigation based on objective factors, such as concluded findings of default, formal blacklisting, or termination attributable to the bidder, and that closed or non-penal show cause notices will not independently disqualify a bidder.	Tender Condition Prevails
261	Section 2 - Eligibility Criteria	Clause 1.4	Bid capacity: Insolvency	Pg-14	In corporate structures involving multiple entities, would disqualification under insolvency or performance default apply to the bidder only when the bidder itself is affected, or even when an associate/parent/subsidiary faces unrelated issues? It is respectfully submitted that the clause may be modified to read: “Provided that such disqualification shall apply only if the event in question directly affects the bidding entity's capacity to perform or has a demonstrable material nexus with the contract under this tender.”	Tender Condition Prevails
262	Section 6 - Instructions To Applicants	Clause c	Contract Execution	Pg-36	Will any grace period or exemption be granted for submission of contract documents in cases where the delay is attributable to administrative or third-party reasons such as stamp duty purchase or digital platform errors? It is respectfully submitted that the clause may be modified to read: 'In case the delay is due to reasons not attributable to the bidder, such as force majeure events or administrative limitations, BMC may consider granting a reasonable extension.'	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
263	Section 6 - Instructions To Applicants	Point F	Action when whole of security deposit is forfeited	Pg-37	Kindly confirm whether the Contractor will be provided a reasonable notice and an opportunity to rectify the breach prior to invoking rescission or forfeiture clauses. It is respectfully submitted that the clause may be modified to read: 'Before invoking Clause (a), (b), or (c), the Engineer-in-Charge shall provide a written notice of 7 days to the contractor to rectify or explain the default.'	Tender Condition prevails
264	Section 6 - Instructions To Applicants	Point F	Action when whole of security deposit is forfeited	Pg-37	Whether the contractor will be given any opportunity to review or dispute the cost certifications made by the Executive Engineer, especially in cases where delays may be attributable to the authority or other external factors? Also, will a mechanism be provided for joint measurement or third-party validation to ensure fairness? It is respectfully submitted that the clause may be modified to read: "...The certificate of the Executive Engineer, after providing the contractor an opportunity to be heard and allowing submission of objections, shall be treated as final and conclusive. In case of disagreement, the matter may be referred to a third-party evaluator or resolved in accordance with the dispute resolution mechanism under this contract."	Tender Condition prevails
265	Section 9 - General Conditions Of Contract	Clause 10.1	Employer's Risk	Pg-65	It is respectfully submitted that the clause may be modified to read: " The Employer is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in the Employer's country, the risks of war, invasion, act of foreign enemies, rebellion, natural calamity, act of god, epidemics, pandemics, terrorist attacks, revolution, insurrection or military or usurped power, civil war, riot, commotion or disorder (unless restricted to the Contractor's employees), expropriation, nationalization, compulsory acquisition, material change in law, chemical, fire, explosion, chemical contamination, disruption of utility services or essential supplies (fuel, water, electricity) not caused by non-payment or breach. and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.	Tender Condition prevails
266	Section 9 - General Conditions Of Contract	Clause 11.1	Contractor's Risks	Pg.65	It seems incorrect clause has been cited in the clause due to a typo error. It is respectfully submitted that the clause may be modified to read: "All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks, referred to in clause 10.1, are the responsibility of the Contractor.	Please refer corrigendum
267	Section 9 - General Conditions Of Contract	Clause no.46.2 (g)	Termination	pg-81	The clause permits termination based solely on the subjective "judgment of the Employer" regarding corrupt or fraudulent practices, without requirement for prior determination by a competent authority or due process. This may lead to arbitrary termination. It is respectfully submitted that the clause may be modified to read: "If the Contractor is found, after following due process of law and upon determination by a competent authority, to have engaged in corrupt or fraudulent practices as defined in GCC.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
268	Section 9 - General Conditions Of Contract	Clause no.11.1 (h)	Termination	Pg-81	The phrase “any other fundamental breaches” is vague and may create uncertainty regarding grounds for termination. Request list or definition of what constitutes “fundamental breach” under the Contract Data. It is respectfully submitted that a comprehensive list or cross-reference to the Contract Data defining such “fundamental breaches” be provided, or alternatively, the clause may be modified to read: “... as specifically listed in the Contract Data annexed to this Agreement.”	Tender Condition prevails
269	Section 9 - General Conditions Of Contract	Clause no.72	The limit of unforeseen claims	Pg-94	The strict limitation of 1 month for unforeseen claims may be unreasonable and may not accommodate genuine situations where the Contractor was unaware or unable to claim within such short time. It is respectfully submitted that the clause may be modified to read: “The Contractor shall submit any unforeseen claim in writing to the Engineer-in-Charge within a reasonable time not exceeding 3 (three) months from the date on which the Contractor became aware or ought to have become aware of the occurrence giving rise to the claim.”	Tender Condition prevails
270	Section 9 - General Conditions Of Contract	Clause no.72	No interest for delayed payments due to disputes, etc	Pg-94	The blanket exclusion of interest in case of delayed payments, even during admitted or undisputed amounts, may cause undue hardship. It discourages timely payment and leaves the Contractor without any recourse for delays, even after invoking arbitration. So we request any kind of delay in any kind of payment should be properly compensated at the rate of 3% + SBI Prime Lending Rate if the payment is delayed beyond 60 days.	Tender Condition prevails
271	Section 9 - General Conditions Of Contract	Clause 73	Settlement of Disputes	Pg-95	The amicable settlement process is multi layered and Party in dispute may not adjudicate the issue. We request for a simple amicable resolution clause.	Tender Condition prevails
272	Section 9 - General Conditions Of Contract	Clause 46.2	Termination	Pg.81	The phrase “any other fundamental breaches” is vague and may create uncertainty regarding grounds for termination. Request list or definition of what constitutes “fundamental breach” under the Contract Data. It is respectfully submitted that a comprehensive list or cross-reference to the Contract Data defining such “fundamental breaches” be provided, or alternatively, the clause may be modified to read: “... as specifically listed in the Contract Data annexed to this Agreement.”	Tender Condition prevails
273	Section 9 - General Conditions Of Contract	Clause 46.5	Termination	Pg.81	Clarification is sought regarding timeline and specific obligations for site handover and material disposal in the event of termination.  It is respectfully submitted that the clause may be modified to read: “If the Contractor is found, after following due process of law and upon determination by a competent authority, to have engaged in corrupt or fraudulent practices as defined in GCC...”	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
274	Section 9 - General Conditions Of Contract	Clause no.72	The limit of unforeseen claims	Pg-94	The strict limitation of 1 month for unforeseen claims may be unreasonable and may not accommodate genuine situations where the Contractor was unaware or unable to claim within such short time.	Tender Condition prevails
275	Section 8 - Bill Of Quantities	-	Levy component of wages for workforce deployed	Pg-56	Request Authority to define the Levy Component	Please Refer Corrigendum
276	Section 9 - General Conditions Of Contract	Clause 83 a	Joint Venture	Pg-108	If we participate through JV, can we combine Turnover and Net worth Together to fulfil Financial Criteria?	Tender condition Prevails. Please see clause 83A Joint venture, Of General contract Condition.
277	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg.10	Most of the PPP Project of MSW are executed by incorporating the SPV as per the provision of agreement with the client. So it is requested the authority to accept the qualification of “Associate / Subsidiary / Sister Companies “ as well.	Tender Condition Prevails
278	Section 1 - E-Tender Notice	-	Foreign investors	Pg-4	We request the authority to delete the respective clause because it is restricting the major players who have investment from foreign investors.  There are certain regulations and policy which are followed through FEMA, FDI while getting this investment etc. Also there is firm encouragement at the central level and state level for encouragement of foreign entities and investment for overall development of business aspects in India and Mumbai.	Tender Condition prevails
279	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg.10	Enhancement of project /actual work to be permitted on the completed works as well.	Tender Condition Prevails. No enhancement in case of ongoing works.
280	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity B. Net Worth	Pg-11	Generally, the Networth of the organisation will be based on the current close financial year i.e 31st March. So we presume the Networth should be calculated as on 31.03.2024 under the financial qualification.	Please Refer Corrigendum
281	Section 2 - Eligibility Criteria	Clause 1.2 (c )	Financial Capacity C. Profitability	Pg-12	The wording “parent/subsidiary/SPV for which experience is being claimed” to be deleted because the bidder will submit based on its own financial credentials	Please Refer Corrigendum
282	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg- 13	Generally, the bid capacity calculation is considered and evaluated in the EPC Model of Contract wherein the project duration will be 2 to 4 years only. But in the MSW Projects the contract will be ranging from 5 years to 25 years. So, we request the authority to delete the provision of bid capacity calculation.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
283	Section 6- Instructions to applicants	-	Packet B	Pg-41	As per the technical qualification both the Ongoing and Completed Works are considered for the technical qualification. But in the respective clause it is indication of submission of Completed Works as well. So we request the authority to delete the wording “Completed” and consider the ongoing project as well.	Please Refer Corrigendum
284	Section 9 - General Conditions Of Contract	Clause 83 b	SPV	Pg-108	The respective sentence to be amended and changed because the Consortium terms all the members of the consortium should maintain their respective shareholding for entire contract period.	Tender Condition Prevails
285	Section 1 - E- Tender Notice	E Tender Notice	EMD	Pg-5	We request the authority provide the provision of paying the Earnest Money Deposit through Bank Guarantee as well.	Tender Condition prevails
286	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg -13, 14	We request the authority to amend / change the wording “Engineering Works” into “Similar Works” as this project is not a major engineering and civil construction project.	Tender Condition prevails
287	Section 6 - Instructions To Applicants	Point C	Contract Execution	Pg-36	We request the authority to accept the Contract Deposit from the Lead Bidder for a period 2 years because the banker will issue the bank guarantee only after completion of one financial year etc.	Tender Condition prevails
288	Section 6 - Instructions To Applicants	Point C	Submission of Tenders, Packet-A	Pg-40	We request the authority to provide a provision of getting GST Registration within 30 days from the Letter of Award as the 15 Days is very less to obtain.	Tender Condition prevails
289	Section 9 - General Conditions Of Contract	Clause 38	Tax	Pg-77	We request the authority to consider the rate quoted should be exclusive of all taxes and duties because as per our knowledge and experience any service provided to the Central Government, State Government or Union territory or local authority or a Governmental authority or a Government Entity by way of any activity in relation to any function entrusted to a under article 243G of the Constitution or in relation to any function entrusted to a Municipality under article 243W of the Constitution – GST Exempt.  So if this project is GST exempted, the respective clause to be amended accordingly and MCGM (authority) has to pay any new taxes / duties implemented after bid submission or during project period.	Please Refer Corrigendum
290	Section 13 - List Of Approved Banks		List of Banks Approved	Pg-186	We request the authority to add the Axis Bank Limited and HDFC Limited as well in the list of approved banks as are Scheduled Commercial banks as per the RBI.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
291	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	We request the authority to reconsider the marking system once again because most of the projects in the MSW Sectors are implemented and executed under the SPV or a different company.  Also we request the authority to slight decrease or delete the requirement of population because the technical capacity is based on the project cost etc.	Tender condition prevails. Refer corrigendum for change in marking system
292	Section 6 - Instructions To Applicants	Point v	Submission of Tenders, Packet-B	pg-41	Request the Authority to modify the Clause as Details of works in hand (Proforma VI – A & VI – B) (original), along with copies of work orders.	Tender Condition prevails
293	Section 7 - Scope Of Work	-	Collection and Transportation	pg-53	We request the authority to kindly define and clarify the term “materials removed from slums”.	Tender Condition prevails
294	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	As per our understanding from the site survey, the collection and transportation of waste from Bulk Waste Generators (BWGs) is currently being handled by a separate Concessionaire. We therefore request the authority to kindly clarify whether, under the current scope of this tender, the selected Concessionaire will be responsible for the collection and transportation of waste from BWGs	Tender condition prevails Also refer Draft SWM Bye laws for Mumbai 2025 Also refer Clause A, Pg -154
295	Section 10 - Specifications	-	General Guidelines for the works	Pg-141	A certain amount of silt or inert material may inadvertently get mixed with municipal solid waste. In this regard, we request the Authority to kindly consider a phase-wise tolerance limit for silt/inert content in the collected waste to account for on-ground realities and avoid disproportionate penalties:	Tender Condition prevails
296	Section 6 - Instructions To Applicants	-	Infrastructural Set Up - B) Time period of the project	Pg-36	We request you to kindly clarify what shall be considered as the effective date of issuing the LOA.	Tender Condition prevails
297	Section 7 - Scope Of Work	Clause 10	i.Dry Waste Collection	Pg-54	We request the Authority to kindly clarify the payment mechanism for unload of the dry waste at the BMC's dry waste collection centre.	Tender condotion prevails. No payment will be given separately for unloading of drywaste at BMC's drywaste collection center
298	Section 10 - Specifications	-	-	Pg-147	We request the Authority to kindly provide detailed information on the roads covered under the scope of work, including the road names, lengths,	Tender condition prevails. Please refer annexure I, Pg. 212
299	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	We request the Authority to kindly clarify whether the waste tonnage figures include waste generated by Bulk Waste Generators (BWGs).	No. Tender condition prevails.

306	-	Other	Fleet replacement plan	-	Please provide a clear plan or guidelines regarding the timeline and criteria for fleet replacement during the contract period.	Tender Condition prevails
307	Section 9 - General Conditions Of Contract	Clause 72	Payments, Tax and Claims: No interest for delayed payments due to disputes, etc	Pg-94	Please add, if there is any delay in release of payment then the Authority should pay interest @3% above SBI PLR.	Tender Condition prevails
308	-	other	Project Schedule	-	We kindly request the authority to provide a detailed and clearly defined timeline for the execution of the work, including key milestones such as the issuance of the Letter of Award (LoA), signing of the agreement, mobilization period, and project completion schedule etc.	Tender Condition prevails
309	Section 9 - General Conditions Of Contract	Clause 10	Employer's Risk	Pg-65	Request to include a separate force majeure clause as well along with cure period. Force Majeure: Neither Party shall be liable for any failure or delay in performing its obligations under this Agreement if such failure or delay is due to a Force Majeure Event, meaning any event beyond the reasonable control of the affected Party including, without limitation, acts of God, natural disasters (earthquake, flood, cyclone, storm, lightning, landslide), fire or explosion, epidemic or pandemic, war, invasion, armed conflict, terrorism, civil commotion, sabotage, riots, blockades, embargoes, labour unrest (strikes, lockouts), governmental orders or actions, change in law, breakdown of equipment, prolonged shortage of power, fuel or material, or any other cause that materially affects performance. The affected Party shall notify the other Party in writing within 7 (seven) days of becoming aware of such event, detailing its impact and likely duration. If the Force Majeure Event continues beyond 60 (sixty) consecutive days, either Party may (i) terminate the Agreement upon 30 (thirty) days' written notice, in which case the Contractor shall be entitled to payment for work performed up to termination, demobilisation costs, and no further claims shall lie; or (ii) elect to resume obligations upon cessation of the Force Majeure Event, in which case the timelines for completion or term of the contract shall stand extended by the period of such disruption, along with entitlement to compensation for additional costs reasonably incurred during the affected period, subject to mutual agreement. The Parties shall act in good faith to mitigate losses and resume operations as soon as practicable.	Tender Condition prevails
310	Section 10 - Specifications	-	-	-	we request you to kindly clarify if the existing temporary / permanent staff are to be utilized for this project or weeather concessionair can bring in their own staff	Tendier condition prevails. Please see section 10, Specifications of the bid document

311	Section 10 - Specifications	-	-	-	During the site visit, it was observed that dry waste collection from commercial establishments is currently being carried out by a separate agency. In this context, we kindly request the authority to clarify whether the selected Concessionaire under this tender will be responsible for dry. waste collection.	Tender Condition prevails
<b>M/s. Delhi Waste Management Limited (DWM)</b>						
312	Section 10 - Specifications	Clause 14.	Mobilization Period	Pg-171	As the project is being implemented in a phased manner, each ward, once taken up, will be operationalized in its entirety, with the contractor fully complying with all contractual conditions, including both Primary and Secondary Collection. Since this entails complete deployment of vehicles, manpower, fuel, and maintenance costs from day one, payment must be linked to the full quoted tipping rate per MT. This ensures fair compensation, aligns with measurable output, and supports financial viability. Therefore, 100% of the quoted rate should be paid from the commencement of operations in each ward.	Tender Condition Prevails
313	Section 10 - Specifications	Clause 12	Contract Period	Pg-165	In a PPP model project involving substantial capital investment, any clause permitting the Corporation to unilaterally reduce the contract period with a three-month notice introduces significant financial uncertainty. The project's financial structure—including cost recovery, loan repayment, and investor returns—is based on the assured tenure of the contract. We therefore request that this clause be deleted, and that the contract period be explicitly efined to commence frome the Date of Commercial Operation (COD) -i.e., the date on which full-scale operations begin across all ward within the Group, as specified in the scope of work. This modification is critical to ensure bankability. Financial institutions typically will not finance projects that include provisions for early termination without corresponding compensation or safeguards. Our request is consistent with standard practices in PPP-based solid waste management contract and necessary for ensuring the project's financial viability.	Please Refer Corrigendum
314	Section 2 - Eligibility Criteria	Clause 1.2	Similar Experience	Pg-12	"Similar works" shall refer to projects involving end-to-end Solid Waste Management (SWM) services, including Door-to-Door collection, Storage, Segregation, Transportation, and Final Disposal of Municipal Soloid Waste (MSW) and Street Sweeping Waste to Disposal Sites. These works must have been executd in any metropolitan city within India for any of following entities: the Central Government, any State Government or its undertakings, any Semi Government Organization, or any Urban Local Body(ULB).	Please Refer Corrigendum for definition of similar work.

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
315	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	In accordance with MSW Rules 2016, it is recommended that the contractor be required to collect waste from a designated common collection point located on the ground floor of residential buildings or housing societies. For multi-storey buildings (i.e., structures with more than one floor), door-to-door collection should be limited to this common ground-floor location, rather than from individual floors, to ensure operational efficiency and feasibility.	Tender condition prevails. In case of multi-storey buildings waste will be collected from a designated common collection point
316	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-129	Kindly clarify whether a separate attendant is required for each 1.1 cu.m bin or for each bin location (i.e., bin point) regardless of the number of bins placed at that point. This clarification is essential for accurate manpower planning and cost estimation.	Tender condition prevails . Refer to apendix 2A.
317	Section 10 - Specifications	Clause 9&10 Point 9 &10	Scope of Work	Pg-120	We request that the clause be amended to permit the use of partitioned vehicles with separate compartments for dry and wet waste, instead of mandating entirely separate vehicles. This approach aligns with efficient waste segregation practices while optimizing fleet usage. Requiring separate vehicles for dry and wet waste will result in duplicated fleet size, increased fuel consumption, and higher labour deployment, ultimately leading to unnecessary public expenditure without added operational benefit. Also, kindly clarify whether the collection and transportation of dry leaves is included within the defined scope of work, as this will impact manpower planning and logistics.	Tender Condition prevails
318	Section 10 - Specifications	Clause 46	Termination	Pg-81	We request you to kindly define what constitutes a "fundamental breach of contract" as the tender already outlines penalties for various forms of non-compliance. Additionally, the contractor should be given a reasonable cure period to address and rectify any such breaches before further action is initiated.	Tender Condition prevails
319	Section 10 - Specifications	Clause 46	Termination	Pg-82	We request that this clause be deleted, as it grants unilateral termination rights to the Corporation, which is not in alignment with the risk-sharing principles of a PPP mode project. Given the substantial capital investment required in machinery and infrastructure, such provisions create significant financial risk for the contractor. Furthermore, no financial institution will extend funding to a project where termination terms are undefined or disproportionately one-sided.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
320	Section 10 - Specifications	Clause 46	Termination	Pg-82	We also request a clear clarification on Termination Payment provisions, to ensure protection of the contractor's investment in the event of early termination.	Tender Condition prevails
321	Section 7 - Scope Of Work	Point 9	Maintaining the existing collection Bins	Pg-54	<p>We request clarification on how the Corporation plans to address non-cooperative public behavior, particularly in cases where residents ignore bin attendants' instructions and continue to litter outside designated waste collection points. Such actions hinder effective execution and should be supported through civic enforcement such as BMC strong intervention.</p> <p>Further, given the tendency of litter bins to suffer from frequent damage due to fire, misuse, or theft, and considering that their average functional life is typically under 12-16 months, we request BMC to specify:</p> <ul style="list-style-type: none"> <li>•Who shall bear the cost of bin replacements, and</li> <li>•Whether there is a limit or frequency cap on replacements allowed under the contract.</li> </ul> <p>This clarity is essential to ensure fair financial and operational risk-sharing under the project.</p> <p>Also we request BMC to hand over operational bins after repairs.</p>	Tender Condition prevails. Please refer clause K,Pg. no 135
322	Section 7 - Scope Of Work	Clause 9	Parking of vehicle	Pg-150	<p>As BMC is introducing a new PPP model where payments will be made on a performance-based service delivery mechanism, it places significant emphasis on the daily upkeep, maintenance, and availability of fleet and machinery.</p> <p>In view of this, the bidder is expected to establish a dedicated workshop and parking facility to ensure uninterrupted operations and timely service delivery.</p> <p>We therefore request BMC to kindly allocate or facilitate land on lease/rental basis for the development of a centralised workshop and vehicle parking depot within or near the operational area.</p>	Tender Condition prevails
323	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-231-238	<p>The current mobilization period of six months for procuring and deploying the required fleet and resources appears to be unrealistic, considering the large volume of vehicles and equipment involved.</p> <p>We respectfully request that the mobilization timeline be extended and that the implementation be allowed in a phased manner. Given that all bidders will be sourcing similar vehicles from a limited pool of manufacturers, a phased procurement and deployment schedule would be more practical, avoid supply chain bottlenecks, and ensure quality and timely execution of the project. We request mobilization period of 9 Months.</p>	Please Refer Corrigendum
324	Section 10 - Specifications	Clause 5	Vehicle Tracking System & CCTV Monitoring System	Pg-138	We request access to this VTS Monitoring system so that we may also monitor our vehicles	The access to VTS monitoring will be provided

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
325	Section 10 - Specifications	Clause 1	General Guidelines for vehicles	Pg-158	In the event of an increase in waste tonnage during the contract period, the contractor may be required to deploy additional vehicles beyond the originally planned fleet. Since the initial vehicle procurement will be based on the approved deployment plan, any requirement arising in later years—such as Year 4—would result in a disproportionate financial burden on the contractor if they are expected to purchase new vehicles for only the remaining contract period (e.g., 3 years). Therefore, we request that the tender conditions allow the contractor to deploy hired or leased vehicles to manage any such excess tonnage, provided these vehicles comply with the technical specifications outlined in the contract.	Tender Condition prevails
326	Section 10 - Specifications	Clause 1.24	General Guidelines for vehicles	Pg-163	As the contract mandates regular washing and maintenance of vehicles, it is essential to have a designated space for setting up a vehicle washing facility. We therefore request BMC to provide a suitable area for establishing the washing unit, either within the project premises or at a nearby designated location, to ensure compliance with operational and hygiene standards.	Tender Condition prevails
327	Section 10 - Specifications	Clause, 10	Technical Specifications for the Litter bins	Pg-150	Kindly provide the design of the litter bin. Also provide the drawing for mounting these bins.	Tender Condition prevails.
328	Section 10 - Specifications	Clause, 11	Technical Specifications for the Litter bins	Pg-150	Please give us the details that how these bins are to be directly to be unloaded into the vehicle and what would be the responsibility of the bidder.	Tender Condition prevails Work plan for the same has to be submitted. Refer Annexure O, Pg-218
329	Section 2 - Eligibility Criteria	Note	Security Deposit	Pg-13	We request that bidder qualification be evaluated independently for each package, rather than on the cumulative value of all packages combined. Since the tender already includes Bid Capacity as a qualifying criterion, a bidder who meets the individual qualification requirements for two packages and has the corresponding bid capacity should be permitted to submit bids for both packages.	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
330	Section 6 - Instructions To Applicants	Clause A	Contract Deposit	Pg-47	We request BMC to kindly consider reducing the Contract Deposit requirement from the existing percentage to a 1	Tender Condition prevails
331	Section 9 - General Conditions Of Contract	Clause 38.	Tax	Pg-77	As per current GST rules, this type of contract is covered under NIL GST. We request you to please confirm whether GST should be considered NIL for this contract.  Also, in case there are any changes in GST rates in the future, we request that the additional GST amount be reimbursed by BMC.	Tender Condition Prevails and also Refer Corrigendum for GST clarification
332	Section 15 - Annexure And Proformas	Appendix 9	Approximate distance from ward to dumping	Pg-239	We are considering this location as the base point for calculating distances and accordingly cost estimates shall be worked out. In the event that BMC changes this designated location at a later stage, we request clarification on how the additional fuel and operational costs arising from the increased distance will be compensated.	Tender Condition prevails
333	Section 10 - Specifications	-	Schedule of Penalties	Pg-177	In line with prevailing industry practices and similar Solid Waste Management (SWM) tenders issued by various urban local bodies, the penalty cap is typically limited to 10% of the monthly bill. Even under BMC's existing contracts, this 10% cap has been followed.  Therefore, we respectfully request BMC to revise the penalty cap from 20% to 10%, ensuring consistency with established norms and maintaining financial viability for the contractor.	Please Refer Corrigendum
334	Section 10 - Specifications	Clause 1	Evaluation of Bids	Pg-120-121	We request BMC to consider revising the evaluation/marking criteria under this clause to reflect the scale of experience based on the population served in the qualifying project.  Specifically, where a bidder has experience in a project covering a population of 17 lakhs or more, the same should be awarded higher weightage or additional marks, as it demonstrates the bidder's ability to manage larger-scale municipal operations efficiently.	Tender Condition Prevails

335	Section 10 - Specifications	General	Poor condition of Dumping ground/Transfer station	Pg-177	<p>During the site survey, it was noted that access to the dumping ground at Kurla and other designated disposal sites becomes severely restricted during certain seasons, particularly due to poor maintenance and lack of proper site management at the dump yards and transfer stations. This leads to operational delays, vehicle congestion, and in some cases, vehicles getting stuck in unmotorable conditions.</p> <p>We request BMC to kindly take proactive measures to improve site accessibility and ground conditions, especially during monsoons and peak disposal hours, to ensure smooth vehicle movement and turnaround.</p> <p>Further, we request that no penalties be imposed on the contractor for delays in secondary collection or disposal caused due to such unforeseen ground-level constraints beyond the contractor's control. This provision will help safeguard operational continuity and ensure fair treatment in line with on-ground realities.</p>	Tender Condition Prevails
<b>M/s. Dhruv Infrastructure</b>

Profitability- Note	Pg-12	Kindly clarify and mention specifically that as per your tender it is mentioned that one bidder can bid to any number of groups. However on the contrary to this conditions , the tender restricted the JV participation , which should be deleted. Moreover the bidders should be allowed to participate one or all bids as per their choice as per the selection probability and however it is ultimately BMC who should decide the eligible bidder only as per the criteria given in the tender.	Please Refer Corrigendum for bidding to multiple groups.
383	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity C. Profitability- Note	Pg-12	This condition should be applied to a JV Company by deleting restriction as requested in Sr no. 4 above	Tender Condition Prevails
384	Section 2 - Eligibility Criteria	Clause 1.3	Similar Experience	Pg-12	Kindly clarify and mention specifically that similar work means experience in the field of "collection & transportation of Municipal Solid waste (MSW) as per MSW 2016 rules only". Also experience and turnover achieved in construction waste, debris, transportation under SWM dept. Should not be considered.	Tender Condition prevails
385	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-13	Kindly clarify and mention specifically that the Bid Capacity of the eligible bidder shall also be considered in cumulative proportion in case the bidder submits one or more bids. This is not mentioned specifically in the tender.	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
386	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	Kindly clarify and mention specifically with example for a JV company if it is submitting work experience under three works for a single bid with ( 1+2) JV association. In that case what will be the share stake rates of three parties for each work, which is not understood clearly. Please clarify.	Tender Condition prevails. Please refer clause 83a of general contract conditions
387	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-108	Kindly clarify and mention specifically regarding our doubts on calculation of Net worth in a JV company to participate in the tender. Further the Net worth should be 80% of the annual Turnover calculated on the Technical eligibility annual Turnover asked in the tender. Example:- for group 01- Rs.203.6 crore work experience in asked in 7 years. Hence per year turnover comes to Rs.203.6/7= 29 Cr. Appx. Hence Turn Over should be considered in 29 cr. And Net worth should be considered 80% of this figure.Kindly amend.	Please Refer Corrigendum
388	Section 7 - Scope Of Work	Clause 1	Collection and Transportation	Pg-53	The tender specifies collection and transportation of MSW. Hence request to change the tender work name to "Collection and Transportation of MSW as per MSW 2016 rules" for all purpose, as requested in Sr no 06 above .	Tender Condition prevails.
389	Section 7 - Scope Of Work	Clause 8	Community Collection Bins	Pg-54	Kindly clarify and explain the modalities of maintaining , servicing, replacing community collection bins and any special vehicles and space assigned by BMC in the tender.	Tender Condition prevails. Please refer Pg. No. 135, Clause K. Also refer Annexure N, Pg.No. 217
390	Section 10 - Specifications	Clause 13	Payment of Levy Charges for Manpower deployed	Pg-169	Kindly clarify the leavy component of wages for the work force shall be reimbursed and its time frame.	Tender conditon prevails and also refer corrigendum for clarification of levy component.
391	Section 9 - General Conditions Of Contract	Clause 56	Applications And Costs Thereof	Pg-86	Kindly clarify in details of the para 56. Applications and costs thereof, as it is not understood	Tender Condition prevails
392	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Kindly clarify and mention specifically why a bidder who is technically and financially eligible as per tender terms and condition can only obtain maximum 20 Marks and shall remain in the mercy of evaluator for getting pass mark of 70. Further around 58 marks are assigned for future plans and all of them mentioned in details in the tender specification and giving marks to such plans already directed in tender have no meaning . A bidder can write and agree all future plans and can also deviate later on. Future plans should not mix up with eligibility.As per our opinion, the eligibility should be based on past work performance and credential of bidder on the basis of executed work. Kindly amend.	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
393	Section 10 - Specifications	-	Collection and Transportation	Pg-121	Kindly clarify and amend Experience of “Door step/ secondary collection” as mentioned in the tender to experience of "Door step & secondary collection " for more clarity and to avoid future ambiguity.	Tender Condition Prevails. Here, secondary collection means collection from communtiy collection bins and doesn't mean transportation of waste from transfer station to dumping ground
394	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Further the population of 10 lakh aretaken which is very high than the project area population. As the population of each project areas are different, we request to amend the population of each group @ 40%, @ 25% & @ 20% of estimated population for one work, two work, & three work respectively as per tender rules to bring in sanity.	Tender Condition Prevails
395	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Further it is interesting to note that some of the project areas population are even less than 10 lakhs asked for the marking. Kindly amend.	Tender Condition Prevails
396	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Kindly clarify that in case the Bidder is eligible technically with one work, he has been assigned minimum Marks, which is not understood	Tender condition prevails. Please Refer Corrigendum for change in marking system.
397	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Kindly further clarify and mention specifically that for 250 tpd waste the population is required to be 3,57,142 ( as per capita 700 grams of waste is taken in tender.) . Then why the minimum 10 lakh population is given for 250 tpd waste which is not understood. Kindly amend.	Please Refer Corrigendum for change in marking system.
398	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Kindly clarify and mention specifically the basis of calculation of 751 TPD and assigning maximum marks.	Tender Condition Prevails. Please see corrigendum for change in marking system.
399	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Kindly clarify as requested earlier above, the basis of assigning 55+5=60 marks for works plan and presentation and less marks for technical & financial eligibility of a bidder . In other words kindly explain the logic behind to plan to reject the bidder out rightly by giving less than the pass marks of 70 , even if he qualifies in the tender. Why the passing of a bidder to become eligible for opening the Price Bid is destined in the mercy of evaluator on the basis of future plans. The tender specification has described and specified all these work plan very clearly. Such work plans proposed by BMC will only allow creatingdiscrepancies with tender terms in future and contractor to take chance of advantages of such discrepancies	Tender Condition Prevails. Please see corrigendum for change in marking system.
400	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Presentation for the Proposal - (Maximum Marks 5 marks)	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
401	Section 10 - Specifications	-	The overall work specification: Quantum of work in terms of Municipal Solid Waste Generated and collected	Pg-131	Kindly provide the datas of waste generation pattern & waste composition characteristics as it is very difficult to get the details for all groups.	Tender condition prevails. Please refer section 10 - Specification
402	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	This is already given in tender in details.Hence no marking is required and needed (Understanding of the project deliverables, bidders strategy and vision about the execution of the project including pain areas, Marks-05)	Tender Condition Prevails
403	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	This is already given in tender in details. Hence no marking is required and needed. 9 (Details of the vehicles proposed for the work based on their type & capacity, Mark-02))	Tender Condition Prevails
404	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-122	The tender experience is asked for 07 years project. Kindy note that no electric vehicles were available during that period and were not mentioned in the past work order or scope. In case few bidders have specifically purchased the electric vehicles recently, then it should not be considered and no additional marking should be given beyond the scope of technical eligibility.This is unethical.	Tender Condition Prevails
405	Section 10 - Specifications	Clause 1	Evaluation of Bids: Marking system	Pg-122	These all points of pg 122 are given in tender so contractor has to follow, no Marking system required.	Tender Condition Prevails
406	Section 10 - Specifications	Clause 2	Quantification of Waste Generated	Pg-123	Kindly clarify that the tender specifies per capita generation of Municipal Solid waste taken as 700-900gm.in urban layouts and 400-500 grams. In slums. While calculating the population, it is going over 9000 TPD which is very high. Kindly explain in details and provide in the tender urban and slums population because design and route planning of vehicles will be depending on this data	Tender condition Prevails. Please refer first three line in bold and in Bracket on Pg. 124
407	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-124	Kindly clarify if (A stationary compactor will make one trip daily to the Dumping Ground. Separate agency is already appointed for this work) the said quantity of waste is deducted from the bidder's assigned waste quantity in this tender.	Tender condition Prevails. Please refer Clause B, Proposed approach for improvement on Pg 123-124
408	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-126	Kindly clarify whose responsibility for any theft or accidental damages of bins in the BMC areas.	Tender Condition prevails. Please refer Section 10, Specifications.

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
409	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	Kindly clarify and mention specifically the right density of waste which should be provided by BMC to achieve 7 ton and 3.5 ton payload capacity in a 8 hours shift in large and mini compactor respectively . This is very important to achieve desired load without undergoing with penalty.	Tender Condition prevails
410	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	Kindly clarify and assure that the large compactor shall perform unloading within 30 minutes after entering in to the disposal site.	Tender Condition prevails
411	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-128	Kindly clarify and assure that the maintenance of transfer station shall be the scope of BMC and the mini compactor shall unload within 30 minutes after entering into transfer station.	Tender Condition prevails
412	Section 10 - Specifications	Clause 2	Dry waste collection	Pg-134	Kindly confirm if the quantity of dry waste has been deducted from the assigned weight to the bidder in this tender.	Tender Condition prevails
413	Section 10 - Specifications	Clause 7	Technical Specifications of Vehicles For Collection of Garbage	Pg-144	Kindly confirm & mention specifically if the quantities of vehicles demanded could be supplied within 6 months mobilisation period as manufactures are limited in numbers and in view of upcoming monsoon. Kindly provide relaxation in case genuine delay occurs from manufacturer sides without any fault of ours.	Please Refer Corrigendum
414	Section 10 - Specifications	Clause 7	Technical Specifications of Vehicles For Collection of Garbage	Pg-147	Kindly confirm if Dry waste tempos are necessary if the work is already assigned to other agencies.	Tender Condition prevails
415	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	Kindly confirm specifically if PPL will accept to park the garbage vehicles. The garbage smell can not be eliminated completely.	Tender Condition prevails
416	Section 10 - Specifications	Clause 10	Technical specifications for the litter bins	Pg-150	Kindly provide us the drawing & specification of materials or photo of litters bins for our record as description in the tender is not clear.	Tender Condition prevails. Please refer Section 10, Specifications also refer Annexure ), Pg. No. 218
417	Section 10 - Specifications	Clause A	General Guidelines for vehicles	Pg-161	Kindly clarify and amend that permanent debarment of accident vehicles is not required as mentioned in the tender, as the same can be repaired fully through insurance.	Tender Condition prevails
418	Section 10 - Specifications	Clause 1.24	General Guidelines for vehicles	Pg-163	Kindly provide BMC source of potable recycled water for the washing purpose	Tender Condition prevails
419	Section 10 - Specifications	Clause 13	Escalation/ Depreciation On Quoted Base Price	Pg-166	Kindly clarify the payment recovery of escalation of cost towards for non-operating staff office staff, establishment , spares etc.	Tender Condition prevails
420	Section 10 - Specifications	-	Schedule of Penalties	Pg-172	Kindly waive off the penalty of Rs.1.0 lakh per day incase failure to provide vehicles ( excluding standby ) as mentioned in the tender. Because spare vehicles are planned and procured by incurring capital expenses for the said purpose only.	Tender Condition prevails

431	Section 10 - Specifications	Clause i	Weight	Pg-143	Allow +/- 10% of variation for 1 Ton capacity as density of waste vary. - Normally controls are provided at one side i.e. left side of the rear end of the vehicle. - Provision & operations of control on right side of the vehicle may be risky as it will be on road side where traffic is moving.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
432	Section 10 - Specifications	Clause 1.1	General Guidelines for vehicles	Pg-158	These are special design and custom made equipments / vehicles to be manufactured as per the tender technical specifications and it is requested that there should be scope for carrying out necessary modifications / changes as per inspection & observation of BMC engineers and that ultimately the final product would be supplied or deployed that meets the technical specifications of the tender.- request to relax the condition suitably.	Tender Condition prevails
433	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	1.Large compactors / mini compactors (including leak proof mini compactors) are to be designed, fabricated and manufactured as per the specifications 2.As various activities are involved like drawing approvals, proto type fabrication and modification as per the instructions and approval of final product and production of the equipment will take considerable time, so request to increase the delivery period up to 12 months 3.Hence request to revise mobilisation / delivery period and penalty accordingly.	Please refer corrigendum
434	-	-	-	-	Keep the option for providing control on vehicle	Tender Condition prevails
<b>M/s. KMS JV</b>						
435	Section 2 - Eligibility Criteria	Clause A.1.1	Technical Capacity: Work Experience	Pg-10	We request that the experience qualification value be revised to 60% of the currently prescribed figures for one, two, and three similar works, to reflect the actual technical content of the work. Alternatively, we request the department to recalculate the eligibility thresholds excluding the labour component, as labour supply is a matter of effective management and not a technical barrier.	Tender Condition prevails
436	Section 2 - Eligibility Criteria	Clause 1.2	Financial capacity: A Turnover	Pg-11	The current tender specifies the turnover requirement as 15% of the estimated cost, which deviates from the standard bidding document (SBD) norms of BMC. Based on the scope and duration of work, the average annual cost for each group ranges between ₹70 to ₹80 crores. As per SBD norms, the turnover requirement should be linked to 30% of the average annual cost, not the total estimated cost.	Tender Condition Prevails
437	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-11	We request that the clause be revised to allow a JV member to: 1. Submit an individual bid, and 2. Participate in multiple JVs across different groups, provided the same JV is not repeated for the same group.	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
438	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	We bring to your attention that the marking system introduced in this tender was not part of previous tenders (e.g., 2018–2025 contracts). The absence of such criteria in earlier tenders allowed for broader and more inclusive participation from competent agencies. However, the current marking system appears to be unnecessarily restrictive and may result in the exclusion of experienced existing contractors, despite their continued service and compliance. This abrupt shift in evaluation methodology raises concerns of bias and may unintentionally—or otherwise—create conditions that favor a limited set of bidders, thereby monopolizing the tender process. We urge the department to reconsider the newly introduced marking criteria	Tender Condition Prevails
439	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	We respectfully request that the due date for submission of bids be extended by a minimum of four (4) weeks from the date of publishing the Addendum/Corrigendum. This will provide sufficient time for bidders to review the changes, incorporate clarifications, and submit a comprehensive and compliant proposal.	Please Refer Corrigendum
<b>M/s. Krystal Integrated Services Limited</b>

638	Section 1 - E-Tender Notice	E Tender Notice	Groups	Pg-5	Reduction from 14 to 8 Groups in Tender Structure In the current ongoing contracts, services are divided into 14 groups (11 excluding labor and 3 including labor). The new restructuring into only 8 area-based groups may reflect an operational consolidation; however, it also raises concerns that such grouping could potentially reduce opportunities for local contractors to participate competitively.	Tender Condition Prevails
639	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	EMD submission be permitted through Bank Guarantee (BG).	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
640	Section 2 - Eligibility Criteria	Clause A.1.1	Technical Capacity: Work Experience	Pg-10	we request that ongoing works executed from FY 2018-19 onward be allowed enhancement at 10% per annum upto date of tender submission.	Tender Condition Prevails
641	Section 2 - Eligibility Criteria	Clause A.1.1	Technical Capacity: Work Experience	Pg-10	If financial norms are relaxed we request a similar relaxation in experience criteria to avoid imbalance and ensure equall opportunity for all bidders.	Tender Condition Prevails
642	Section 2 - Eligibility Criteria	Clause 1.2	Financial capacity: A Turnover	Pg-11	In light of the relaxation of the Financial Turnover requirement to 50% as per the tender document, we kindly request that the Technical Experience criteria also be proportionately relaxed to ensure uniformity in qualification standards.	Tender Condition Prevails
643	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	<p>The lead member shall meet at least 51% requirement of the technical capacity and the experience of the lead member shall only be from a project in which he is a lead member having stake not less than 51% We request that BMC clarify the following:</p> <p>1. Whether cumulative experience of all JV members will be considered to satisfy single/multiple work value requirements?</p> <p>2. Whether the lead member alone must satisfy the full value of required work(s), or only 51% of the total technical requirement?</p> <p>3. If aggregation is permitted, then in what manner will the experience be counted – by number of works, value per work, and stake share?</p> <p>Clear answers to these questions are essential to ensure transparency, fair competition, and uniform interpretation among all prospective bidders.</p>	Tender Condition Prevails
644	Section 2 - Eligibility Criteria	Clause A.1.1	Technical Capacity	Pg-10	<p>JV Participation Restriction – Clause Reference: Para 3, Page 11 “A member of a JV firm, once participating in a bid for any of the groups from Group 1 to 8, shall not be eligible to bid for the same or any other group, either in individual capacity or as a member of another JV firm.”</p> <p>The current restriction limiting JV members to a single bid across all 8 groups is overly restrictive and curtails fair competition. We request that the lead partner be allowed to form separate JVs for each group (one per group), while restricting multiple JVs in the same group only.</p>	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
645	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity B. Net Worth	Pg-11-12	The current requirement of net worth at 80% of group turnover is disproportionately high and deviates from standard norms in similar municipal contracts. This could unfairly exclude competent and financially sound bidders. We respectfully request that the net worth threshold be reduced to 30% of the group turnover to ensure broader participation without compromising bidder credibility or contract performance.	Please Refer Corrigendum
646	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity: Note	Pg-12	“A bidder may bid for any number of groups, provided they meet the technical criteria for at least one group. Financial eligibility may be evaluated on a per-group basis at the time of award.”	Tender Condition Prevails. Refer Corrigendum for bidding to multiple groups
647	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Reconsideration of Population-Based Evaluation Criteria Ref: Clause – Page 121   Evaluation Criteria: Experience Based on Population Served The current evaluation model awards technical marks based solely on single-city contracts serving populations above 10 lakhs, with further restriction that only the awarded area’s population (e.g., ward-level in Mumbai) is considered. This results in undue exclusion of technically qualified contractors—including existing BMC service providers—who may have executed similar contracts across multiple wards or cities but fall short of the population benchmark per individual contract. Notably, per Appendix-1 (Pg. 219), only 4 of 14 current BMC contract groups exceed the 10 lakh population threshold. Thus, even longstanding and proven agencies under BMC contracts may be penalized in technical scoring despite consistent performance. This approach disproportionately favors contractors operating in cities with centralized, citywide contracts—thereby skewing the playing field and limiting fair competition.	Tender Condition Prevails
648	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	we respectfully propose the following alternatives: <input type="checkbox"/> Allow cumulative TPD across multiple contracts to be considered for scoring; or <input type="checkbox"/> Replace TPD-based scoring with parameters such as: o Number of households served, o Population covered, or o Number of wards managed.	Tender Condition Prevails
649	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	We respectfully submit that the existing 20% cap on monthly penalties is disproportionately high and poses significant financial risk to contractors. Given the nature of municipal solid waste (MSW) operations—often affected by uncontrollable factors such as monsoons, traffic congestion, and landfill constraints—a high penalty ceiling could result in severe deductions even for minor or non-deliberate lapses.	Please Refer Corrigendum

<b>M/s. ME-Raaj</b>						
748	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	Higher Tender project duration: The New Tender Project Duration is kept that Bidder should have "Completed 07 Years" knowing very well that the existing BMC contracts are still undergoing and have not completed 07 Years work period as on date, obviously not able to obtain required minimum amount of work experience BMC set for new 07 years project. In other words, existing contractors carrying out works for years together with understanding fully the Local Sentiments and Areas are left out of the participation in tender without any valid reason. We sincerely request you to keep the Tender duration for 05 years as per standard rule and extendable further to accommodate existing Contractors, for the reasons explained above.	Tender Condition Prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
749	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Higher Tender population figure : We have been carrying out the work in H/East & H/West for A population estimated at 8.0 Lakhs. Contrary to this the minimum requirement of population of 10.0 lakhs is given for the bidder who should have worked in the same area in the new tender. Whereas it is known to officials that H/ East and H/ West area poulation is lesser than the minimum qualification asked for and as a result of which the existing Contractor would not be eligible to participate. We sincerely request you to kindly reduce the Population figures to minimum 5.0 lakhs and above to synchronize with the other criteria formula of work experience, turnover, net worth etc., as per the reasons explained above.	Tender Condition prevails
750	Section 2 - Eligibility Criteria	Clause 1.2	Financial capacity: A Turnover	Pg-11	Higher Tender Turn over: The similar work in the area H/East & H/West is still done by us as on date and we are surprised to come across the asking Annual Turn Over of a bidder is given in the new tender to be Rs.65.83 Crore which are having multifold increase than the present going on Contract. Whereas the added scope of work may be with addition of more Labours than the existing number, bins and additional Electric Vehicles etc. As mentioned earlier, due to increase in Estimated Cost and Turn Over, the existing contractor who was assigned the similar work by BMC earlier at actual cost and quantities is not eligible to participate We sincerely request you to kindly reduce the Annual Turn Over figures to minimum 20.0 crores ( 05 years duration) to synchronize with the other criteria formula of % 40, 25 and 20 in case of Turnover and Net Worth as done in calculating work experience,as per the reasons explained above.	Tender Condition Prevails
751	Section 10 - Specifications	Point 2	Evaluation of Bids: Marking system	Pg-121	Higher quantity of waste asked: We have been carrying out the same work as tendered for H/East & H/West area for over 06 Years and whereas the actual generation, collection and transportation have been around 500 TPD and more. We sincerely request you to kindly reduce the qualifying Waste Quantity figures for marking for 751 TPD given in new tender and request to reduce to minimum 400 TPD to synchronize with the other criteria formula of work experience, turn over, net worth etc. as per the reasons explained above.	Please Refer Corrigendum for change in marking system.
752	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104	Higher work experience asked: The new tender has asked the minimum work experience from One Similar Work for Rs.175.55 Crores knowing very well that the existing contractor of H/East & H/West has only achieved till date Rs.140 Crore as per Rate and Quantity assigned by BMC in entire H/East and H/West area currently and the existing Contractor will not be eligible to participate We sincerely request you to kindly reduce the qualifying work experience executed/ executing amount to minimum 100 Crores to synchronize with the other criteria formula of work experience, turn over, net worth etc. as per the reasons explained above.	Tender Condition prevails

753	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Marking Table to reject eligible bidder: Last but not the least, BMC has formulated a Marking Sheet for the first time, by assigning 70 Marks to pass to be eligible for opening of Bidder's Price Bid out of the Total 100 Marks - 55+5= 60 Marks are assigned for a Bidder who will present the future plans (strangely most of the points are repeat of tender specification and requirement laid down in the new tender) - 20 Marks are assigned for a Bidder who will eligible as per the financial and Technical crieria given in the new Tender . - 20 Marks are assigned and reserved for the probably Super Class other City Contractors who have worked more than the minimum Eligibility Criteria set by BMC (As If there is any other better ULB exist than BMC In India and matching it with the scope of work of BMC is ignored)	Tender Condition prevails. Please refer corrigendum for change in marking system
<b>M/s. Mere Realty</b>						
754	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	Considering the huge amount of EMD, we hereby request authorty to kindly allow bidders to submit EMD in from of Bank Guarantee also.	Tender Condition Prevails
755	Section 5 - E-Tender Online Submission Process		Submission by hard copies	Pg-23-27	Kindly confirm, whether bidder needs to submit physical copy of bids also.	No.Tender Condition prevails
756	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	While the technical capacity criteria rightly highlight experience in delivering similar services and are in line with CVC guidelines, the subsequent evaluation methodology appears to vary significantly from these core requirements. For eg. A large proportion of marks have been allocated based on factors such as population covered and tonnage handled per day. Moreover, the highest weightage has been assigned to presentation and work plan. This approach raises uncertainty, as even technically and financially qualified bidders may find their bids ineligible for financial opening based on non-aligned parameters. In view of the above, we respectfully request the authority to consider aligning the evaluation criteria and marking scheme more closely with the technical and financial capacity requirements. This would ensure a fair, transparent, and merit-based evaluation process in line with established procurement norms and CVC guidelines.	Tender Condition Prevails
757	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-13	While the scope of the tender pertains to the collection and transportation of solid waste, the current bid capacity formula appears to be based on turnover from engineering works, which is not aligned with the nature of the services outlined in the tender. In this regard, we respectfully request the authority to review and amend the bid capacity formula so that it accurately reflects the scope of the work, i.e., solid waste collection and transportation.	Tender Condition prevails
758	Section 10 - Specifications	Clause 1.24	General Guidelines for vehicles	Pg-163	Kindly provide a designated space for vehicle servicing/washing, free of cost, to ensure operational efficiency.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
759	Section 10 - Specifications	Clause d	Public awareness and participation. (IEC Activities)	Pg-130	The bidder should be paid separately for awareness activities carried by it, as this will be done on behalf of the authority. Also, we request authority to provide spaces such as stage, hoarding space for awareness free of cost.	Tender Condition prevails
760	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	The penalty shown in here are very high it is requested to reduce the same.	Tender Condition Prevails
761	Section 9 - General Conditions Of Contract	Clause 13: General Condition Contract	Schedule of Rates & Bill of Quantities: Price Variation	Pg-165-166	We understand that, no variation is payable for the initial six months. Given that the bid due date is in June 2025 and there is a mobilization period of six months post issuance of the LOA, it is likely that actual operations will not commence before January 2026. In this timeframe, labour wages will be subject to at least two revisions, ie. in July and January. As the wage component constitutes a significant portion of operational cost and considering the extended gap between bid submission and actual commencement of services, the financial burden on the contractor will be considerable if no variation is allowed during this period. In this regard, we request authority to allow wage variation from the first month of operations, at least for the labour component.	Tender Condition prevails. Please see corrigendum for change in Mobilisation Period
762	Section 10 - Specifications	Clause 7, vi	Technical Specifications of Vehicles For Collection of Garbage	Pg-148	In a city like Mumbai, where the weather-especially rainfall is highly unpredictable, it becomes quite challenging to operate only with electric vehicles. Rain and waterlogging can affect the performance and safety of EVs. Therefore, we request the authority to also allow the use of diesel or petrol vehicles for smooth and uninterrupted operations. Subsequently we suggest that the 3 marks currently given for experience in using electric vehicles be removed.	Tender Condition prevails
763	Section 10 - Specifications	Clause 1.24	Parking of vehicles	Pg-163	We understand that authority will re-imburse the parking charges paid towards parking of vehicles.	No. Tender Condition prevails
764	Section 9 - General Conditions Of Contract	Clause 10	Employer's Risk	Pg-65	Kindly mention Force Majeure Clause, nothing mentioned about Force Majeure in the Tender Document	Tender Condition prevails
765	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	Considering extensive field survey required for the project area, we hereby request authority to extend the bid due date at least by 2 weeks	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
766	Section 10 - Specifications	-	Evaluation Criteria	-	The tender documents rightly asks for bidder to show experience in providing similar services and meeting technical and financials requirement. But in the technical evaluation marks have been assigned totally different criteria like Population covered and Tonnage Handled per day. It is important that many municipal bodies in a single tender covering their entire jurisdiction resulting in lower figures for population and tonnage per contract, As such these parameters can unfairly disadvantage otherwise experienced and capable bidders simply because their prior work has been exceeded in segmented tenders or in smaller jurisdictions.	Tender Condition prevails
767	Section 10 - Specifications	-	Evaluation Criteria	-	As per CVC and General Financial rules, all evaluation methods must be 1. Transparent 2. Objective 3. Consistent with the eligibility and technical requirements We respectfully request department to review and revise the evaluation method so that it matches the technical and financial qualifications already asked for by reducing the weightages given to subjective factors and ensure that process remains fair, transparent and consistent with government norms.	Tender Condition prevails
<b>M/s. METRO WASTE HANDLING PVT. LTD.</b>						
768	Section 2 - Eligibility Criteria	Clause A.1.1.	Technical Capacity: Work Experience	Pg-11	Is this an International Competitive Bid? If yes, would you allow bidders or members of a Joint Venture from a country sharing land border with India to participate without adhering to Order (Public Procurement No. 1) dated 23.07.2020, Order (Public Procurement No. 2) dated 23.07.2020 and Order (Public Procurement No. 3) dated 24.07.2020 issued by Department of Expenditure, Ministry of Finance, Govt. of India in this regard are available at website <a href="https://www.pib.gov.in/PressReleasePage.aspx?PRID=1640778">https://www.pib.gov.in/PressReleasePage.aspx?PRID=1640778</a> Also, in today's scenario and India's diplomatic relations with countries like Turkey, Azerbaijan, Canada can we form JV with companies from such countries? The recent challenges being faced in Celibi (Turkish company) case is a classic example which teaches that essential public services should not be made open to international firms.	Tender Condition Prevails
769	-	Other	-	-	In case funds under NCAP or UDF are made available to MCGM for procuring fleet, what will be the modalities for procuring the same.	Tender Condition prevails
770	Section 9 - General Conditions Of Contract	Clause 83 a	Joint Venture	Pg-108	If we have taken 51% in an eligible company three weeks back, can we claim the experience? Please clarify the period for which the experience is required?	Tender Conditions Prevails Please refer Clause no A.1.1, pg 10

778	Section 6 - Instructions To Applicants	Packet B	Submission of Tenders, Packet-B	Pg-41	Would the bidders who are defaulters with banks/lenders like bounced EMIs etc be considered for qualification?	Please Refer Corrigendum
779	Section 6 - Instructions To Applicants		Security Deposit: Contract Deposit	Pg-47	Since this is a PPP project where all investment is done by the bidder, this should be equal to 2 % the first year's estimated cost to be calculated at awarded rate.	Tender Condition prevails
780	Section 6 - Instructions To Applicants	Clause A Security Deposit	A. Security Deposit: Additional Security Deposit (ASD)	Pg-47	What is the estimated cost?	Please Refer Corrigendum
781	Section 7 - Scope Of Work	Clause 1	Collection and Transportation	Pg-53	There should be provision for extension of work upto useable life of electric vehicles.	Tender Condition prevails
782	Section 7 - Scope Of Work	Clause 9	Community Collection Bins	Pg-54	What action shall the Corporation take against the citizens who refrain from obeying the Bin attendant and still insist on throwing the garbage on the ground? The bins are prone to damage (due to fire)/theft and average life is less than 18 months. Who will bear the replacement cost and how many times?	Tender Condition prevails. Please refer Pg. No. 135, Clause K. Also refer Annexure N, Pg.No. 217
783	Section 8 - Bill Of Quantities	-	Levy component of wages for workforce deployed	Pg-56, 78, 169	The tender instructs bidder to Quote rates without the levy component of wages for the workforce deployed: As there appears to some inconsistency in the tender documents: i) Tender Page 78 its mentioned it is stated that levies are to be paid as per Circular CA(F)/Project/26 dated 28.07.2022. It is presumed that it is to be paid by the bidder to be further reimbursed as per actuals. AND ii) On Page 169 the existing breakup of existing 49% levies is mentioned ( which actually totals up 39.39% AND iii) On Page 163 it mentioned the work force deployed on vehicles shall be paid Minimum Wages Act & Motor Vehicles Act. - Kindly share a copy of the referenced circular (CA(F)/Project/26 dated 28.07.2022). - Kindly Clarify which Wages are to be referred, BMC Circular, Minimum Wages Act, Motor Vehicle Act? - Please clarify the current applicable levies as per the latest BMC policy.	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
784	Section 9 - General Conditions Of Contract	Clause 38	Tax	Pg-77	<p>It is mentioned the rates shall be inclusive of all taxes and duties while Page 77 Clause 38 – Tax, which states (as per Circular CA(F)/Project/28 dated 28.03.2023) that:  “The tenderer shall quote inclusive of all taxes other than GST. GST as applicable shall be paid separately on submission of bills/invoice.”</p> <p>In view of the above, we request your clarification on the following:</p> <p>a. MCGM has informed that the present contracts are not being considers for GST as these are being considered under Pure services. In case there is change in law or interpretation by government, it should be paid extra as per actuals.</p> <p>b. Similarly, if in future any new tax like Service Tax or VAT is levied it should be paid as per actuals.</p> <p>c. We also request a copy of Circular CA(F)/Project/28 dated 28.03.2023 for reference and compliance.</p>	Please Refer Corrigendum
785	Section 9 - General Conditions Of Contract	Clause 38	Tax	Pg-77	<p>1. The tender states that:  “Rates accepted by BMC shall hold good till completion of work and no additional individual claim shall be admissible on account of fluctuations in market rates, increase in taxes / any other levies / fuel charges / Labour charges / tolls etc.”</p> <p>2. However, on Page 168, a detailed formula for variation in Labour, fuel, capital cost, and maintenance cost are provided, that certain cost escalations will be admissible.</p> <p>3. Furthermore, Clause 38 (Page 77) states that bidders shall quote rates inclusive of all taxes other than GST, and that GST will be paid separately.</p> <ul style="list-style-type: none"> <li>• It is presumed that the variation formula on Page 168 overrides the general “no escalation” clause. Please clarify if our understanding is not correct.</li> <li>• It is presumed that the contractor shall be compensated in case of any future change in GST or other tax rates or names during the contract period. Please clarify if our understanding is not correct.</li> <li>• Similarly in case any new Labour levy is introduced in future, it will also be reimbursed as per actuals. Please clarify if our understanding is not correct.</li> </ul> <p>We are in assumption that all the changes in taxes/ levies shall be reimbursable at actual.</p>	Please Refer Corrigendum
786	Section 9 - General Conditions Of Contract	Clause 46	Termination	Pg-81	Please specify what is “fundamental Breach of contract” The tender has already defined penalties for such breaches. Further, contractor should be allowed “Remediation time” to rectify the breaches incurred.	Tender Condition prevails
787	Section 9 - General Conditions Of Contract	Clause 46	Termination	Pg-81	Please delete this clause as it is unilateral and the contractor would have invested heavily in machinery. No Bank would fund the project with such clauses. You are also requested to clarify on Termination Payments.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
788	Section 9 - General Conditions Of Contract	Clause 51	Compliance with Labour Regulations	Pg-83	<p>We seek clarification on the Labour compliance obligations under the tender, particularly in the context of deploying existing manpower.</p> <p>In the event that any part of the existing labour force is to be continued or absorbed under the new contract, we request confirmation on the following:</p> <ul style="list-style-type: none"> <li>- That the successful bidder shall not be held liable for any past legal dues, penalties, or non-compliances associated with the existing manpower, if recruited or continued.</li> <li>- That the bidder's responsibility shall begin only from the date of mobilization or fresh engagement, and all prior obligations shall rest with the previous contractor or the authority, as applicable..</li> </ul>	Tender Condition Prevails. Please refer clause 11, Pg.No. 163
789	Section 9 - General Conditions Of Contract	Clause F, 52.1	Photographs	Pg-84	Such photograph's / drawings once shared with the Corporation, the contractor shall have no control over their publishing or circulation.	Tender Condition prevails
790	Section 8 - Bill Of Quantities		Minimum Assured Quantity of waste		<p>We assume that:</p> <ol style="list-style-type: none"> <li>1. There is a minimum assured tonnage to be lifted by the contractor on a daily/monthly basis.</li> <li>2. In case the actual tonnage available for lifting is less than the assured quantity, the difference (negative tonnage) shall be reimbursed by BMC at the quoted rates to compensate for the shortfall, as the contractor would have deployed fixed resources based on the assured quantity.</li> <li>3. It is worth mentioning that MCGM negotiated rates with us at the time of ward of work on 182 MT whereas the actual generation was less than 30%. We were forced to deploy 100% offered men and machinery thus causing huge losses. There should be assurance on minimum weight considered in estimate/negotiation.</li> </ol>	Tender Condition prevails
791	Section 9 - General Conditions Of Contract	Clause 72.2	Payments, Tax and Claims - No interest for delayed payments due to disputes, etc	Pg-94	<p>This clause shall absolve the Brihanmumbai Municipal corporation from any stress to make periodical payments to the contracts and such payments could be delayed indefinitely. The clause should be modified to specify a period in which payments to the contractor shall be released and payment of interest must be specified if payments are delayed beyond a certain period.</p> <p>This is a standard practice all over the country.</p>	Tender Condition prevails

852	Section 10 - Specifications	Clause 1.1	General Guidelines for vehicles	Pg-158	At least 30 days shall be given to place order and submit copy of confirm order to BMC.	Tender Condition prevails
<b>Prime Civil Infrastructures Pvt. Ltd.</b>						
853	Section 2 - Eligibility Criteria	Clause 1.3	Similar Experience	Pg-12	The bidder(s) in their own name should have satisfactorily executed the work of similar nature or currently executing the work of similar nature as described in para 1.3 on Pg. No. 12 & 31 of this document in BMC /Semi Govt. /Govt. & Public Sector Organizations during last seven (7) years ending <b><u>upto last day of quoting tender in which bids are invited as a prime Contractor.</u></b>	Tender Condition prevails
854	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104	Please clarify in case of a joint venture 2 works / certificate of individual member will be consider or total number of 2 works / certificate should be consider of all the members of the joint venture.	Tender Condition prevails
855	Section 9 - General Conditions Of Contract	Clause 83.a -l	Joint Venture	Pg-105	On award of contract to a JV firm, a single Performance Guarantee shall be required to be submitted by the JV firm as per tender conditions. All the Guarantees like Performance Guarantee, Bank Guarantee for Mobilization advance, machinery Advance etc. shall be accepted <b><u>as per the ratio of their joint venture percentage from their individual firm shall be permitted</u></b>	Tender Condition prevails. Please see corrigendum for clarification on Mobilisation Advance.
856	Section 9 - General Conditions Of Contract	Clause 83.a -j	Joint Venture	Pg-105	Kindly consider A member of a JV Firm once bids for a tender, he can bid for same or other group's tender either in individual capacity or as a member of another JV Firm subject to not having 2 bid in same work.	Tender Condition prevails
857	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	As per the marking system 60% of the points are to be given by evaluating committee and only 40% is with the bidder's capabilities. Therefore we request to consider minimum scores to be 50 not 70 Marks.	Tender Condition prevails
858	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	Experience of Door-step / Secondary collection in the total number of works given as technical qualification shall have and average of 10 Lakhs and not 10 Lakhs each for example if I have executed 2 works where in one work is 11 lakhs and other one is 9 Lakhs such situation shall be consider as it is 20 Lakhs in 2 works.	Tender Condition prevails
859	Section 10 - Specifications	-	Evaluation of Bids: Marking system	Pg-121	As our existing work in hand do not have any vehicle with E.V. arrangement. We request you to not insist on E.V. as a marking system.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
860	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	we request your kind self to consider that if the bidder in its joint name or individually have bid capacity of 2 works and technical and financial capacity of 1 work then they should be allowed to get 2 works and not just 1 work as beneficial to BMC	Tender Condition Prevails
861	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	in the tender in is mentioned that you can bid for only the works that you cumulatively qualify for which restricts us bid for multiple workand not having fare competition hence a bidder should allowed to bid for as many works they wish to subject to bid capacity and qualification are fulfilled as beneficial to BMC	Please Refer Corrigendum
862	Section 2 - Eligibility Criteria	Clause 1.2	Financial Capacity C. Profitability	Pg-12	As this is a group tender of 8 works wherein maximum 2 bid will be allotted to the bidder, in that case BMC should consider 2 highest value of EMD of the works submitted by us	Tender Condition prevails
<b>M/s. Rathore Infra Project Pvt. Ltd.</b>						
863	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	Considering the scale of this tender, the EMD amouint is substantially high. We request you to consider allowing a portion of the EMD (e.g. Rs 10 Lakhs) via Demand Draft, with the balance amount through BG, similar to other BMC tenders	Tender Condition prevails
864	Section 2 - Eligibility Criteria	Clause 1.3	Technical Capacity: Work Experience	Pg-12	We request that similar or currently ongoing works (as per para 1.3, pg 12 & 31) in BMC/ Govt. Semi-Govt/ PSUs during the last 7 years up to the last date of submisssion of tender be considered.	Tender Condition Prevails
865	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	in cases where the contract period has been officially extended due to delays in agency finalization, we request enhancement on complete work value for the total contract, based on the actual completion date. Also, kindly clarify the "current year" applicable for enhancement	Tender Condition Prevails
866	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-105	We request a relaxation in the clause mandating that experience must be of the lead memberwith >=51% stake. Instead, expereince from either JV partner (lead or other) with appropriate participation may be allowed	Tender Condition prevails
867	Section 2 - Eligibility Criteria	Clause A. 1.1	Technical Capacity: Work Experience	Pg-10	We request that qualification in a higher group allow bidding across all groups, rather than restricting based on turnover/work experinece summation for each combination.	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
868	Section 2 - Eligibility Criteria	Clause 1.3	Litigation history	Pg-12	Kindly clarify whether only contract-related litigation is to be disclosed or if all types (criminal, taxation, GST, MV Act, etc.) must be included. A clear definition of "litigation" will assist in proper compliance.	Tender Condition prevails
869	Section 6 - Instructions To Applicants	Clause d Packet B	Work Plan Marking	Pg-42	Since 55 marks are allocated to work plans and a minimum of 70 is required to open financial bids, this could lead to bias. We request reducing the weightage to 15 marks and redistributing the rest to technical qualifications.	Please Refer Corrigendum
870	Section 10 - Specifications	Clause 10	Technical specifications for the litter bins	Pg-150	The specification of litter bins made from stone (granite/marble/sandstone) is not practical. It poses safety risks, is difficult to lift and increases weight. We request reverting to the previous pattern/materials for litter bins for operational efficiency and safety.	Tender Condition prevails
871	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	1. Either: Kindly consider removing the population-based marking criteria if the intention is to allow secondary collection experience to qualify and score under the technical evaluation. 2. Or: If the objective is to assess a bidder's capacity to manage public-facing, labor-intensive operations, then contractors with experience only in secondary collection should be excluded from qualification or scoring under these specific criteria.	Tender Condition Prevails Here, secondary collection means collection from community collection bins and doesn't mean transportation of waste from transfer station to dumping ground.
<b>Rohida Technologies</b>						
872	General	-	-	-	We request BMC to implement for installation of a PESO-approved DATUM system as mandatory for the bidder who will be awarded the work for the subject tender for the reduction of carbon emissions. This will save the environment with following a. Reducing of 3,996 kg of CO2/day b. Saving more than 500 trees per day c. Productivity increase d. Less waste of time for refuelling .	This query is not related to subject matter work
873	General- VTMS	-	-	-	We request integration of DATUM-generated reports in the project scope. These analytics will help track and optimize carbon emission savings, cost efficiency, and audit readiness. As in future GOI of India is proposing for the Carbon credit . With this project BMC can become first of entity who has implemented initiative.	This query is not related to subject matter work

<b>M/s. Sumeet Facilities Limited</b>						
1059	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	We request Authority to kindly considered The E.M.D in the form of Bank Guarantee.  (previously modified in the tender for E-Tender for Name of the work “Primary Door to Door collection of solid waste from household from slums, passage cleaning, Drainage cleaning & Toilet cleaning for the period of 4 years”)	Tender Condition prevails
1060	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-105	<b>Option 1</b> The bidder claiming entire experience of its JV/Consortium/SPV for fulfilling the Technical Qualification should have held a minimum of 26% stake in the JV/Consortium/SPV during the entire preceding year.  Attached herewith is the Exhibit in Kalyan Dombivli Municipal Corporation & Thane Municipal Corporation.  OR  <b>Option 2</b> In case the bidder is a Joint Venture (JV), the bidder may be either the Lead Member or a Member of the consortium. The experience of the bidder shall be considered in proportion to the stake held by the bidder in the respective JV project.	Tender Condition prevails
1061	Section 10 - Specifications	Point 17	Schedule of Penalties	Pg-175	Elimination of open dumping spots and channelizing to Doorstep collection will require more than one year’s time.  Contractor will clear the Spots, give awareness to the citizens & surrounding the spots, further penal action must be taken by the Authority.  If the contractor has taken steps as mentioned above and have recorded the information properly and still the spots are active, Contractor should not be penalised for the same.	Tender Condition prevails
1062	Section 7 - Scope Of Work	Ponit 8 & 9	Litter bins	Pg-54	International Practice of maintaining Litter bins must be accepted.  Scenario / Methodology The Litter bins to have bags which will be replaced multiple times/ periodically which is then loaded to vehicle for either TS / Stationary Compactor / Processing Facility like MRF / Dumpsite.	Tender Condition prevails Work plan for the same has to be submitted. Refer Annexure O, Pg-218

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
1063	Section 7 - Scope Of Work	Point 9	Community Collection Bins	Pg-54	<p>Mumbai has a huge floating population; elimination of community collection bins will only result in the garbage coming on the street unattended and will create more open dumping spots.</p> <p>Also, Elimination of bins needs a change management among citizens behaviour, authorities' willingness to penalise waste generator through enforcement.</p> <p>Well maintained bins are an urban necessity, reduces the cost for the Authority, hence request to review this.</p>	Tender Condition prevails
1064	Section 7 - Scope Of Work	Clause 2	B) Proposed Approach For Improvement	Pg-125	Design Change – Concessionaire to have flexibility to innovate or proposed customised vehicle model for C&T.	Tender Condition prevails. Please refer Section 10, Specifications.
1065	Section 10 - Specifications	-	Evaluation of Bids: Population Criteria	Pg-121	Since bidders have the option to bid for a group of ten ULBs, some of these groups have a combined residing population of less than 10 lakhs. Therefore, requiring experience in handling a population of more than 10 lakhs is not aligned with the operational realities of these groups. We kindly request the authorities to revise the eligibility criteria to "experience of more than 5 lakh population" instead.	Tender Condition Prevails
1066	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	Kindly provide the current BMC policy for Bulk Waste Generators, along with the existing practices for waste collection.	Tender condition prevails Also refer Draft SWM Bye laws for Mumbai 2025
1067	Section 10 - Specifications	Clause 2	B) Proposed Approach For Improvement	Pg-127	<p>Does the contractor provide the 120/240-litre bins, or are they already placed at the location?</p> <p>Considering that the garbage collectors from SMPA Sanstha are volunteers, they should be instructed to hand over the waste daily at the designated point in a segregated manner.</p>	Tender Condition prevails Please refer Clause A, Pg- 154. Distribution of 120/240 liter bins is not in the scope of this contract
1068	Section 10 - Specifications	-	Schedule of Penalties: Maximum penalty	Pg 177	Please consider that the maximum penalty that can be levied in a month shall not exceed 5% of the monthly billing amount	Please Refer Corrigendum
1069	Section 10 - Specifications	Clause 14	Mobilization Period	Pg-170	Kindly consider a mobilization period of 8 months, considering the specialized vehicles required for this contract.	Please Refer Corrigendum
1070	Section 7 - Scope Of Work	Clause 2	B) Proposed Approach For Improvement	Pg-125	Please allow the concessionaire to design the vehicle based on the survey. While the minimum cubic capacity can be maintained, flexibility in design should be permitted. Accordingly, the number of vehicles can be determined for each group or ward.	Tender condition prevails Please refer Clause A, Pg. 154, Clause -General guidelines for the work, Pg - 139-140

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
1071	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	Since the vehicles require daily maintenance, maintaining them at the PPL site is not feasible. Therefore, we request the authorities to provide a maintenance location within the respective ward.	Tender Condition prevails
1072	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	The current due date for submission of bids is 11/06/2025. Considering the scale and complexity of the project, we respectfully request the Brihanmumbai Municipal Corporation (BMC) to extend the bid submission deadline by an additional 30 days. This extension will enable all prospective bidders to prepare comprehensive proposals, thereby encouraging greater participation and ensuring improved project outcomes.	Please Refer Corrigendum
1073	Section 9 - General Conditions Of Contract	Clause 83.a	Joint Venture	Pg-104-108	We request BMC to kindly consider modifying the tender conditions to allow Joint Ventures comprising up to three entities in the consortium, instead of the current restriction to only two. This change will foster a more collaborative approach, enabling specialized expertise, greater resource pooling, and enhanced capacity to ensure successful execution of this large-scale project.	Tender Condition prevails Joint venture of 1+2 means, 1 lead member and 2 other members
1074	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	We request the Brihanmumbai Municipal Corporation (BMC) to kindly provide adequate parking and vehicle maintenance space for the vehicles deployed for Collection and Transportation (C&T) of waste operations.	Tender Condition prevails
1075	Section 10 - Specifications	Clause 6	Logistics for loading of waste	Pg-139	<p>Additionally, as part of our commitment to promoting green energy, we plan to introduce Electric Vehicles (EVs), CNG vehicles, and others into our fleet. In this regard, we request BMC to consider provisioning EV charging infrastructure at designated locations to support efficient operations and ensure the seamless integration of EVs into the project.</p> <p>We believe this initiative will contribute to sustainable urban development and align with BMC's environmental goals.</p>	Tender Condition prevails
1076	Section 6 - Instructions To Applicants	Point C	Contract Execution	Pg-36	We respectfully request the support of the Brihanmumbai Municipal Corporation (BMC) in facilitating and expediting the necessary approvals required for the smooth execution of the project. Your kind assistance in coordinating with the relevant departments and authorities will greatly help in ensuring timely commencement and uninterrupted progress of the work.	Tender Conditions prevails The subject work belongs to Solid Waste Management Department only
1077	Section 7 - Scope Of Work	Ponit 8 & 9	Litter bins	Pg-54	Please provide list of community collection bins, location wise, ageing, existing frequency of clearance, average life of these bins as per the OEM.	Tender condition prevails Please refer Clause A, Pg. 154 Refer Annexure 2 and 2A and Annexure N
<b>M/s. Swachatha Corporation</b>						
1078	Section 2 - Eligibility Criteria	Clause 1.2 C	Note	Pg-12	A bidder can bid to any nos. of groups provided the bidder fulfils the criterion mentioned against that package, for the amounts mentioned against the turnover and work experience for those groups. 02 groups can be allotted to a single bidder even if that bidder may become lowest responsive in more than 02 groups. In this case the choice of groups to be allotted to that bidder will lie with BMC based as financially beneficial to BMC	Please Refer Corrigendum

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
1079	Section 2 - Eligibility Criteria	Clause 1.2 B	Financial Capacity B. Net Worth	Pg-11	The bidder shall have net worth as certified by 'Chartered Accountant' of 25% of the turnover mentioned as above for the respective group for which the bidder is going to bid.	Please Refer Corrigendum
1080	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-13	Clarity for calculating Bid capacity in case of multiple projects may please be furnished.	Tender Condition Prevails
1081	Section 1 - E-Tender Notice	E Tender Notice	EMD	Pg-5	The tenderer shall pay the EMD / Bid Security through payment gateways before submission of bid and shall upload the screenshot of receipt of payment in packet A as per bidding schedule or shall submit an irrevocable Bank Guarantee valid for the bid period.	Tender Condition prevails
1082	Section 7 - Scope Of Work	Clause 1	Collection and Transportation	Pg-53	This clause gives an impression that Door to Door collection is Not under the scope of this work.  Please clarify and confirm whether scope of work also includes Door to Door Collection of wet and dry waste	Tender Condition Prevails. Please refer Section 10, Technical Specifications.
1083	Section 8 - Bill Of Quantities	-	Tonnage	Pg-56	Please furnish the empirical data of arriving at these tonnages under each group.	Tender Condition prevails
1084	Section 9 - General Conditions Of Contract	Clause 36	Payments	Pg-76	We request that the payments may please be released within 15 days of bill submission by the successful bidder. In case of delayed payments an interest of 12% PA shall be paid by the authority. Regular timely payment of salaries, fuel and vendor bills will ensure smooth functioning of the project.	Tender Condition prevails
1085	Section 8 - Bill Of Quantities	-	Tonnage	Pg-56	Usually, on an average 350-400 grams of MSW is generated per head and this assumption of 700 to 900 grams appears to be very high. if the tonnage mentioned in the Bill of Quantities is based on this assumption, then it is to be reworked on practical assumption. Please clarify and if needed, please rework the tonnage mentioned in Bill of Quantities (Page No 56 of the Tender Document)	Tender Condition prevails
1086	Section 10 - Specifications	Clause 2 b	B) Proposed Approach For Improvement	Pg-124	Please clarify whether we will get payment for directing this 10 TPD of MSW to each of these stationary compactors or not as we will be using our vehicles\manpower to comply with this stipulation.	Tender Condition prevails
1087	Section 10 - Specifications	Clause 9	Parking of vehicles	Pg-150	As BMC is insisting for submission of bills as evidence of payment parking fee. Please inform whether such parking fee paid will be reimbursed in addition to the quoted tripping fee? Also please clarify whether these parking lots have active CCTV coverage to detect safety of our vehicles and also to prevent Theft, pilferage etc. Whether parking Lot agency would be responsible for such theft\pilferage Necessary clarification may please be furnished.	Tender Condition prevails

Sr. No.	Section Head	Tender Clause No	Tender Clause heading	Tender Page no	Description of query	Response to the query
1088	Section 1 - E-Tender Notice	E Tender Notice	Last Date of sale of tender	Pg-8	Please post pone the pre bid meeting date and Last date for submission of tenders by atleast 15 days	Please Refer Corrigendum
1089	Section 10 - Specifications	Clause b	Manpower deployment	Pg-130	It would be very helpful if BMC can provide details of Vehicles and Manpower currently deployed on Each of these 8 groups. Please provide the same.	Tender condition prevails. Please refer section 10- Specifications of the bid Document
1090	Section 2 - Eligibility Criteria	Clause 1.4	Bid Capacity	Pg-13	Estimated project value for each group may please be provided. This is required to understand the implications pertaining to additional security deposit.	Please Refer Corrigendum
1091	Section 8 - Bill Of Quantities	-	Levy component of wages for workforce deployed	Pg-56	Will BMC pay the wages separately? Kindly clarify.	Tender condition prevails. Pleasee section Pg. 169 of the bid Document
1092	Section 8 - Bill Of Quantities	-	Rate per unit	Pg-56	In the table we have a provision to quote our rate per unit (i.e., Ton). Does this imply we have to quote our rate in Rs. Per ton per day or just Rs. Per day for the estimated tonnage in the group?	Tender condition prevails. Pleasee section 8- Bill of Quantities, Pg. 56 of the bid Document
1093	Section 8 - Bill Of Quantities	-	Tonnage	Pg-56	Please explain the difference of tonnage in the adjoining data. Also, as we have to bid our rate per ton we would require the actual tonnage data of waste generated, collected and transported in the past 6 months. Quoting rate based on an assumption of waste generated will not be correct as the project itself might fail if there are differences between assumed data and practical data. Please provide data of the MSW generated, collected and transported over the past 6 months for each of the wards to enable the bidders to quote accurately using the given data as a baseline.	Tender Condition prevails
1094	Section 13 - List Of Approved Banks	-	List of Banks Approved	Pg-186	In the given list “Kotak Mahindra Bank” is not mentioned. If BG is accepted for EMD, pls clarify that we can submit a BG from Kotak Mahindra Bank.	Tender Condition prevails
<b>M/s. Swayambhu Trasport</b>
