Sd/-

Other Clarification

Sr.No.	Clause	Queries	Clarification
1		In BOQ format, Quantity mentioned as 10 per annum. We are unable to understand the calculation.	Bidder has to quote rate for One year concession fee & period of 10 years considered in BOQ format
2		in Service rate sheet, USG Breast mentioned as Rs. 410/-and Ultrasound Mammography as Rs. 500/The rate of Rs. 500 for ultrasound mammography is not financially affordable due to higher equipment costs. Kindly revise the price for mammography services.	No change in tender condition
3		In tender document there is no clarity on whether the service provider collects charges from patients directly. Kindly confirm if the proposal is patient pay, credit basis or any reimbursement option.	Bidder have to collect charges directly from patients & for patients covered under various Schemes like MJPJAY/AB-PMJAY, or certified by CMO/MS such patients charges will be reimbursed by respective hospitals
4		Regarding PCPNDT registration (machines, doctors) since PCPNDT formalities is a time-taking procedure, on behalf of hospital we request an authorized person to support in PCPNDT registration process	MS/CMO of Respective Hospitals will be authorized person to coordinate for required support
5		PCPNDT online data uploading. In the tender document it is not mentioned who is responsible for uploading daily and monthly data in PCPNDT portal. Kindly clarify the same as it is very crucial process where legal compliance is required	Bidder is responsible for regulatory compliances where MS/CMO of respective Hospital will as coordinator or support
6		Price revision is not mentioned anywhere in the tender document. Considering the impact of inflation we are expecting at least 10% has every year or 20% hike in every 3 years whichever is applicable	Price revision is applicable only if BMC revised charges, then only intimated to the bidder time to time.
7		To perform procedures like FNAC, biopsy etc, certain medicines and consumable are required but in the tender document there is no clarity regarding who will bear the cost.	The rate given in the tender includes the Surgical & consumables required for the procedure. No change in rates
8		In order to make the project more viable, we request the authority, to add in 2D Echo services also.	2D Echo services included in services & rate for the same is Rs. 600/- per patient.
9	Page No. 06	We recommend including Pandit Madan Mohan Malviya Shatabdi Hospital, Govandi in the list of peripheral hospitals covered under the Sonology Services tender. This addition will help expand access to diagnostic services in the eastern suburbs.	No Change. As these hospital yet to be started
