## **SECTION 2**

# **ELIGIBILITY CRITERIA**

## **A) Eligibility Criteria:**

### **1.1 Technical Capacity:**

The tenderer(s) in their own name should have satisfactorily executed the work of similar nature BMC /Semi Govt. /Govt. & Public Sector Organizations during last seven (7) years ending last day of month previous to the one in which bids are invited as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved similar nature of work as described in the scope of works in this bid document, provided further that all other qualification criteria are satisfied)

- a) Three similar completed works each of value not less than the amount equal to **Rs. 3,88,000/-**.

OR

- b) Two similar completed works each of value not less than the amount equal to **Rs. 4,85,000/-**.

OR

- b) One similar completed work of value equal and or not less than the amount equal to **Rs. 6,76,000/-**.

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

### **1.2. Financial Capacity : (Not Applicable for this tender)**

~~Achieved an average annual financial turnover as certified by 'Chartered Accountant' equal to **Rs. \_\_\_\_\_** in last three (3) financial years immediately preceding the Financial Year in which bids are invited.~~

~~The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.~~

### 1.3 Similar Experience:

For assessing the technical capacity of Regular, Routine and Maintenance works; similar work shall mean, the completed works of Operation and maintenance contract of Air pollution control system in cemeteries in BMC /Semi Govt. /Govt. & Public Sector Organizations as mentioned above in “**Technical Capacity.**”

#### **B) Bid Capacity: (Not Applicable for this tender)**

~~The bid capacity of the prospective bidders will be calculated as under: Assessed Available~~

$$\text{Bid Capacity} = (A * N * 2 - B)$$

~~Where,~~

~~A = Maximum value of Civil Engineering works executed in any one year (year means Financial year) during the last five years (updated to the price level of the Financial year in which bids are received at a rate of 10% per year) taking into account the completed as well as works in progress.~~

~~N = Number of years prescribed for completion of the Project/Works, excluding monsoon period, for which these bids are being invited. (E.g. 7 months = 7/12 year) For every intervening monsoon 0.33 shall be added to N.~~

~~B = Value of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited.~~

~~Note: The statement showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be attached along with certificates duly signed by the Engineer in Charge, not below the rank of an Executive Engineer or equivalent.~~

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

- Made misleading or false representation in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
- Record for poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
